## Return Of Felix Nogara:

**The Return of Felix Nogara** Pablo Medina, 2002-03-01 The dictator is dead and suddenly the exiles can return So begins Pablo Medina's most compelling work to date a novel set on Barata the imaginary Caribbean island not unlike Cuba Sent to the United States at the age of twelve Felix Nogara has remained attached to his native land through dissident fellow exiles and through his family legacy Thirty eight years later he returns and with a wise and sardonic cab driver as his guide he travels through the ruined landscape to recover his lost history his lost happiness Returning to Barata was like going back to Eden It was like showing God who was really in control With wit imagination and visionary insight Medina takes the reader to an island in chaos in order to explore the deepest regions of an exile's heart *Impossible Returns* Iraida H. Lopez, 2018-03-19 In this one of a kind volume Iraida Lopez explores various narratives of return by those who left Cuba as children or adolescents Including memoirs semi autobiographical fiction and visual arts many of these accounts feature a physical arrival on the island while others depict a metaphorical or vicarious experience by means of fictional characters or childhood reminiscences As two way migration increases in the post Cold War period many of these narratives put to the test the boundaries of national identity Through a critical reading of works by Cuban American artists and writers like Mar a Brito Ruth Behar Carlos Eire Cristina Garc a Ana Mendieta Gustavo Prez Firmat Ernesto Pujol Achy Obejas and Ana Mendez Lopez highlights the affective ties as well as the tensions underlying the relationship between returning subjects and their native country Impossible Returns also looks at how Cubans still living on the island depict returning migrants in their own narratives addressing works by Jess D az Humberto Sol s Carlos Acosta Nancy Alonso Leonardo Padura and others Blurring the lines between disciplines and geographic borders this book underscores the centrality of Cuba for its diaspora and bears implications for other countries with widespread populations in exile **One Island, Many Voices** Eduardo R. del Rio, 2022-04-12 Cuban American writers have been studied primarily within the context of Latino literature as a whole Seeing a need to distinguish and define this unique literary perspective Eduardo del Rio selected twelve important well known authors and conducted interviews He chose writers who were born in Cuba but have lived in the United States for a significant amount of time and whose works include themes he considers elemental to Cuban American literature identity duality memory and exile But rather than a cohesive homogeneous group these conversations unveiled a kaleidoscope of individuality style and motive The authors bonds to Cuba inform their creative work in vastly different ways and attempts to categorize their similarities only highlight the range of character and experience within this assemblage of talented writers From playwright Dolores Prida to author and literary critic Gustavo Prez Firmat these voices run the gamut of both genre and personality In addition to the essential facts of literary accomplishment the interviews include a wealth of insight into each writer's history motivations concerns and relationship to language These personal details serve to humanize and illuminate the unique circumstances and realities that have shaped both the authors and their work What del Rio has

ultimately brought together is a series of intimate sketches that will not only serve as an important reference for any discussion of the literature but will also help readers to develop for themselves a sense of what Cuban American writing is and what it is not

*The Cigar Roller* Pablo Medina, 2007-12-01 The celebrated Cuban American poet and novelist offers a fine portrait of a hedonist and a cad set in the Cuban expatriate community in Florida The New York Times Pablo Medina's *The Cigar Roller* recounts the life of Cuban master cigar roller Amadeo Terra A proud and capricious man tobacco has been the center of his life the source of his passion Though he committed many sins in his time he was always forgiven due to his considerable talents with the leaves An imperious patriarch of enormous appetites Amadeo now lies in a Florida hospital after suffering a stroke And only now does he finally look back at his previously unexamined life One day his nurse feeds him mango from a baby food jar a change from the tasteless mush he frequently rejects and the taste brings memories of his life in Havana flooding back to him He recalls his turbulent passionate relationship with his wife Julia his numerous romantic transgressions the three sons he's kept at a distance the political strife that forced his family to relocate from Cuba to Florida and finally the tragedy that he's kept locked away all these years *The Cigar Roller* is an evocative snapshot of an era gone up in smoke and a portrait of a once robust man who at the end of his imperfect life clamors for a quotient of dignity and grace as he comes to terms with his regrets Detroit Free Press

Cuba Andrea O'Reilly Herrera, 2012-02-01 In Cuba internationally renowned artists philosophers and writers reflect on the idea of a nation displaced Featuring contributions from Isabel Alvarez Borland Antonio Benitez Rojo Maria Cristina Garcia William Navarrete Eliana Rivero Rafael Rojas and Carlos Victoria as well as many others Cuba is a rich collection of essays testimonials and interviews that reveal the complex often antagonistic cultural and political debates coexisting within the Cuban exile population As a multivoiced text Cuba formulates a deeper understanding of diasporic identity and broadens the discussion of the manner in which Cuban cultural identity and nationhood have been constructed negotiated and transformed by physical and cultural displacement

**Mommy Angst** Ann C. Hall, Mardia J. Bishop, 2009-10-27 This revealing work looks at representations of motherhood from a wide range of pop culture sources to explore larger questions about the image and self image of mothers in the United States How has the popularity of *Gilmore Girls* influenced perspectives on teenage pregnancies How did the mother in law assume such monstrous proportions Did the Republicans view of motherhood and their continual hectoring of Hillary Clinton for putting ambition ahead of family cost them the 2008 election *Mommy Angst*

Motherhood in American Popular Culture considers questions like these as it probes our country's views on mothers and how those views shape and are shaped by the habitually oversimplified portrayals of mothers in pop culture politics and the media. Mommy Angst gets at the heart of America's anxious ambivalence toward mothers whether sanctifying them vilifying them or praising the ideal of motherhood while thoroughly undervaluing the complexities of their lives and their contributions to family and society. To highlight the many sides of motherhood the collection contrasts the lives of a diverse range of real moms with their pop culture representations including Jewish mothers Cuban mothers teenage mothers mothers with disabilities working versus stay at home moms and more.

**Book Review Digest**, 2001 *Cuba Confidential* Ann Louise Bardach, 2007-12-18 From America's number one Cuba reporter PEN award winning investigative journalist Ann Louise Bardach comes the big book on Cuba we've all been waiting for. An incisive and spirited portrait of the twentieth century's wildest political survivor and his fiefdom Cuba Confidential is the gripping story of the shattered families and warring personalities that lie at the heart of the forty-three year standoff between Miami and Havana. Famous to many Americans for her cover stories and media appearances Ann Louise Bardach has been covering Cuba for a decade. She's talked to the crooks spooks and politicians who have made history and to their hired assassins and confidants. Based on exclusive interviews with Fidel Castro his sister Juanita his former brother-in-law Rafael Díaz Balart the family of Elián González the friends and family of the legendary American fugitive Robert Vesco the intrepid terrorist Luis Posada Carriles and the inner circles of Jeb Bush and the late exile leader Jorge Mas Canosa Cuba Confidential exposes the hardball take-no-prisoners tactics of the Cuban exile leadership and its manipulation and exploitation by ten American presidents. Bardach homes in on Fidel Castro and his cronies taking us closer than we've ever been and on the militant exiles who have devoted their lives with CIA connivance to trying to eliminate him. From Calle Ocho to Juan Miguel González's kitchen table in Cardenas from Guantánamo Bay to Union City to Washington D.C. Ann Louise Bardach serves up an unforgettable portrait of Cuba and its exiles.
