and the Making of Medieval Monastic Culture Katherine Smith, Katherine Allen Smith, 2013-09-19 An extremely interesting and important book makes an important contribution to the history of medieval monastic spirituality in a formative period whilst also fitting into wider debates on the origins development and impact of ideas on crusading and holy war Dr William Purkis University of Birmingham Monastic culture has generally been seen as set apart from the medieval battlefield as those who prayed were set apart from those who fought However in this first study of the place of war within medieval monastic culture the author shows the limitations of this division Through a wide reading of Latin sermons letters and hagiography she identifies a monastic language of war that presented the monk as the archetypal soldier of Christ and his life of prayer as a continuous combat with the devil indeed monks claims to supremacy on the spiritual battlefield grew even louder as Church leaders extended the title of soldier of Christ to lay knights and crusaders So while medieval monasteries have traditionally been portrayed as peaceful sanctuaries in a violent world here the author demonstrates that monastic identity was negotiated through real and imaginary encounters with war and that the concept of spiritual warfare informed virtually every aspect of life in the cloister It thus breaks new ground in the history of European attitudes toward warfare and warriors in the age of the papal reform movement and the early crusades Katherine Allen Smith is Assistant Professor of History University of Puget Sound *The Spiritual Battle For Salvation* Dr. Daniel Wagner, 2016-05-29 Time is seeming to go faster and faster Events worldwide are keeping us speechless A lot of things are not adding up any more The spiritual confusion amongst Christianity becomes more and more complex What is going on Are we living in the endtimes Is something about to happen The present church is spiritually asleep A strong spirit of deception is deceiving the church into a false Gospel and a false Christianity Christian leaders world wide abandon biblical faith and they embrace the New World Order and the New World Religion The devil disguised as big helper has replaced biblical truth with deceptive truth The majority of believers support and promote the foretold hellish nightmare of the one world government Unless church leaders wake up and stand up for biblical truth the majority of Christians will be damned to hell Will Jesus be able to find biblical pure faith on earth when he returns You might be instrumental in starting the last and greatest revival **Short Studies in**

Wright,2007-10-01 Our Sovereign Refuge is a study of the pastoral theology of Theodore Beza the Protestant reformer who inherited the mantle of leadership in the Reformed church from John Calvin Countering a common view of Beza as supremely a scholastic theologian who deviated from Calvin s biblical focus Wright uncovers a new portrait of Theodore Beza Beza was not a cold and rigid academic theologian obsessed with probing the eternal decrees of God Rather by placing Beza in his pastoral context and by noting his concerns in his pastoral and biblical treatises Wright shows that Beza was fundamentally a committed Christian who was troubled by the vicissitudes of life in the second half of the sixteenth century Beza believed that the biblical truth of the supreme sovereignty of God alone could support Christians on their earthly pilgrimage to heaven This pastoral and personal portrait of Beza forms the heart of Wright s argument **The MacArthur New Testament Commentary Set of 30 volumes** John MacArthur,2011-02-21 This set includes the entire collection of the MacArthur New Testament Commentary series Matthew 1 7 Matthew 8 15 Matthew 16 23 Matthew 24 28 Luke 1 5 Luke 6 10 Luke 11 17 John 1 11 John 12 21 Acts 1 12 Acts 13 28 Romans 1 8 Romans 9 16 1 Corinthians 2 Corinthians Galatians Ephesians Philippians Colossians Philemon 1 2 Thessalonians 1 Timothy 2 Timothy Titus Hebrews James 1 Peter 2 Peter Jude 1 3 John Revelation 1 11 and Revelation 12 22 The MacArthur New Testament Commentary series continues to be one of today s top selling commentary series These commentaries from respected Bible scholar and preacher John MacArthur give a verse by verse analysis in context and provide points of application for passages illuminating the biblical text in practical and relevant ways **Nine Decisions We Make About Life** William Martin,2019-02-28 Why do the nations rage Why do the people waste their time with futile plans Ps 2 1 We live in turbulent times and people are looking in every direction for answers This book is an effort by the author to put in print materials developed and used over a twenty five year career as a Christian counselor It is the educational material without the interaction involved in face to face counseling The book examines the spiritual roots of a person s worldview and their impact on the decisions one has made over a lifetime It looks at the strategies a man has used to satisfy his deepest needs The book looks deeply into the soul of man by searching the mind and testing the truths a man
