Havana Dreams is a captivating journey through the vibrant city of Havana Cuba From its rich history and culture to its stunning architecture and diverse culinary scene this book offers a comprehensive exploration of this captivating city Havana is a city with a storied past Founded by the Spanish in the 16th century it quickly became a major center of trade and commerce The city's strategic location made it a target for pirates and buccaneers and it was frequently attacked and looted Despite these challenges Havana flourished and by the 18th century it was one of the wealthiest and most important cities in the Americas The 19th century brought political and social upheaval to Havana The city's residents were inspired by the ideals of the French Revolution and they began to demand reforms from the Spanish colonial government These demands eventually led to the Cuban War of Independence which lasted from 1895 to 1898 The war ended with the United States intervening on the side of the Cuban rebels and Cuba gained its independence from Spain After independence Havana continued to grow and prosper The city became a popular tourist destination and it was known for its casinos nightclubs and beautiful beaches However the Cuban Revolution in 1959 changed everything The new government nationalized all businesses and industries and it imposed strict controls on the economy As a result Havana's economy declined and the city fell into disrepair In recent years Havana has begun to experience a revival The Cuban government has loosened its restrictions on tourism and the city is once again attracting visitors from all over the world Havana is still a city with many challenges but it is also a city with a rich history culture and people Havana Dreams takes readers on a journey through this captivating city The book explores Havana's unique history culture architecture and cuisine It also provides practical information for visitors including tips on where to stay what to see and do and where to eat Whether you are planning a trip to Havana or simply want to learn more about this fascinating city Havana Dreams is the perfect book for you If you like this book write a review [The Cuban Kitchen](#) Raquel Rabade Roque,2011-08-16 What is Cuban cuisine A delectable intermingling of Spanish Portuguese Arabian Chinese and African culinary traditions a true melting pot of all the influences that combine in Cuban culture Now Raquel Rabade Roque gives us the definitive book of Cuban cuisine encyclopedic in its range but intimate and accessible in tone with more than five hundred recipes for classic home style dishes from black bean

**How's Your Drink?** Eric Felten, 2009-03-01. Based on the popular feature in the Saturday Wall Street Journal, *How's Your Drink* illuminates the culture of the cocktail. Cocktails are back after decades of decline, but the literature and lore of the classics has been missing. John F. Kennedy played nuclear brinksmanship with a gin and tonic in his hand; Teddy Roosevelt took the witness stand to testify that six mint juleps over the course of his presidency did not make him a drunk; Ernest Hemingway and Raymond Chandler both did their part to promote the gimlet. Fighting men mixed drinks with whatever liquor could be scavenged between barrages, raising glasses to celebrate victory and to ease the pain of defeat. Eric Felten tells all of these stories and many more and also offers exhaustively researched cocktail recipes. *How's Your Drink* is an essential addition to the literature of spirits and a fantastic holiday gift for husbands and fathers.
