Moose Meat & Wild Rice Basil Johnston, 2011-01-28 Moose Meat and Wild Rice is a unique comic collection by one of Canada's first and most successful Aboriginal authors who turns his talents to a mischievous but never malicious depiction of Ojibway and Ojibway White relations with the gentle satire

cutting both ways Light but nevertheless realistic told as fiction but based in fact the escapades undertaken by the populace of Moose Meat Point Reserve encompass havoc and hilarity prejudice and pretence **Primitive Sage: Conquer Another World** Xiao YaoHuanYu,2020-02-10 In the twenty first century just as Li Yun was about to commit suicide by jumping off a cliff a bolt of purple lightning struck him bringing him to a chaotic period In the end when he encountered Pangu he took his treasure and during the time of Pangu s creation he was schemed by the heavens to help Pangu Li Yun What did Hong Jun say **Ojibway Tales** Basil Johnston,1993-01-01 The Ojibway Indians sense of humor sparkles through these stories set on the fictional Moose Meat Point Indian Reserve connected by a dirt road to the town of Blunder Bay If some of them seem farfetched and even implausible Basil L Johnston writes it is simply because human beings very often act and conduct their affairs and those of others in an absurd manner These twenty two stories were originally collected under the title Moose Meat and Wild Rice Among the most memorable of the stories is They Don t Want No Indians in which all attempts are made to circumvent bureaucratic red tape and transport a dead Indian to his home for burial One of the funniest is Indian Smart Moose Smart which pits a moose in a lake against six Moose Meaters in two canoes If You Want to Play and Secular Revenge are the result of misunderstanding or imperfect communication Still other stories like What Is Sin and The Kiss and the Moonshine reveal the clash of different cultural approaches All show the warm heartedness and good will of the Ojibway Indians If they are gently satirized so are the whites who would change them and with good reason Government ineptitude and rigid piety are foisted on the Moose Meaters who have only thirty thousand acres to move around in **Flannery O'Connor Church, Society and University** Dorothy Walters,1973 Deborah Grice,2019-08-06 In 1241 4 the theology masters at the university at Paris with their chancellor Odo of Chateauroux mandated by their bishop William of Auvergne met to condemn ten propositions against theological truth This book represents the first comprehensive examination of what hitherto has been a largely ignored instrument in a crucial period of the university s early maturation However the book s ambition goes wider than this The condemnation provides a window through which to view the wider doctrinal intellectual institutional and historical developments within the emerging university These include the advent of the Dominicans and Franciscans at the university and the developing focus of Paris theologians on using their learning for preaching at a time of a rapid and sometimes divergent development of doctrine and concerns over the newly translated Aristotelian and associated Arab and Jewish works heresy the Greek Church and the Jews The book compares the condemnation s ten articles with the major statement of Catholic principles in the first canon of the Fourth Lateran Council 1215 and assesses what conclusions can be drawn from their apparent correlation Its examination of the condemnation in the context of the surrounding wider developments provides the basis for a much better understanding of the university and its theology faculty in the formative years between the grant of its statutes in 1215 and the better known period from the 1250s onwards which included major figures such as Thomas Aquinas and this in turn should lead to a better understanding of the later period itself and its

doctrinal and institutional developments Youth ,1904 **Temple Bar** George Augustus Sala,Edmund Yates,1873
 Temple Bar ,1873 **The Problem of Evil in the Western Tradition** Joseph Francis Kelly,2002 Evil presents a profound and eternal challenge to humanity why do we do what we know to be wrong Why does not an all good and omnipotent God step in and put an end to evil The Problem of Evil looks at people s efforts to deal with evil starting with ancient Israel and moving through the great figures of the Western tradition to the twenty first century
