The Intellectual Property of Nations Laura R. Ford, 2021-05-20 Drawing on macro historical sociological theories this book traces the development of intellectual property as a new type of legal property in the modern nation state system In its current form intellectual property is considered part of an infrastructure of state power that incentivizes innovation creativity and scientific development all engines of economic growth To show how this infrastructure of power emerged Laura Ford follows macro historical social theorists including Michael Mann and Max Weber back to antiquity revealing that legal instruments very similar to modern intellectual property have existed for a long time and have also been deployed for similar purposes Using comparative and historical evidence this groundbreaking work reflects on the role of intellectual property in our contemporary political communities and societies on the close relationship between law and religion and on the extent to which law's obliging force depends on ancient written traditions **It**

Happened on the Oregon Trail Tricia Martineau Wagner, 2014-06-03 Many of the events that took place along the Oregon Trail are well known the perils the Applegate family faced as they rafted down the raging Columbia River the plight of the Donner Party as they found themselves snowbound and starving at Truckee Lake But do you know the whole story It Happened on the Oregon Trail reveals the stories of these well known events as well as many lesser known happenings providing insights about the adventurous emigrants who beginning in the 1840s headed west in covered wagons in search of a better life The hardships and the joys of the 2000 mile journey across plains mountains and deserts come alive in this entertaining and informative book *Bridgton* Ned Allen, 2008-11-24 In 1768 Jacob Kimball moved to the shores of Long Lake in North Bridgton building a store and providing boat service from Standish at the southern end of Sebago Lake Jacob Stevens soon followed building a sawmill and gristmill on what became Stevens Brook in the center village Ten power sites on this short brook ran lumber textile and other mills as well as a tannery Bridgton became the area's commercial center as retail stores and businesses sprang up to support the many mill workers and farm families The first train on the narrow gauge Bridgton and Saco River Railroad chugged into town in January 1883 Tourists and artists soon discovered Bridgton and today the town remains a diverse mix of creative hardworking people **Library Catalog of the Metropolitan**
