Allen Daves, 2013-12 The book of Revelation offers us an interesting theological dilemma It states Rev 22 16 I Jesus have sent mine angel to testify unto you these things in the churches Revelation also states it is the true sayings of Jesus and that it is the testimony of Christ If this is not the gospel of Jesus Christ then what is it and should we consider it accursed testimony of an angel If it is not to be considered accursed then it cannot be some other gospel message then what was already given previously However this is the conundrum for if this is the gospel message then why do so few understand it There is a possibility which few consider but is the overall thesis of this apology The reason people don't understand revelation is because they never understood what the gospel message was in the first place In that case where does that put those who claim it is not essential for salvation Do you not find it quite curious that the most Personally given NT book By Jesus himself is the least understood and given the least importance for Salvation in Christendom There are numerous preachers and bible exegetes but as Paul said I bear them record that they have a zeal of God but not according to knowledge Most who profess the name of Christ are feeding on doctrines of devils and the ignorant There are without question many qualified teachers and scholars with many years of dedication and solid education However teachers no matter how well lettered or numbered in degrees if obtained from others who are just as equally ignorant in such matters are just blind leaders of the blind And if the blind lead the blind both shall fall into the ditch

Reading Revelation C. Marvin Pate,2009-05-01 Intriguing and endlessly contentious ideas and images of apocalyptic measure come together in the book of Revelation It is a rich and hermeneutically complicated Scripture that unsurprisingly has no universally accepted interpretation Reading Revelation compares these four major approaches to Revelation by laying out the different interpretive translations provided by each school of thought in parallel columns **Revelation (Teach the Text Commentary Series)** J. Scott Duvall,2014-10-14 The Teach the Text Commentary Series utilizes the best of biblical scholarship to provide the information a pastor needs to communicate the text effectively The carefully selected preaching units and focused commentary allow pastors to quickly grasp the big idea and key themes of each passage of Scripture Each unit of the commentary includes the big idea and key themes of the passage and sections dedicated to understanding teaching and illustrating the text **The Street Sweeper** Tim Enochs,2010 **Revelation (Baker Exegetical Commentary on the New Testament)** Grant R. Osborne,2002-11-01 The Book of Revelation contains some of the most difficult passages in Scripture Grant Osborne s commentary on Revelation begins with a thorough introduction and the many difficulties involved in its interpretation He also examines elements that complicate the interpretation of apocalyptic literature As with all volumes published in the BECNT series Revelation seeks to reach a broad audience with scholarly research from a decidedly evangelical perspective **The Grand Finale: REVELATION** Jeanne Gossett Halsey,2018-12-22 Jeanne Gossett Halsey s unique take on Through the New Testament In A Year comes to an exciting conclusion as she tackles the apocalyptic book of REVELATION the 66th book of the Bible You won t want to miss this one **The Revelation of Jesus Christ** Jon Scott Birch,2022-09-21 The testimony of Jesus is the spirit of prophecy Rev 19 10 and a prophetic perspective promotes purpose Yet in a world swiftly growing callous true purpose and meaning are fading Many of Jesus disciples today have lost their first love which is Jesus himself Rev 2 4 And too many souls overall miss the wonder inspiration and comfort gained by those who would endeavor toward fuller comprehension of the book of Revelation Blessed are they who read and those who hear the words of this prophecy and keep those things which are written in it for the time is near Rev 1 3 Neglect of the Holy Spirit slothfulness fear and the ongoing confusion generated by competing interpretations and bad theology are the primary obstacles between an individual and the liberation to be had by reading the last book of the Bible We must not forget that while the apostle John wrote the book of Revelation its author is Jesus Christ and he is not an author of confusion but of peace 1 Cor 14 33 This commentary presents a practical discipleship based perspective toward following Jesus into the very heart of his Revelation So as the end of this clamorous age approaches may we truly hear what the Spirit is saying to the churches Exploring Bible Prophecy from Genesis to Revelation Tim LaHaye,Ed Hindson,2011-12-01 Here is an indispensable all in one resource on the prophecies of the Bible It s all here clear and concise explanations for the key Bible prophecies from Genesis to Revelation Written by Bible scholars but created for everyday
