

Run, Killer, Run

Ex-bookie Tom Spears, framed for the murder of his wife, breaks out of prison and heads for Mexico and freedom. En route, he learns that the lawyer (and friend) who defended him has been murdered. He also discovers that his beloved wife had been unfaithful, that his lawyer friend had been one of her lovers, and that his defense had been deliberately botched. Resolving to unravel the mystery, Spears becomes entangled with his former associates and finds himself caught in the crossfire between rival gambling syndicates.

Run With The Killer:

Murder in America Ronald M. Holmes, Stephen T. Holmes, 2001 This second edition of the best selling Murder in America examines both the common and unusual acts of homicide in light of society's changing norms, values, attitudes and customs. The authors Ronald and Stephen Holmes have worked with numerous police departments on more than 300 murder and rape cases. The types of murders discussed in this text are ones not usually discussed in great lengths in other textbooks. Chapters deal with atypical and relatively bizarre homicide such as serial murder, mass murder, terrorism and assassination. Also discussed are more common types of murder such as murder committed by children, murder of children, partner homicide and workplace homicide. Each chapter explores a specific type of homicide by examining trends, methods, motives, statistics and other descriptive information. New to this edition: Student Assignments at the end of each chapter; Discussion Questions at the end of each chapter; New chapters in this edition: Female Serial Killers, Intimates Who Kill, Parents Who Kill, Murder in the Workplace. **Serial Murder** Ronald M. Holmes, Stephen T. Holmes, 2009-07-21 Provides a solid review of the subject with an accessible, incisive presentation including photos and features unique to this edition. **Fatal Violence** Ronald M. Holmes, Stephen T. Holmes, 2010-06-23 From serial murderers to parents who kill, Fatal Violence: Case Studies and Analysis of Emerging Forms provides an insider's look at a phenomenon that has existed since the dawn of man and cuts across social, economic barriers and cultures. Offering a rare glimpse into the minds of predators and containing chilling details of motives and methods. **Extreme Killing** James Alan Fox, Jack Levin, Emma E. Fridel, 2023-04-02 Accessibly written yet analytically rich, Extreme Killing: Understanding Serial and Mass Murder is renowned for its fascinating examination of historical and contemporary serial and mass murder. Authors and experts in the field, James Alan Fox, Jack Levin, and Emma Fridel bring their years of research to bear in this fascinating analysis of serial, multiple and mass murder. They examine the theories of criminal behavior and apply them to a multitude of tragic events that involve hate crimes, killings at religious services, music festivals and school shootings. This Fifth Edition is filled with contemporary and classic case studies and has been updated to include coverage of controversial issues such as gun control and mental illness, the role of high-powered weapons in mass shootings and the distinction between serial and mass murder. **New York Supreme Court**, *The Crimson Trail* Ernest Salotti, 2021-03-15 Zak had been travelling around Arizona and Southern California undirected until he entered the town of Parker, California. His life changed that day when unexpectedly he protected a man and his wife from a bunch of marauding killers. From then on, Zak found direction. **Active Shooter** Kevin Doss, Charles Shepherd, 2015-08-17 According to Pinkerton, the leading provider of risk management services in the world, workplace violence is second only to cybersecurity as the top threat faced by organizations today. Incidents involving active shooters in the workplace are on the rise and becoming more violent and deadly. Active Shooter provides the tools necessary to identify potential violent individuals along with the options and responses needed to save lives, reduce corporate liability and recover.

from an active shooter event should it happen Active Shooter begins with a brief history of active shooters and how they have changed over time It shows why many perpetrators initiate attacks what they often are thinking and some of the indicators that could have been identified prior to the attack The book shows how to develop an active shooter program in an organization walking readers through the entire process including training exercises to test the efficiency of the program With the uniquely private security perspective Active Shooter illustrates how to communicate with law enforcement government agencies and the media in the event of active shooter incident The book concludes with a discussion of how organizations can recover promptly after an incident which is crucial for operational survival Illustrates what businesses should consider prior to during and after an active shooting event including developing business continuity plan Demonstrates the importance of preparedness an effective coordinated response and planning all the way down to the frontline employee Addresses the private sector and public sector coordination efforts needed for an effective active shooter program Offers teaching and learning tools such as text boxes end of chapter discussion questions lists of key DHS FBI and FEMA websites and resources as well as training exercises and case studies

Border Cinema Monica Hanna, Rebecca A. Sheehan, 2019-04-15 The rise of digital media and globalization s intensification since the 1990s have significantly refigured global cinema s form and content The coincidence of digitalization and globalization has produced what this book helps to define and describe as a flourishing border cinema whose aesthetics reflect construct intervene in denature and reconfigure geopolitical borders This collection demonstrates how border cinema resists contemporary border fortification processes showing how cinematic media have functioned technologically and aesthetically to engender contemporary shifts in national and individual identities while proposing alternative conceptions of these identities to those promulgated by the often restrictive current political rhetoric and ideologies that represent a backlash to globalization

A Serial Killer's Guide to Marriage Asia Mackay, 2025-01-14 Two former serial killers trying to keep their past buried realize that old habits die hard in this sharp compulsive thriller I wasn t smashing the patriarchy I was killing it Literally Hazel and Fox are an ordinary married couple with a baby Except for one small thing they re murderers Well they used to be They had it all An enviable London lifestyle five star travels and plenty of bad men to rid from the world Then Hazel got pregnant Now they re just another mom and dad and baby They gave up vigilante justice for life in the suburbs arranged play dates instead of body disposals diapers over daggers mommy conversations instead of the sweet seduction right before a kill Hazel finds her new life terribly dull And the more she forces herself to play her monotonous predictable role the more she begins to feel that murderous itch again Meanwhile Fox has really taken to being a father Always the planner he loves being five steps ahead of everyone and knowing exactly what s coming around the bend Plus if anyone can understand Hazel needing one more kill it s Fox But then Hazel kills someone without telling Fox And when police show up at their door Hazel realizes it will take everything she has to keep her family together
