Revolutionary Communicator:

The Revolutionary Communicator Jedd Medefind, Erik Lokkesmoe, 2004 In an age exhausted by spin hype and image do you long for an authentic connection with others Do you desire to rise above life s noise in a way that shapes and influences your home workplace and community Whether you re an executive stay at home mom or even pastor everyone has the opportunity to impact those around them through more effective communication The Revolutionary Communicator looks at Jesus of Nazareth in a completely new light revealing seven revolutionary ways to leave a lasting impact on others Discover the greatest of all communicators in a manner even many lifelong followers never have and become a student of Jesus in a realm of utmost importance the way you communicate Book jacket

The Word Made Fresh Meredith Gould, 2008-07-01 The Word Made Fresh Communicating Church and Faith Today is more than a how to guide It will help readers appreciate the significance value and role of church communications as a ministry Readers will be invited to understand the role they play in transmitting the Gospel and counseled about using spiritual practices to face the challenges of using secular means to communicate sacred messages Tyndale David Teems, 2012-01-02 It was an outlawed book a text so dangerous it could only be countered by the most vicious burnings of books and men and women But what book could incite such violence and bloodshed The year is 1526 It is the age of Henry VIII and his tragic Anne Boleyn of Martin Luther and Thomas More The times are treacherous The Catholic Church controls almost every aspect of English life including access to the very Word of God And the church will do anything to keep it that way Enter William Tyndale the gifted courageous heretic who dared translate the Word of God into English He worked in secret in exile in peril always on the move Neither England nor the English language would ever be the same again With thoughtful clarity and a reverence that comes through on every page David Teems shares a story of intrigue and atrocity betrayal and perseverance This is how the Reformation officially reached English shores and what it cost the men who brought it there Praise for David Teems previous work *Majestic* Teems pulls together the story of this enigmatic king James with humor and pathos A delightful read in every way PUBLISHERS WEEKLY

Upended Jedd Medefind, Erik Lokkesmoe, 2012-05 Connect Influence Love In a way that overturns the world s assumptions Upended invites the follower of Jesus to become an apprentice to Jesus particularly in the choices that shape our lives most how we communicate and connect Join this exhilarating exploration of the often overlooked often oversimplified character of Jesus and His unparalleled way of communicating Study echo and embrace the ways of the Master Your life will inevitably be upended Not always how you d imagined but certainly for the better Much better Why We Love the Church Kevin DeYoung, Ted Kluck, 2009-06-24 This book presents the case for loving the local church It paints a picture of the local church in all its biblical and real life guts gaffes and glory in an effort to edify local congregations and entice the disaffected back to the fold It also provides a solid biblical mandate to love and be part of the body of Christ and counteract the leave church books that trumpet rebellion and individual felt needs Why We Love the Church is written for four kinds of people the

Committed the Disgruntled the Waffling the Disconnected (No More) Mediocre Me John E. Michel, 2013-01-01 If you were to account for your life at this moment are you living up to your own potential Does your present state of affairs give you reason to be disappointed or discouraged Is your job unsatisfying your relationships far from what they could be your spiritual life a mere shadow of what it once was If you answered yes to one or more of these questions then there is a very good chance you like scores of other Americans have been lulled into accepting a life that is simply good enough This is what I term a Mediocre Me Mindset a confining way of thinking about your role in the world that convinces you to settle for the perceived safety of the status quo rather than push outside your comfort zone to try and make tomorrow a little better than you found it today In Mediocre Me you will find a simple yet profoundly powerful approach to rethinking the way you view your role in the world It s a proven means of breaking free from the grasp of mediocrity so you can lead a life of true purpose meaning and significance And perhaps the best part of all it s not a new idea The concepts in Mediocre Me are actually anchored in an over two thousand year old legend One that reminds us we are at our individual and collective best not when we are standing still unwitting prisoners of the status quo but rather when we are unafraid to reject apathy and embrace action by leading the positive change we want to see occur in our surroundings Ralph Waldo Emerson once wrote America is another name for opportunity At a time in our nation s history when we seem more divided than united more fearful than hopeful there can be no more fence sitting It s time to begin writing a different more empowering personal leadership story of your own One that will energize you to do what you can when you can where you can to be a force for good in your part of the world when doing so is needed now more than ever **The 9 Arts of Spiritual Conversations** Mary Schaller, John Crilly, 2016 Love God love people Could evangelism really be that simple Often it doesn t seem so It can feel scary awkward and uncomfortable as we try to navigate loaded questions and different perspectives Even the most faithful of believers sometimes get stumped But can you imagine if we as Christians simply spent time with people who are far from God and provided a safe place to talk about spiritual matters If we listened to them and discovered what was really important to them After all it s what Jesus did And it s what you can do too Drawing straight from the life and ministry of Jesus The 9 Arts of Spiritual Conversations offers simple practices to help you build relationships with people who believe differently Anyone who has read and appreciated Becoming a Contagious Christian or Just Walk across the Room won t want to miss this book on creating a safe space to have natural loving and spiritual conversations with others **The Leader's Journal** John Horan-Kates, 2011-06 What do you stand for What is the foundation of your leadership approach And what s really important to you Many leaders know the answers to these questions at an intellectual level but interestingly they don t talk about them very often and most have never expressed themselves in writing on these important leadership underpinnings The Leaders Journal provides leaders the opportunity to take their thinking to a deeper level Organized around twelve time honored principles essential to effective ethical leadership this book introduces these keys in a week to week format By quoting

respected exemplars and posing important questions each day you are asked to express your thoughts on integrity commitment purpose and other fundamental leadership principles The exercise of writing your deepest thoughts can be clarifying therapeutic and often eye opening Writing can help you think through ideas or problems where answers may not be readily apparent The more diligent you are in journaling the more you ll learn about yourself and about your capacity to lead others In this sense this book is interactive and engaging It s about both what other great leaders have said and more importantly it s about what you have to say Just be aware that what you record in this journal may be transformative
