Run Right Now What A Half Century On The Run Has Taught:

Going Far Joe Henderson, 2011-11 **Run Right Now** Joe Henderson, 2012-04-11 Run Right Now These three little words imply three different meanings Right now can mean correctly immediately or temporarily The title can represent running the right way Not that I have a corner on absolute truths but the book represents the best ways to run that I know based on long experience The title also can stand for running right away Even as an author I say don't spend too much time reading and planning and analyzing I'd love to hear that a runner read one page and was moved to drop the book and go run right now And finally the title can mean running right for now Current practices change along with interests and abilities This book is a memoir of lessons learned in a lifetime of running and writing about it These chapters can't protect you from making any mistakes of your own My hope is that you'll make fewer than I did that you'll learn these lessons faster and that they'll take you farther than I've gone with them **Run Right Now** Joe Henderson, 2004 *Good Housekeeping*, 1922
