

RETURN OF TRUMP

— Editor in Chief of GEORGE

You know it. It's like watching a movie. And midway through? You are telling everyone the ending. "Watch, Betcha..." And there it is! And just like that. "Ah, ha!! I told you!!" And what's next is just shaking their head. Because the same ending. As if you had some great

enter how improbable it may seem. Deep inside it — and everyone else does too. And along the way has their theories. And there is no end to love them all. In this corner — you have coming from executive orders that would make y in control. And you have scenarios where realize, "Oops! We made a mistake. Return Electoral College votes into the Trump

ALL the scenarios. Some I believe could be some I say like the "Dumb and Dumber" you're saying I have shot..." At the same that's going on. And please — with all due sides.... I think America needed to see the

What we have seen is the and gas prices were high before, and I used to see segments of the population that set the gas price?

OK... But what was? Do we Americans DO that? Is there SOMETHING to do with you?

It's painful when you're in the games with yourself. You're in the game and that there is a hand set your clock at minutes don't think you are behind in the time.

I mean, I've done it. I don't want to fill up my tank. So I've been "fill-ups" look better than a "fill-up" regardless! The real money is in this on Joe Biden. The being said? The it was years — there has been a plethora of lives in battleground states that have changed. And, for the record I have that word "plethora." It reminds me of the "Three Amigos" movie back in the 80's. Can you even define plethora, now?

Point being? Do the research yourself. See how many laws that the conservative legislatures in Conservative States have been changed. You don't need me to tell you. Look it up yourself.

There are hundreds of STATE laws that have been changed in battleground States that straight up favor the Conservative agenda. And they are things that some would think are "no brainer's." Such as! Requiring a driver's license to vote. But in the end all of it, too many people want Trump back. Ronald Reagan said it best during his reflection bid. "Are you better off the you were four years ago?"

People could lie. But you can't really lie to yourself. Even if you CAN set your clock 30 minutes faster to "trick yourself." The question is now? Is America better off if we were 3 years ago? When you tell yourself the answer is heart — you will know and tell the future.
