On Cassette, 1991 **The Wizard of Oz FAQ** David J. Hogan, 2014-06-01 The Wizard of Oz FAQ is a fact filled celebration of the beloved 1939 fantasy masterpiece starring Judy Garland It's all here from L Frank Baum and his Oz novels to the complete background story of the movie's conception development and shoot with special attention given to the little known parade of uncredited directors casting difficulties and on set accidents and gaffes as well as more than 75 sidebars devoted to key cast members directors and other behind the scenes personnel You'll find a wealth of fun facts How MGM overworked Judy Garland before during and after Oz why director Victor Fleming had his hands full with the Cowardly Lion and Dorothy's other friends what it was about Toto that really bothered Judy the physical horrors of filming in Technicolor the racial Oz gag that was scripted but never shot when the Wicked Witch was going to be beautiful why The Wizard of Oz owes a lot to silent screen star Mary Pickford the story of deleted scenes and a full two weeks of shooting that had to be scrapped why MGM star Mickey Rooney was part of the movie's traveling publicity blitz how the Wicked Witch was literally blown off her broomstick one day the place where lions tigers and bears really do live together singers you hear but never see the day MGM fired Judy Garland and much more Just follow the yellow brick road I Have Lived in the Monster Robert K. Almost four decades ago when my fiction was being published exclusively in pulp western magazines I wrote a number of novel length stories known back then as magazine novels In creating them I lived with my characters so closely that their lives were still as much a part of me as I was of them long after the issues in which they appeared went out of print Proud as I was of how I presented the characters and their adventures in the pages of the magazines I wanted to tell the reader more about my people and why they did what they did So over the years I revised and expanded these magazine works into novels that I published as full length paperbacks under different titles These particular early magazine versions of my books have long been a source of considerable speculation and curiosity among many of my readers so much so of late that now I've decided to bring four of my magazine novels back into print in this latest volume of my short fiction I hope you enjoy them **FEATURING** *Showdown Trail A Man Called Trent The Trail to Peach Meadow Canyon The Rider of the Ruby Hills*
