Conroy,2016-01-07 In the midst of high level meetings in Paris bank executive Dan Kinsey receives the shocking news about
his father s unexpected death Shaken he rushes back to his hometown in Indiana for the funeral His father a local basketball
legend in this tough blue collar town draws a huge crowd to his memorial service Dan feels conflicted inside as he listens to
the glowing accolades about his mercurial father Seeking closure Dan opens the door to his troubled past and takes the
reader on an emotional journey into a world of pick up basketball games angry beatings from a drunken father and bloody
gang fights on school playgrounds Rewinding to the present Dan feels compelled to visit one of his father s favorite haunts on
the city s tough west side and discovers a shocking truth that will forever change his life This powerful story of a middle aged
man struggling to pick up the pieces of a broken childhood will both inspire and sadden you and possibly leave you thinking
about your own journey through life *The Constructive Quarterly* Silas McBee,1921 Record of Christian Work

Davies,2016-03-16 Donald Hankey was a writer who saw himself as a student of human nature and peacetime Edwardian
Britain as a society at war with itself Wounded in a murderous daylight infantry charge near Ypres Hankey began sending
despatches to The Spectator from hospital in 1915 Trench life wrote Hankey taught that the gentleman is a type not a social
class In one calm humane eyewitness report after another under the byline A Student in Arms Hankey revealed how the
civilian volunteers of Kitchener s Army many with little stake in Edwardian society put their betters to shame nonetheless A
runaway best seller on both sides of the Atlantic Hankey s prose vied in popularity with the poetry of Rupert Brooke After he
was killed on the Somme in another daylight infantry charge Hankey joined Brooke as an international symbol of promise
foregone British propaganda backed publication in the then neutral United States yet at home Hankey had to dodge the
censors to tell the truth as he saw it This the first scholarly biography has been made possible by the recovery of Hankey
papers long thought lost Dr Davies traces the life of an Edwardian rebel from privileged birth into a banking dynasty that had
owned slaves to spokesman for the ordinary man who when put to the test of battle proves to be not so ordinary This study of
Hankey s life writing and vast audience military and civilian enlarges our understanding of how throughout the English
speaking world people managed to fight or endure a war for which little had prepared them The British Library General

Edwards,1918 **The Perfectly Simple Triune God** D. Stephen Long,2016-08-01 A particularly nettlesome question is that around the relationship of the confession of God as a simple yet threefold being the treatises of the one God and the Trinity Although God as simple and Triune was widely accepted for over a millennium simplicity has been widely critiqued and rejected by modern theology The purported error is in conceiving God s unity prior to the Triune persons an error begun by Augustine and crystallized in Aquinas The Perfectly Simple Triune God challenges this critique and reading of Aquinas as a misunderstanding of his doctrine of God By refusing to begin theology with God s oneness who God is collapses into who God is for us a loss of the biblical and dramatic character of God for us D Stephen Long posits that the two treatises were never independent but inextricably related and entailing one another Long provides a constructive rereading of Thomas Aquinas tracing antecedents to Aquinas in the patristic tradition and readings of him through to the Reformers taking into account challenges to the classical tradition posed by modern and contemporary theology and philosophy to offer a robust articulation of divine Trinitarian agency for a contemporary age that adheres to broadly considered orthodox and ecumenical parameters **The Shrewsbury Edition of the Works of Samuel Butler: Erewhon revisited** Samuel Butler,1925 *AB Bookman's Weekly* ,1997 A Man and an Institution John F. Naylor,1984-07-26 drawing upon a uniquely wide range of official and private papers to examine the historical development of the Cabinet Office the custodian of Cabinet secrecy
