Divine Rite of Kings Land Race Same Sex and Empire in Mormonism and the Esoteric Tradition is a social historical political analysis of the religion of the Latter day Saints as deeply indebted to a variety of esoteric systems of belief It argues that the present campaign against gay marriage and other homophobic policies of the American religion targeting the LGBTQ community and indeed children of same sex parents are connected to erstwhile racial doctrines and practices which excluded persons from full fellowship on the basis of race alone Africans the supposed offspring of Cain and Canaan and thus cursed Narrow heterosexual notions of sexual purity merely replaced Anglo Saxon supremacist notions of racial purity in the imperial and the millennial understanding of Mormonism The new heterosexism this book suggests can be viewed as a form of boundary maintenance better suited to an emergent international church and world religion ironically which continues to make inroads in parts of Asia where its social conservatism and indeed virulent attacks against the gay and lesbian lifestyle continue to attract followers
