destroying and obstructing life For Schweitzer all life is sacred Ethics thus deals with human attitudes and behavior toward all living beings Unlike many moral philosophers Schweitzer argues that knowledge of human nature does not provide a sufficient foundation for any adequate moral theory That is why he bases his ethics on much broader foundations articulated in his philosophy of civilization and the philosophy of religion Schweitzer argues that the material aspect of our civilization has become far more important than its spiritual counterpart Even organized religion has put itself in the service of politics and economy thereby losing its vitality and moral authority Schweitzer s ethics of reverence for life argues Predrag Cicovacki offers a viable alternative at a time when traditional ethical theories are found inadequate Schweitzer s robust and undogmatic idealism may offer the best antidote to the prevailing relativism and nihilism of the postmodern epoch His ethical vision directs us toward a new way of building a more just and more peaceful world Collecting sixteen of Schweitzer s most effective essays this volume serves as a compelling introduction to this remarkable thinker and humanist *A Shamanic Pneumatology in a Mystical Age of Sacred Sustainability* Jojo M. Fung, 2017-07-17 This book represents a germinal effort that urges all religious and world leaders to savor the mystical spirituality especially the cosmology and spirituality of sacred sustainability of the indigenous peoples The power of indigenous spirit world is harnessed for the common good of the indigenous communities and the regenerative power of mother earth This everyday mysticism of the world as spirited and sacred serves to re-enchanted a world disillusioned by the unsustainability of destructive economic systems that have spawned the current ecological crises Author Jojo Fung offers insight from his lived experience and this book represents his effort to correlate the indigenous spirit world with Catholic Pneumatology and articulate the activity of God s Spirit as the Spirit of Sacred Sustainability **Rights and Duties** Carl Wellman, 2002 This volume is a comprehensive collection of critical essays on *The Taming of the Shrew* and includes extensive discussions of the play s various printed versions and its theatrical productions Aspinall has included only those essays that offer the most influential and controversial arguments surrounding the play The issues discussed include gender authority female autonomy and unruliness courtship and marriage language and speech and performance and theatricality **Politics of Guilt & Pity** R. J. Rushdoony, 2019-07-17 From the foreword by Steve Schlissel Rushdoony sounds the clarion call of liberty for all who remain oppressed by Christian leaders who wrongfully lord it over the souls of God s righteous ones I pray that the entire book will not only instruct you in the method and content of a Biblical worldview but actually bring you further into the glorious freedom of the children of God Those who walk in wisdom s ways become immune to the politics of guilt and pity Man has trampled God s law under foot In doing so he has misused himself and trampled on the God-given rights of his fellowman He is conscious of his guilt and seeks self-justification through self-atonement The author makes it perfectly clear that there is only one way of escape from present slough and despair It is in turning in heartfelt repentance to God who has already provided atonement in the sacrifice of His Son And true repentance includes a return to the doing of God s will as revealed in God s Word the Bible **Eco-Concepts**

Cenk Tan, ISMAIL Serdar Altaç, 2024-04-15 *Eco Concepts Critical Reflections in Emerging Ecocritical Theory and Ecological Thought* offers an intellectual journey through the ever evolving landscapes of environmental discourse This thought provoking volume brings together contributors from international scholarship to scrutinize and illuminate the contemporary trends reshaping our understanding of the natural environment From the intricate interplay of rising ecocritical theories like restoration and empirical ecocriticism to the nuanced shifts in the reimagining of ecological concepts this book unravels the complexities of our relationship with the natural sphere This scholarly collection serves as a compass guiding readers through the uncharted territories of environmental scholarship or revisiting existing study through fresh critical perspectives *Eco Concepts* strives to become an essential source of reference for academics students and individuals seeking an in depth exploration of the innovative notions influencing the trajectory of discussions on ecology     **Political Eschatology** Sean J. McGrath, 2023-12-06 Nothing is more distressing to the modern person than the experience of an unsurpassable limit of the calculable Nothing disturbs us more deeply than incalculable time unpredictable time the time of the advent of the unpredictably new In a series of interventions into contemporary political crises McGrath reactualizes the early Christian sense of eschatology as the experience of a time that runs out rather than moves forward In contemporary politics economy ecology and technology much that was familiar for most of the twentieth century the intra generational transmission of religious values progressive economic growth a stable global climate and predictable movements of peoples and nonhuman species across the planet is ending calamitously Endtime however is not only the time of endings it is also the time of unforeseeable beginnings
