**The Antichrist and the Second Coming** Duncan W. McKenzie, 2012-04 What if the commonly held beliefs concerning the Antichrist are mistaken The Antichrist and the Second Coming looks at the Antichrist and the Second Advent of Christ from a preterist i e past fulfillment perspective and provides a unified interpretation of the little horn the prince to come the king of the North the man of lawlessness and the beast This is the second in a two volume set on the Antichrist it focuses on the book of Revelation This edition stands on its own and is recommended reading even if you have not read the first volume which focuses on Daniel and 2 Thessalonians McKenzie shows how the Antichrist was ultimately a spiritual ruler from the abyss Rev 11 7 that worked through Titus in his three and a half year destruction of the Jewish nation AD 67 70 cf Dan 9 26 This spirit of Antichrist was about to come out of the abyss in the first century Rev 17 8 NASB and was destroyed by the Second Advent of Jesus in AD 70 a spiritual event Continue reading to see how McKenzie convincingly makes the biblical case for this fascinating and controversial position and what it means for us today Dr Duncan McKenzie is a licensed psychologist Ph D in psychology who lives in Los Angeles California He has been studying Bible prophecy for the past twenty five years and has been researching and writing this two volume set for the last twelve years [Scripture Parallels of the Old and New Testaments](#) Steven Echavarria, 2025-07-10 Old Testament scriptures can be difficult to understand when you first read them and I am the first to admit that I had a hard time understanding what God was trying to tell me Have you ever wondered why there is an Old and a New Testament Why not just focus on the New Testament teachings The truth is that the New Testament expands our understanding of what is taught in the Old Testament God s inspired words provided many scriptures in the Old Testament that not only created instructions to live a moral life but also provided us a historical record of his promises When you put the Old and New Testaments together you will not only be able to read God s full plan for us but you will also begin to discover that some Old Testament scriptures parallel New Testament scriptures creating an undeniable connection to God s word You will learn that there are 938 Old Testament scriptures that parallel 662 New Testament scriptures In Scripture Parallels of the Old and New Testaments I wanted to show all those connections that show God s amazing power foresight authority promises and love he has for all of us This book was written to encourage the new believer to dig deeper into the scriptures help reignite the passion of the seasoned believer and bring nonbelievers to Christ To me the Bible is so rich in information that it became my passion project and I wanted to share a simple explanation of what the scriptures were saying The illustrations are to help readers better understand the scriptures and provide visuals to accompany these amazing accounts and lessons The vision of peeling back the words to see the awesome power of God seemed fitting *All Can Be Saved* Stuart B. Schwartz, 2008-10-01 It would seem unlikely that one could discover tolerant religious attitudes in Spain Portugal and the New World colonies during the era of the Inquisition when enforcement of Catholic orthodoxy was widespread and brutal Yet this groundbreaking book does exactly that Drawing on an enormous body

of historical evidence including records of the Inquisition itself the historian Stuart Schwartz investigates the idea of religious tolerance and its evolution in the Hispanic world from 1500 to 1820 Focusing on the attitudes and beliefs of common people rather than those of intellectual elites the author finds that no small segment of the population believed in freedom of conscience and rejected the exclusive validity of the Church The book explores various sources of tolerant attitudes the challenges that the New World presented to religious orthodoxy the complex relations between popular and learned culture and many related topics The volume concludes with a discussion of the relativist ideas that were taking hold elsewhere in Europe during this era     The Oxford Handbook of Nineteenth-century Christian Thought Joel D. Turner, 1999-01-20 The problem of the historical Jesus remains one of the most important themes in New Testament scholarship Closely related to this problem is the question How far can the impact made by the earthly Jesus and his own self understanding sustain the weight of the Christological construction put upon them by the early church In the past two decades some scholars have taken an increasingly gloomy attitude toward the possibility of knowing anything of substance about Jesus from the Gospels or at the opposite extreme have sometimes made outlandish claims about him Others like the contributors to this volume have begun moving the discussion into fresh areas of creative responsible inquiry     *Gospel Perspectives, Volume 4* David Wenham, 2003-07-08 Gospel Perspectives is the fruit of the Gospels Research Project of Tyndale House Cambridge This six volume collection published between the years of 1981 and 1986 presents top evangelical scholarship on Gospels Contributors include William Craig Richard Bauckham Murray Harris Peter Davids Robert Stein F F Bruce Leon Morris and D A Carson     **Cuneiform Parallels to the Old Testament** Robert William Rogers, 1912

**Malachi's Use of Joel's Day of the Lord** Petronio M. Genebago, 2023-07-07 The Day of the Lord texts of Malachi Mal 3:2, 7, 4, 5 demonstrate that he seems to allude to Joel's Day of the Lord 2:11, 13, 31 MT 3:4 Malachi's Day of the Lord seems to have a strong inner biblical relationship with the Day of the Lord motif of Joel A significant interpretive loss is committed when allusion is recognized in the source text but ignored and not explored Thus the passages themselves call for an inner biblical allusion study In addition the interpretive significance of Joel's Day of the Lord in Malachi has not been investigated comprehensively as the review of literature and intertextual and inner biblical studies on Malachi validated Thus these are the interrelated questions a What are the criteria to verify the inner biblical connection between Malachi and Joel on the Day of the Lord b How did Malachi use Joel's Day of the Lord motif c How did Malachi develop the Day of the Lord theme in his book There are three purposes of this study The first is to identify objective criteria to verify the inner biblical connection between Malachi and Joel on the Day of the Lord The second is to determine how Malachi used Joel's Day of the Lord motif The last is to ascertain how Malachi developed the Day of the Lord theme in his book

**Pillars in the History of Biblical Interpretation, Volume 3** Stanley E. Porter, Zachary K. Dawson, 2021-06-07 This third volume like its predecessors adds to the growing body of literature concerned with the history of biblical interpretation With eighteen essays on nineteen biblical interpreters volume 3 expands the scope of scholars both traditional and modern covered in this now multivolume series Each chapter provides a biographical sketch of its respective scholar's an overview of their major contributions to the field explanations of their theoretical and methodological approaches to interpretation and evaluations and applications of their methods By focusing on the contexts in which these scholars lived and worked these essays show what defining features qualify these scholars as pillars in the history of biblical interpretation While identifying a scholar as a pillar is somewhat subjective this volume defines a pillar as one who has made a distinctive contribution by using and exemplifying a clear method that has pushed the

discipline forward at least within a given context and time period This volume is ideal for any class on the history of biblical interpretation and for those who want a greater understanding of how the field of biblical studies has developed and how certain interpreters have played a formative role in that development
