Running the Spiritual Path Roger D. Joslin, 2013-09-17 Running the Spiritual Path is Roger D Joslin s compelling and inspiring guide to making running a spiritual sport Imagine achieving physical fitness and spiritual growth simultaneously Roger Joslin s step by step program is an engaging exploration of his conviction that spiritual well being is as likely to happen while running along the trails of a favorite park as it is within the more traditional settings of neighborhood churches

synagogues or mosques Through awareness chants and visualization and through attention to the most evident aspects of the present moment the weather pain or breathing the simple run can become the basis for a profound spiritual practice In Running the Spiritual Path Roger D Joslin combines the insights gathered from thirty years of running with a personal spiritual journey that is guiding him to the priesthood While drawing from and exhibiting an abiding respect for the traditions and sacred practices of the world s great religions the author describes a heretofore unexplored method of sacred running of bringing meditation and a prayerful communion to the running trail **Listen to Classic Rock!** Melissa Ursula Dawn

Goldsmith,2019-11-22 Listen to Classic Rock Exploring a Musical Genre provides an overview of this diverse and complex musical genre for scholars of classic rock and curious novices alike with a focus on 50 must hear musicians songwriters bands and albums Listen to Classic Rock Exploring a Musical Genre explores in detail the genesis evolution and proliferation of classic rock It begins with a background on the development of classic rock and its subgenres Next an A to Z listing of artists musicians songwriters and bands albums important concerts and songs a chapter on classic rock s impact on popular culture a chapter on classic rock s legacy and a bibliography This organization gives readers the choice of starting from the beginning to learn how classic rock and each of its subgenres emerged after rock and roll or skip ahead to a specific artist recording or song in the Must Hear Music section This volume stands out from other resources on classic rock for its listening centered approach Most books on classic rock focus on trivia history terminology or criticism It also explores the sound of the music of important artists and offers musical analyses that are accessible to upper level high school and lower level undergraduates while at the same time maintaining the interest of classic rock aficionados and scholars
