Soviet Administrative Law: Theory and Policy George Ginsburgs, Ger P. van den Berg, Gianmaria Ajani, William B. Simons, 2024-12-30

Understanding the Modern Russian Police Olga B. Semukhina, Kenneth Michael Reynolds, 2013-06-13 *Understanding the Modern Russian Police* represents the culmination of ten years of research and an ongoing partnership between the Volgograd Academy of Russian Internal Affairs Ministry VA MVD and the Volgograd branch of the Russian Presidential Academy of National Economy and Public Administration VAPA The book provides a timely and comprehensive analysis of the historical development functions and contemporary challenges faced by the modern Russian police Spanning more than two centuries of history the book covers The tsarist police evolution that witnessed the creation of the Ministry of Internal Affairs of the Russian Federation MVD in 1802 and concluding with the 1917 October Revolution The Soviet era from the 1917 October Revolution until Stalin's death in 1953 The Khrushchev and Brezhnev periods and the Soviet police's maturation into a professionally educated and well equipped law enforcement system The transformational period of police development beginning with Gorbachev's perestroika and concluding with the first term of Putin in 2008 The structure authority and workforce of the modern Russian police Public police relationships existing today in Russia Reports by Amnesty International and Human Rights Watch on corruption and abuse of power along with a legal analysis of practices

by the European Court of Human Rights ECHR The 2011 Police Reform by Medvedev The book concludes with some predictions on the future of the Russian police and its potential reforms Encompassing the efforts of many great researchers from Russia this exhaustive review of the history of policing in Russia enables readers to comprehend the societal and political forces that have shaped policing in this country Executive Power and Soviet Politics Eugene Huskey, 2016-06-16 Ever since the behavioral revolution reached Communist studies more than 2 decades ago Western scholarship has tended to ignore the powerful and unwieldy institutional structure of the Soviet government Today suddenly it is clear that the dramatic political and legislative reforms of the Gorbachev years will remain incomplete as long as the issues of state bureaucratic power and executive prerogative are unresolved This volume brings together original studies of the Soviet executive under Gorbachev by specialists including Barbara Chotiner Stephen Fortescue Brnda Horrigan Ellen Jones Wayne Limberg T H Rigby and Louise Shelley Among the topics covered are the major economic national security and law enforcement ministries the presidency the cabinet and questions of presidential ministerial presidential legislative executive and party state relations *Chinese Law* Constance A. Johnson, 1995-10 Covers the period from the middle of 1985 through the middle of 1989 Materials included are journal articles and monographs not newspaper items Covers banking civil law contracts criminal law customs elections family law Hong Kong and Macao human rights import and export labor law maritime law military law private international law state security taxation technology transfer texts of laws and more **Moscow's Road to Nuremberg** George Ginsburgs, 2023-07-24 Recent events in former Yugoslavia and Rwanda have revived diplomatic interest in measures contemplating concerted action directed at the suppression and punishment of war crimes Indeed steps have already been initiated to set up war crimes tribunals to prosecute those responsible for such atrocities Not to be outdone Yeltsin s Foreign Minister has also issued a call for public discussion of the idea of creating a system of international criminal justice with regard to crimes against peace and humanity other international violations of the law The precedents of the Second World War in this venue thus seem relevant once again Since the Soviet Union played a leading role in paving the way for the Nuremberg trial and respective proceedings before national tribunals and Russia as self proclaimed heir and successor to the USSR continues to exercise a great deal of influence in these matters today a look at Moscow s doctrinal and practical scorecard may prove useful for future reference The present study explores the Soviet regime s contribution to the prehistory of the Nuremberg trial i e the repertory of official acts and pronouncements as well as scholarly treatment of issues which ultimately shaped the legal complexion of the Nuremberg test Our focus in this case is on the mode of development of the style and substance of the bill of indictment until the day of the court s opening session from the standpoint of Moscow s stake in the operation The views recorded during the trial in primary or secondary sources or those expressed later are taken into account only if they shed light on the preparatory stages of the drama The subsequent evolution of Moscow s thoughts on the subject deserves a separate full scale analysis

Crime and Punishment in Soviet Officialdom William A. Clark, 1993 An analysis of political corruption and attempts to battle it in the Soviet elite without the usual baggage of moral indignation and finger pointing Examines how corruption fit into the structure of the bureaucracy and the society attitudes toward it data on its prevalence the politics and methods of combating it and the future of reform in the successor states Paper edition unseen 16 50 Annotation copyright by Book News Inc Portland OR *Ethnopolitics and the Transition to Democracy* Rasma Karklins, 1994-03 Woodrow Wilson Center Press

Crime and Punishment in Russia Jonathan Daly, 2018-02-22 Crime and Punishment in Russia surveys the evolution of criminal justice in Russia during a span of more than 300 years from the early modern era to the present day Maps organizational charts a list of important dates and a glossary help the reader to navigate key institutional legal political and cultural developments in this evolution The book approaches Russia both on its own terms and in light of changes in Europe and the wider West to which Russia's rulers and educated elites continuously looked for legal models and inspiration It examines the weak advancement of the rule of the law over the period and analyzes the contrasts and seeming contradictions of a society in which capital punishment was sharply restricted in the mid 1700s while penal and administrative exile remained heavily applied until 1917 and even beyond Daly also provides concise political social and economic contextual detail showing how the story of crime and punishment fits into the broader narrative of modern Russian history This is an important and useful book for all students of modern Russian history as well as of the history of crime and punishment in modern Europe *Ethnic Diversity, Plural Democracy and Human Dignity* Mario Krešić, Damir Banović, Alberto Carrio Sampedro, Jānis Pleps, 2022-04-25 Given their ethnic diversity to what extent and at what cost and benefit to human dignity can European countries adopt and adapt plural democracy The contributors to this volume offer answers to this question from a variety of multidisciplinary perspectives within the framework of the integral theory of law and the state Their shared aim is to explain legal phenomena in the context of other relevant issues and to identify analyse and critique conceptualizations problems and situations This volume is rooted in the historical and contemporary European experience with special cases from Bosnia and Hercegovina Croatia Latvia Slovenia Spain and Canada which are relevant for understanding the European problem Solutions to the problem are sought through innovative interpretations of the rule of law democracy and human dignity which are followed by argumentation about how these concepts when recognized as European legal principles can be implemented in order to avoid ethnic conflicts Following an introduction that defines the problem at the centre of the book and explains how legal theory can be used to address it the book consists of eleven contributions divided into three thematic sections The first covers topics concerning the European principles which can help avoid ethnic conflicts the principle of compulsory adjudication in interstate relations the principle of democracy and principles regarding the recognition of individual and collective identities These European principles are then investigated by drawing on legal and political theories The second section presents three ways of conceptualizing ethnical needs in multi

ethnic states asymmetric federalism democratic account and cooperative federalism The third and final section elaborates on issues concerning the protection of minority rights the role of judicial ideology in protecting minority rights citizenship the EU mechanism for the protection of minority rights and the importance of remembering tragic events affecting minorities

Stalin Robert H. McNeal, 1988-06-18 **Copyright, Freedom of Speech, and Cultural Policy in the Russian Federation** Michiel Elst, 2004-11-01 This book traces the impact of the economic and political perestroika on the copyright law of the late USSR and the Russian Federation The transformation of the administrative command economy into a market economy the introduction of the rule of law and the adoption of a natural law view on human rights the revolution in cultural policy all influenced both the contents and the function of copyright law for the authors entertainment and information industries and the consumers The book provides a detailed analysis of the freedom of expression and of copyright legislation in Russia always with an eye on historic comparisons and evolutions At the same time it gives a synthetic overview of the main changes in constitutional civil and economic law in the last 15 years **Stanlinism** Nick Lampert, 2016-09-16 Although scholars have devoted much attention to the impact of technology on society they have tended to slight the question of how technology is affected by social systems The authors of this volume take precisely this approach in their examination of the Soviet model of development *The Origins of the Stalinist Political System* Graeme Gill, Graeme J. Gill, 2002-07-18 New and challenging perspectives on Soviet political development from 1917 to 1941 *Reforming Justice in Russia, 1864-1996* Peter H. Solomon, 1997 Based on a set of papers prepared for a spring 1995 conference held at Massey College University of Toronto reflecting collaboration and discussion among specialists in law and justice in tsarist Russia and their counterparts working on the subject in the USSR and post Soviet Russia Organized in sections on varieties of justice in imperial Russia courts and Soviet power and justice and the Russian transition papers examine areas such as rural arson in European Russia in the late imperial era sexual harassment claims of the 1920s criminal justice under Stalin and trials in modern Russia Annotation copyrighted by Book News Inc Portland OR *Reforming Justice in Russia, 1864-1994* Peter H. Solomon, 2017-07-05 Measuring Russian legal reform in relation to the rule of law ideal this study also examines the legal institutions culture and reform goals that have actually prevailed in Russia Judgements about future prospects are measured adding new dimensions to our understanding of the Soviet legacy *The Hong Kong Basic Law* Ming K. Chan, David J. Clark, 1991-01-01 Analyses how China's socialist legal principles are incorporated into the Basic Law and examines the conflicts in the drafting process between maintaining China's control and achieving genuine democracy and autonomy *Asia-Pacific Legal Development* Gerry Ferguson, 2011-11-01 In this age of globalization many legal experts see evidence of swift global movement toward an eventual single world legal system Yet the trend to political and economic integration in some parts of the world is matched by the trend to disintegration in others where strong cultural and political resistance to external influences exists Asia Pacific Legal Development traces current and prospective developments in several legal

systems of the Asia Pacific region to make sense of these trends and counter trends The contributing authors represent a wide variety of specialist expertise both public and private and together they encompass the three sectors that constitute a modern system of formal law the economic the behavioural and the civic Taking into account the opinions and perspectives of both indigenous and non indigenous experts on topics ranging from prostitution to constitutional law the book surveys how several ASEAN nations as well as Canada Australia and New Zealand are confronting social economic and legal change In the first three parts chapters are grouped along general sectoral lines to cover economic civic and behavioural themes while in the fourth cross sectoral contexts are addressed With the introduction and concluding chapter the editors provide an overall integrating framework as well as provocative insights into trends in legal development in the Asia Pacific region and on comparative legal research and writing in general Asia Pacific Legal Development is not only an exemplary model for cooperative and comparative legal research and scholarly pluralism but also a rich study of the increasingly relevant issue of convergence and divergence of legal systems with a unique Asian focus
