

Revolution If Iran

Muhammad Hasanayn Haykal

Revolution If Iran:

The Unthinkable Revolution in Iran Charles Kurzman, 2005-09-06 The shah of Iran Mohammad Reza Pahlavi would remain on the throne for the foreseeable future This was the firm conclusion of a top secret CIA analysis issued in October 1978 One hundred days later the shah despite his massive military fearsome security police and superpower support was overthrown by a popular and largely peaceful revolution But the CIA was not alone in its myopia as Charles Kurzman reveals in this penetrating work Iranians themselves except for a tiny minority considered a revolution inconceivable until it actually occurred Revisiting the circumstances surrounding the fall of the shah Kurzman offers rare insight into the nature and evolution of the Iranian revolution and into the ultimate unpredictability of protest movements in general As one Iranian recalls The future was up in the air Through interviews and eyewitness accounts declassified security documents and underground pamphlets Kurzman documents the overwhelming sense of confusion that gripped pre revolutionary Iran and that characterizes major protest movements His book provides a striking picture of the chaotic conditions under which Iranians acted participating in protest only when they expected others to do so too the process approaching critical mass in unforeseen and unforeseeable ways Only when large numbers of Iranians began to think the unthinkable in the words of the U S ambassador did revolutionary expectations become a self fulfilling prophecy A corrective to 20 20 hindsight this book reveals shortcomings of analyses that make the Iranian revolution or any major protest movement seem inevitable in retrospect

Revolution in Iran Parviz Daneshvar, 2016-07-27 Revolutions are watershed events that attempt to transform the existing political order and replace it with a new but better one Yet the hallmark of most revolutions has been violence war and dictatorship The Iranian Revolution of 1979 has been no exception This book offers a critical analysis of the Iranian Revolution It focuses on the upheavals that led to the fall of the Shah It provides the reader with an appreciation for the interplay of forces in the making of the 1979 revolution and the emergence of the Islamic regime

Contesting the Iranian Revolution Pouya Alimagham, 2020-03-19 Examines the last forty years of Iranian and Middle Eastern history through the prism of the Green Uprisings of 2009

Revolution in Iran Enver M. Koury, Charles G. MacDonald, 1982 *Iran, a Revolution in Turmoil* Haleh Afshar, 1985 The first book about the Iranian revolution written entirely by Iranians

Revolution in Iran Mehran Kamrava, 2016-11-10 Observers of Iran have often ascribed the main cause of the revolution to economic problems under the Shah s regime This book first published in 1990 on the other hand focuses on the political and social factors which contributed of the Pahlavi dynasty Mehran Kamrava looks at the revolution in detail as a political phenomenon making use of extensive interviews with former revolutionary leaders cabinet ministers and diplomats to show the central role of the political collapse of the regime in bringing about the revolution He concentrates on the internal and the international developments leading to this collapse and the social environment in which the revolution s leaders emerged

The Turban for the Crown Said Amir Arjomand, 1988 Arjomand s *The Turban for the Crown* provides a thoughtful

painstakingly researched and intelligible account of the 1979 Islamic revolution in Iran which reveals the importance of this singular event for our understanding of revolutions Providing crucial historical background Arjomand examines both the structure of authority in Shi ism one of the two main branches of Islam and the impact of the modern state on Iranian society two factors essential to the comprehension of the revolution and its aftermath **The State and Revolution in Iran**

Hosseini Bashiriye,2011 This book analyses the distant and proximate causes of the 1978 revolution in Iran as well as the dynamics of power which it set in motion The volume explains the complex and far reaching processes which produced the revolution beginning in the late nineteenth century The volume relates the diverse aspects of class ideology and economic structure in order to provide an understanding of the political processes Iran's Revolution Rouhollah K. Ramazani,1990

The recent uproar over the publication of Salman Rushdie s Satanic Verses has once again focused world attention on the fundamentalist Iranian Revolution In this concise clear readable volume six of the world s leading authorities describe and analyze key aspects of the Revolution Iran s Revolution provides an excellent overview and analysis of the Iranian Revolution at the ten year mark **A Century of Revolution** John Foran,1994 Provides insight into the political currents that led to the Iranian revolution Before late 1978 Iran did not occupy a large place in the public mind mass media or academic pursuits

With the massive upheaval of the next few months all this changed and the world is still trying to catch up with the dramatic events that brought Iran to its attention This volume offers a much needed look into the historical social and political developments leading up to the Iranian revolution Bringing together a group of scholars historians and social scientists most of them Iranian in origin the book documents an extraordinary revolutionary heritage that predates this century Each contributor examines a critical moment in Iranian social history on its own terms as well as within a larger theoretical and comparative context The topics they take up include the Tobacco Rebellion of 1890 91 the Constitutional Revolution of 1905 11 the rise of Reza Khan between 1921 and 1925 the autonomy movement in Azerbaijan and Kurdistan after World War II the oil nationalization movement under Musaddiq between 1951and 1953 the unrest of the 1960 63 period the Iranian revolution of 1977 79 the state of Iran since the revolution Throughout common themes emerge especially the heterogeneous bases of Iranian social movements with respect to class gender and ethnicity as well as the diverse discourses nationalist Islamic socialist populist and radical that have animated these movements Representing a wide variety of perspectives and approaches this volume provides crucial insight into the widely watched but poorly understood phenomenon of present day Iran Contributors Janet Afary Purdue University John Foran University of California Santa Barbara Amir Hassanpour Uppsala University Mansoor Moaddel Eastern Michigan University Val Moghadam United Nations University Misgah Parsa

Dartmouth College Sussan Siavoshi Trinity University Michael Zirinsky Boise State University Revolutionary Iran Michael Axworthy,2013-08-01 In Revolutionary Iran Michael Axworthy guides us through recent Iranian history from shortly before the 1979 Islamic revolution through the summer of 2009 when Iranians poured into the streets of Tehran by the hundreds of

thousands demanding free democratic government Axworthy explains how that outpouring of support for an end to tyranny in Iran paused and then moved on to other areas in the region like Egypt and Libya leaving Iran's leadership unchanged The Iranian Revolution of 1979 was a defining moment of the modern era Its success unleashed a wave of Islamist fervor across the Middle East and signaled a sharp decline in the appeal of Western ideologies in the Islamic world Axworthy takes readers through the major periods in Iranian history over the last thirty years the overthrow of the old regime and the creation of the new one the Iran Iraq war the reconstruction era following the war the reformist wave led by Mohammed Khatami and the present day in which reactionaries have re established control Throughout he emphasizes that the Iranian revolution was centrally important in modern history because it provided the world with a clear model of development that was not rooted in Western ideologies Whereas the world's major revolutions of the previous two centuries had been fuelled by Western secular ideologies the Iranian Revolution drew its inspiration from Islam Revolutionary Iran is both richly textured and from one of the leading authorities on the region combining an expansive scope with the most accessible and definitive account of this epoch in all its humanity

Women And Revolution In Iran Guity Nashat, 2021-11-28 Iranian women acquired greater legal social and economic opportunities during the past three decades than in any other period of history yet they participated in large numbers in the 1979 revolution to overthrow Shah Mohammad Reza Pahlavi Ironically they may have lost more than any other group from the changes introduced and stand to lose even more from changes contemplated by leaders of the current regime The role of women in the revolution the reasons for their participation and their subsequent fate are documented in this volume The authors examine the status of women in pre revolutionary society the ways in which their lives were affected by Islamic principles and the changes that occurred throughout the twentieth century as increasing numbers of women entered the labor force and public life They then turn to recent political events describing the participation of working class rural and educated women and activists from both the right and left Finally they consider the implications of recent government politics aimed at limiting women's activities outside the home and encouraging a return to more traditional roles

The Iranian Revolution And The Muslim World David Menashri, 1990-10-30 [Six Theories about the Islamic Revolution's Victory](#) Sadegh Haghighat, 2000 **Iran** Martin Wright, 1989 Produced between the end of the war with Iraq and the death of the Ayatollah Khomeini Part one outlines the country's history sketchily until just before the revolution Part two contains views of the present situation by five journalists a British diplomat and a scholar Also lists government leaders and dissident groups A high price for a small cheaply bound already outdated book No bibliography Paperback edition not seen Annotation copyrighted by Book News Inc Portland OR [Reconstructed Lives](#) Haleh Esfandiari, 1997-07 Iranian women tell in their own words what the revolution attempted and how they responded The Islamic revolution of 1979 transformed all areas of Iranian life For women the consequences were extensive and profound as the state set out to reverse legal and social rights women had won and to dictate many aspects of women's lives including

what they could study and how they must dress and relate to men *Reconstructed Lives* presents Iranian women telling in their own words what the revolution attempted and how they responded Through a series of interviews with professional and working women in Iran doctors lawyers writers professors secretaries businesswomen Haleh Esfandiari gathers dramatic accounts of what has happened to their lives as women in an Islamic society She and her informants describe the strategies by which women try to and sometimes succeed in subverting the state s agenda Esfandiari also provides historical background on the women s movement in Iran She finds evidence in Iran s experience that even women from traditional and working classes do not easily surrender rights or access they have gained to education career opportunities and a public role

Staging a Revolution Peter J. Chelkowski, Hamid Dabashi, 2000 The first book to examine this colossal political event through the images that set it in motion With previously unpublished historical sources and essays by Peter Chelkowski and Hamid Dabashi *The Return of the Ayatollah* Muḥammad Ḥasanayn Haykal, 1981 *Days of God* James Buchan, 2013-10-15 Originally published in Great Britain in 2012 by John Murray Publishers Title page verso **Inside the Iranian Revolution** John D. Stempel, 1981 In this Second Edition of *Inside the Iranian Revolution* first published in 1981 author John Stempel describes his experience and insight as a U S Foreign Service Officer in Tehran from 1975 1979 He then continues with an updated chapters to describe what we can draw from the experiences of three decades ago and apply to the current diplomatic relationship between the U S and Iran John Stempel is a Foreign Service officer who was stationed in Tehran through the early stages of the Iranian revolution he left four months before the hostages were taken Mr Stempel explains the strength and weaknesses that accumulated through the Shah s reign Among the latter he says was the Shah s alternating between attempts to build genuine political support for his regime and reliance on the repressive tactics of his secret police Mr Stempel s concluding chapters are effective He suggests that the Shah might have survived by being simultaneously more liberal and more ruthless by offering more than a token of political participation to opposition groups but then punishing those who would not support the liberalized regime On the American side Mr Stempel points out the slowness to develop intelligence sources among opposition groups and the contradictory signals sent to the Shah Mr Stempel also implies that once the hostage situation reached deadlock the United States should have come more quickly to the recognition that military force was necessary Amazon com
