Understanding Revelation Jack Hilliard, 2008-11 The end of this world as we know it is near The book of Revelation is the most prominent book in the Bible when it comes to revealing the events of the end times Revelation has been misunderstood by ministers and laymen alike since its canonization in the Bible It has been interpreted in so many ways that it is confusing to the average Bible student therefore many today make very little or no attempt to understand its truths This book however uses a different method of interpreting the Revelation It uses the 39 books of the Old Testament and 27 books of the New Testament in the Bible to interpret the book of Revelation Scripture interpreting Scripture You see God has hidden the symbols and mysteries of Revelation within the Bible itself When we make this amazing discovery we will have more Understanding Revelation the title of this book Jack Hilliard received his BS and MBA from California Coast University He has been a student of the Bible since his salvation experience in 1978 He has taught a class in Revelation a walk through the Old and New Testament of the Bible Teaching teachers etc He has served the Lord in many ways since 1978 including service as a Sunday School Teacher Chairman of the Personnel Committee Member of the Finance Committee Deacon and Chairman of the Deacons etc He retired in 2005 after serving 35 years in the utility industry where he received many awards and commendations from superiors and peers Jack heard the calling from the Holy Spirit approximately 7 years ago to write a book on Revelation This book is an answer to that call Within the Bible are passages from the Old and New Testament that reveals the mysteries and symbols of the book of Revelation There are many of those passages defined in this book

Revelation Explained At Last Enoch Amor,2021-07-13 If we did not realize already that it takes a lifetime to understand the Bible and that s a good thing the point is driven home when we get to the last book in the Bible Revelation It starts out simply enough it is a revelation in Greek apocalypse from Jesus Christ it is a prophecy and it comes as a letter to seven churches Fair enough but then come to the angels beasts earthquakes horses and riders wars thrones and much more What are we to make of all this The author is a pastor and Bible teacher whose New Testament studies have impacted many around the world In this book he tackles one of its toughest books taking the mystery out of what has become a complicated approach to Revelation Examining what the book meant to the early churches to which it was sent he presents a verse by verse study that exalts the Lord Jesus Christ as King over all philosophies dictators and false gods By uncovering its significance to early believers The Revelation Project provides valuable lessons for modern readers as well It reclaims the last book as one of wonder and victory that will enhance your devotional life and improve your understanding not only of Revelation but of the entire Bible as well Whether you read one study every week for a year or choose to go more slowly or more quickly this is a book that will give you the confidence that God s mysteries are not mysteries at all but subtle truths He wants you to understand for your everyday life and work **Bible Lessons on the Book of Revelation** John R.

Rice,2000-08 **The End of the Beginning A Bible Study on the Book of Revelation** Virginia Ann Work,2020-07-18 Is this the end of the world Recent events with the recent COVID 19 pandemic and other catastrophes that have affected the entire world signal that the end days are on our doorsteps The Judge and King Jesus Christ is standing at the door He is ready to come and shake up this world and judge sin What can we do What we should NOT do is give into fear and panic both tools of Satan There should be no room for fear in our lives when we trust the One who died for us and loves us with immeasurable love What we SHOULD do is understand what is happening and will happen in the near future according to God s Word God has graciously explained in great detail what His plan is for the world in the last days The End of the Beginning Bible Study on the book of Revelation is an in depth Bible study designed to teach the Word of God in a clear understandable way for both individual and group study Each lesson consists of information and questions to be answered from the text both essay and fill in the blank These questions will direct the student into the text and lead them to compare Scripture to Scripture to better understand it Included are 4 chapters from the book of Daniel into this study because Daniel lays a foundation to understand the truths in the book of Revelation This study takes the literal view of Scripture unless the passage clearly states it is a figure of speech I believe in a literal pre tribulation rapture of the church a literal 7 year Great Tribulation with a world dictator called the Antichrist and a literal kingdom age where Christ will rule the world from

Jerusalem for 1 000 years The Bible must be taken literally to be understood as God meant it to be and it must be studied diligently and correctly In this study you will compare Scripture to Scripture read the passage in its context and discover the Greek meanings of the words used You will learn the customs of the day in which it was written You will be encouraged to memorize a verse or two of Scripture with each lesson The book of Revelation is told from God s perspective You will be caught up with John to the third heaven and witness the incredible and awesome things God does in these last days Having gained a better understanding of what will happen next you will find hope and peace about God being in control of world events and you will experience joy in your daily walk as you grow in grace and in the knowledge of our Lord and Savior Jesus Christ My prayer is that this Bible study will lead to a deeper passion for God and for His Word and that passion will motivate many to share with those who are lost the hope we have in Christ Jesus What people are saying about the study I loved the thorough research into the passage the questions that caused us to dig deeper and how the study taught me to compare the text with other passages of Scripture to provide clarity Learning the Greek meaning behind the English words was special to me I appreciated the historical background that the study provided and the personal applications I learned so much from this study that I intend to teach others in my church Kathy The lessons were well thought out and well prepared I have confidence in Virginia s knowledge of the Bible She patiently taught helped me understand the Bible better Lois It was a very in depth study and I learned a lot Donna Understanding the Book of Revelation D. Min. David Baxley,2018-05-14 The Book of Revelation has long been thought of as a formidable and confusing work understandable to only elite bible scholars But like its very name Revelation understanding of this seemingly complex book is available to all God has even promised a special blessing to those who read it David Baxley D Min has broken down the perceived barriers and written a simple verse by verse commentary that is understandable to even beginning bible students It includes maps a chronology of end time events and wars definitions and cross references to Old Testament scriptures that point to the time of the end He also includes discussion of sections that are still not fully understood or defined with possible varying interpretations Revelation readers can get bogged down in the symbolism and sensationalism of the judgment and miss the main message of the book It is a book of hope in the return of Jesus Christ and His perfect rule that will bring an end to evil and injustice and believers will live with God forevermore A bible student for over 50 years and pastor for over 40 Dr David Baxley has studied and taught the Book of Revelation extensively While in the hospital recovering from a heart transplant he realized that the sequence of end time events was still not clear in his mind so he spent the next two years in intense study This book is the result of that study **12 Radical Teachings of Jesus** Rose Publishing,2017-03-16 The 12 Radical Teachings of Jesus pamphlet takes all of Jesus key teachings and condenses them to 12 easy to understand overviews with cross references application questions and key points From forgiveness to unconditional love dive into the radical gospel of Jesus at the turn of a page with this slimline pamphlet Between parables proverbs and the commandments it s easy to get overwhelmed by the sheer amount of

Revelation's Essential Truths Donald Werner, 2017-10-03 The Book of Revelation is the final book of the New Testament after the rest of the New Testament was written God saw the need for one last book and it is also the last book given by God to give us His final advice instructions encouragements and warnings The Book of the Revelation also contains many apocalyptic visions including the plagues seals bowls etc In this book I will not try to interpret all of the apocalyptic visions because the Book of Revelation has much greater truths that we need to learn first such as Who and what is Babylon How do we get out of Babylon Who are the redeemed and how can we be among them How does a person receive the Seal of God What is the Seal of God How does a person avoid the Mark of the Beast What qualifies a person to enter the New Jerusalem We need to know all of this and more as Judgment Day is fast approaching And what I found in God's last book will take most Christians out of their comfort zones and out of Babylon What I have to share in this book is far more important than endless speculation on the nature timing and sequence of the apocalyptic events with endless speculations as to who is the beast or the false prophets I'm sure that you will be informed warned instructed encouraged and blessed by this book just as I was in writing it

Revelation J.E. Gulbrandsen, 2019-05-15 Revelation is possibly the most controversial book in the bible Some famous theologians have even suggested to remove it from the bible canon because it is so hard to understand I will argue it is not that difficult to make sense of as long as we manage to place it on God's timeline in history and understand God's relation and reaction to an unrepentant Israel If we allow the bible text to be our theology instead of trying to fit the bible into our theology it all comes together nicely It is Jesus speaking in Revelation It is not a book to be ignored but to be studied diligently It helps us understand where we are in history on God's timeline The book in front of you is a commentary to the essential message chapter and verses in the biblical book Revelation You can not fully understand who Jesus is until you understand Revelation Suddenly the overall message of the bible comes together Exciting This book is for bible readers that would like to be challenged and to understand the bigger picture of what God is trying to teach us through his word If you on the other hand have a theology cemented in cherry picked bible verses and religious denominational tradition this book most likely is not for you
