Westcott and Hort's Greek Text and Theory Refuted Pastor D. a. Waite, 2008-08 This book presents Dean John William Burgon s comments dealing with the false and erroneous New Testament Greek text and theory promulgated by Westcott and Hort They invented a new Greek text in 1881 that is used by all modern Bible translators of new versions of the Bible He calls Westcott and Hort two irresponsible scholars of the University of Cambridge

Biblical Counsel , 1993 **F. J. A. Hort** Graham Patrick, 2015-01-29 This is the first study of a Victorian churchman and biblical scholar whose name is well known but whose significance is generally misunderstood One of his contemporaries described Hort as the greatest of all our names not primarily for his work as a textual scholar but for the quality of his theological thought on the controversies of the day like Christian socialism the question of eternal punishment and the Darwinian Controversy The book makes an important and interesting addition to our knowledge of the Victorian church and the intellectual circle in Cambridge in the late nineteenth century and is a sympathetic but not uncritical portrait of a late flowering Renaissance man who was philosopher scientist and historian as well as biblical scholar and theologian

The New Cambridge History of the Bible: Volume 4, From 1750 to the Present John Riches, 2015-04-13 This volume examines the Bible s role in the modern world beginning with a treatment of its production and distribution that discusses publishers printers text critics and translators and continuing with a presentation of new methods of studying the text that have emerged including historical literary social scientific feminist postcolonial liberal and fundamentalist readings There is a full discussion of the changes in understandings of and approaches to the Bible in various faith communities The dissemination of the Bible throughout the globe has also produced a host of new interpretations and this volume provides a comprehensive geographical survey of its reception In the final chapters the authors offer a thematic overview of the Bible in

relation to literature art film science and other disciplines They demonstrate that in spite of challenges to the Bible's authority in western Europe it remains highly relevant and influential not least in the Americas Africa and Asia Bookseller and the Stationery Trades' Journal ,1882 **The Bookseller** ,1882 Official organ of the book trade of the United Kingdom
