Revelation And Reason:

Revelation and Reason Emil Brunner, 1946 To many people both inside the Church and outside it what goes on in the Church is either routine or irrelevant Consequently what the Church has to say is not very meaningful Why should people listen to what the Church has to preach and think about it No one is better qualified to answer this question than Professor Emil Brunner Dr Brunner is a teacher of theology in the University at Zurich Switzerland and one of the clearest and most constructive religious thinkers of our day Any book of his is an event because he succeeds so well in combining sound learning with persuasive and readable analysis and because he is thoroughly acquainted with both American and Continental ways of thinking In this book Dr Brunner sets the claim of the widespread intellectual relativism of contemporary culture He seeks to show that both Catholic and secular thought misunderstand the relations between reason and revelation because revelation is always subordinated to reason Brunner reverses the position He goes back to the Bible and the Reformers and maintains that when reason is subordinated to revelation the preaching of the Gospel is at once true to itself and intelligible Here is a forceful and thorough volume which helps both believers and unbelievers to understand themselves Publisher

Revelation and Reason in Christian Theology Christopher C. Green, David I. Starling, 2018-07-11 Do revelation and reason contradict Throughout the church's history Christians have been tempted to make revelation and reason mutually exclusive But both are essential to a true understanding of the faith The inaugural Theology Connect conference held in Sydney in July 2016 was dedicated to surveying the intersection of revelation and reason In *Revelation and Reason in Christian Theology* Christopher C Green and David I Starling draw together the fruit of this conference to provoke sustained deep reflection on this relationship The essays filtered through epistemological biblical historical and dogmatic lenses critically and constructively contribute to this important and developing aspect of theology Each essayist approaches revelation and reason according to the psalmist's words In your light we see light Ps 36 9 The light of faith does not obscure truth rather it enables us to see truth

Revelation and Reason in Islam A.J. Arberry, 2013-02-01 The Scholastic Problem was the focus of much debate in Islam for some centuries before it became the chief crux of learned discussion in medieval Christianity When originally published in 1957 this volume was the first survey of the subject to appear in English It reviews the conflict within Islam between Revelation and Reason and examines the attempts made by theology philosophy mysticism and authoritarianism to resolve the dilemma

Revelation and Reason Colin E. Gunton, 2008-11-20 Colin Gunton was a world renowned scholar systematic theologian and Reformed Church minister *Revelation and Reason* is an in depth analysis derived from the annual lecture seminar course he gave to MA students at King's College London Approximately one third of the work is a direct transcript and analysis of the three two hour lectures Colin Gunton gave at a break neck speed 1 From Reason and Revelation to Revelation And Reason 2 The Modern Problem in an Historical Context 3 Aspects of Karl Barth on Faith And Reason These lectures were a history analysis and critique of Revelation and Reason in Systematic Theology and

Philosophy culminating with Karl Barth The remainder is a transcript of the unrehearsed unscripted extemporary responses Colin Gunton gave to MA student s papers on set topics in the Revelation and Reason course seamlessly integrated where relevant with detail from the main three lectures Colin was a creative lecturer and widely read theologian and philosopher These extemporary responses show the breadth of his learning and his genius spontaneously to bring to mind relevant ideas from a wealth of theologians and philosophers whilst incisively and piercingly exposing the flaws as well as the strengths under consideration From this wealth of reading Colin gave space to the free rein of his mind particularly when fielding questions or trying to analyze a particular strand of a theologian s thought Revelation and Reason is a complementary volume to Colin Gunton s posthumously published The Barth Lectures Continuum 2007 and to the first volume of his unfinished Systematic Theology also forthcoming from T T Clark

Reason and Revelation. Being an Examination into the nature and contents of Scripture Revelation as compared with other forms of truth William HORNE (Minister of Lindsay Street Church, Dundee.),1876

Reason and Revelation William Horne,1876

Religion, Revelation & Reason Eric Rust,1981 This book begins with a general consideration of religious experience and moves to a defense of the Christian revelation as the normative one for all other divine disclosures This means that increasingly the book moves towards a defense of theistic thought as contrasted with other religious systems This emphasis on the approach to the understanding of God typical of the Judaeo Christian and Islamic traditions has meant a preoccupation with issues particularly significant for this way of thinking the nature of man the understanding of the creative process the problem of human survival beyond death and the mystery of evil I have however brought in the views of other religious systems and offered a critique of their relationship to the theistic position Wherever thought has moved to the specific content of the Christian disclosure in Jesus Christ I have stopped short Philosophy of religion and theistic philosophy in particular are only prolegomena to the task of the Christian theologian

Reason, Revelation, and Devotion William J. Wainwright,2016 The book presents a novel defense of the beneficial epistemic effect that extra logical features can have on the assessment of religious arguments

Revelation, Reason and Reality Joris Geldhof,2007 This study provides an in depth analysis of the relationship between modernity and Christianity The author argues that the notion of revelation is eminently reasonable and indissolubly connected with being and reality He takes Jaspers philosophy of religion as representative of the classical modern critique and gives it its due He then takes a step backward so to speak and by means of a consideration of the history of ideas seeks to rehabilitate the Christian understanding of revelation To do this he draws upon Schelling s remarkable philosophy of revelation and Baader s much less familiar speculative dogmatics However this study is much more than a profound philosophical and theological account of the thought of Jaspers Schelling and

Baader It is above all an eloquent defence of the plausibility and intelligibility of what Christians have always believed In fact the author makes a compelling case for the claim that revelation is that without which Christianity cannot be thought

Obstacles to Divine Revelation Rolfe King,2009-01-22 A fascinating philosophical approach to the concept of divine revelation exploring the implications this theory may have for generating a new concept of religious truth **Models for Scripture** John Goldingay,2004 Looks at the task of interpreting Scripture as witnessing tradition authoritative canon inspired word and experienced revelation **Law and Gospel in Emil Brunner's Earlier Dialectical Theology** David Andrew Gilland,2013-10-24 The Swiss Reformed Theologian Emil Brunner was one of the key figures in the early 20th century theological movement of Dialectical Theology In this monograph David Gilland offers an account of Bruner s earlier theology in relation to one of the central themes of the Protestant Reformation Law and Gospel He examines Brunner s early relationship with fellow Swiss Reformed theologian Karl Barth and provides a detailed reading of a variety of Brunner s essays from the early to mid 1920s centering on Brunner s efforts to use the law gospel relationship to establish a basis for Christian theology After analyzing the influence this has on Brunner s theological method Gilland examines Brunner s earliest text on Christology The Mediator 1927 In light of the preceding analysis the fourth chapter provides a careful reading of Brunner s controversial polemic against Karl Barth Nature and Grace 1934 The monograph concludes with reflections on Brunner s earlier theological work and his turbulent relationship with Karl Barth *A History of the Theology of the Disciples of Christ* Hiram Van Kirk,1907 **Politics, Law, and Community in Islamic Thought** Ovamir
