Robson, 2025-02-15 Rumpole and His Rivals examines comic legal fiction and the role it plays in the public's understanding of the legal system The work focuses on the writings of eight lawyer authors over the past century and traces the different approaches taken in this form of comedic literature Over sixty comic legal fiction books have been published in Britain between 1924 and 2024 with the desire of their authors not only to entertain but to inform educate and create a valuable resource for anyone seeking to understand how and why the rule of law and legal profession have garnered the current reputation and level of confidence which they have **Revenge of the Rich** Austin Mitchell, 2017-08-17 Austin Mitchell's

book is the first comprehensive study of the rise fall and consequences of neoliberalism in Britain and New Zealand the two countries which adopted the new economics most enthusiastically became its poster boys in the eyes of right wing economists and media AND suffered the most severe consequences Growing up in the affluent years of a post war settlement which brought full employment economic growth and a welfare state to both countries Mitchell entered Parliament in 1977 as Labour MP for Grimsby just as the Settlement was failing It fell apart because of balance of payments problems and the industrial struggles of what was becoming a zero sum competition between social groups This began the long march down dead end street first in Britain under Margaret Thatcher then in New Zealand under Roger Douglas and the 1984 Labour government Monetarism the triumph of markets the pruning of the state and particularly its welfare provisions and the belief in tax cuts to incentivise the wealthy all combined to turn Mitchell's long service in Parliament into a fighting retreat The social balance of both countries was shifted to wealth and finance away from industry and the people The rich took their revenge Mitchell chronicles the consequences in low growth zero sum politics growing poverty and increasing inequality He demonstrates how neoliberalism has failed to deliver on its promises and how wealth has trickled upwards not down He concludes with the turning of the tide by a peasant's revolt leading to governmental and policy changes in both Britain and New Zealand Ultimately he finds useful lessons in the failure of neoliberalism and points to a society and an economic policy which will be fairer for all *Independent Television in Britain* Jeremy Potter, 2016-07-27 The ITV network was designed as

a federation of companies different in size and character jointly and severally constructing programme schedules in which

strands of entertainment were interwoven with news bulletins drama with sport feature films with documentaries church services with broadcasting for schools The purpose of this volume is to convey some impression of diversity by illustrating and illuminating the rich assortment of companies and programmes making up ITV s overall service to the public in the operation of a plural system on a single television channel during a peak period in British broadcasting Sequels: Adult books Mandy Hicken,1982 The Captive's Quest for Freedom R. J. M. Blackett,2018-01-25 This magisterial study ten years in the making by one of the field s most distinguished historians will be the first to explore the impact fugitive slaves had on the politics of the critical decade leading up to the Civil War Through the close reading of diverse sources ranging from government documents to personal accounts Richard J M Blackett traces the decisions of slaves to escape the actions of those who assisted them the many ways black communities responded to the capture of fugitive slaves and how local laws either buttressed or undermined enforcement of the federal law Every effort to enforce the law in northern communities produced levels of subversion that generated national debate so much so that on the eve of secession many in the South looking back on the decade could argue that the law had been effectively subverted by those individuals and states who assisted fleeing slaves
