Northern European magical traditions yet it doesn't ignore those traditions altogether. You will emerge from this guide with a basic understanding of the runes' role in ancient Germanic paganism as well as a solid foundation of knowledge to build your own runic practice regardless of your religious or spiritual path.

Foundations in Runic Magic and Divination

The runes represent various aspects of the human experience of the Universe, both tangible and intangible. Each runic symbol embodies a natural force or type of energy which the rune worker can attune to and then manipulate in various ways. Runes can be sent out into the Universe to manifest a magical goal or they can be used to consult with the unseen realms about a situation at hand.

In Runes for Beginners you'll learn all you need to know to start working with runes including:

- The history of the runes and their role within the framework of the Germanic magical worldview.
- The origins of runic wisdom in Norse mythology.
- An overview of the Elder Futhark, the oldest known runic alphabet and most widely used rune system in contemporary Neopaganism.
- Basic techniques of rune magic including rune scripts, bind runes and creating runic talismans.
- How to make your own runes.
- Instructions for traditional rune casting as well as contemporary rune spreads.
- Tips for successful divination.
- The divinatory meanings and magical uses of each rune in the Elder Futhark.
- A suggested reading list for further exploring the runes and the magical and spiritual traditions of the ancient Germanic peoples.
- Detailed tables of correspondence for a handy condensed magical and divinatory guide.

By the end of this guide you will have a working knowledge of the runes that will enable you to use them with confidence in magic and divination. However, when it comes to truly mastering the runes, the importance of time and practice can't be emphasized enough. Indeed, working with runes can truly become a lifelong journey, but *Runes for Beginners* is an excellent first step along the way.

RuneQuest Roleplaying Game Matthew Sprange, 2006-08

One of the greatest roleplaying games of all time comes back in a new edition designed for the 21st Century. Building on the previous editions of the game, the all new RuneQuest system has been developed under the watchful eyes of Messrs Stafford and Perrin and has been subjected to the longest and most open playtesting period that any Mongoose game has been through. Released as a 100 page hardback book priced at 19.95, RuneQuest gives players all the core rules they need to begin playing, indeed with the monsters included in this book, Games Masters can construct complete scenarios with this single tome.

Rune Magic Nigel Pennick, 1992

Rune Magic provides a fascinating overview of the history and practice of rune use from its very outset to the present day.

The Runes James Flowerdew, 2021-09-28

What are the Runes and are they actually good for magic? In *The Runes: A Grounding in Northern Magic*, author, illustrator and artist James Flowerdew brings together a lifetime of learning and experiences with the Runes. Complete with a unique set of illustrations, *The Runes* is a great beginner's guide to this writing system which was also and can still be used for magical purposes. Full of direct references to genuine ancient texts as well as ripping yarns, poignant anecdotes and a good dose of humour, this book attempts to demonstrate not just the surface of Rune magic but the underlying principles and culture that inform them, alongside some general magical

practice The Runes are much more than a historical alphabet They are a key to the wisdom of the ancient peoples who used them in language life and magic with these surviving writings not only clarifying these uses but providing at least the bones of what you need to use them yourself today A mixture of elegant and coarse gentle and gritty sombre and witty the Runes are not to everyone's taste but they echo a very real and relatable cosmology A world view that doesn't hide the warts but that finds plenty worth loving at the same time Step into the world of the Runes on steady feet and start a spiritual journey from which you may never wish to turn back **The Magic of Shapeshifting** Rosalyn Greene,2008-01-01

SHAPESHIFTERS are people with animal medicine people who can connect with and use their animal powers Those with access to this magical power can shift mentally astrally or even physically into their power animal or totem Rosalyn Greene's ability to shift both mentally and astrally combined with her extensive study of the secret shapeshifting folklore has resulted in this fascinating examination of all aspects and forms of shifting This unique book helps you realize your potential for being a shapeshifter giving detailed explanations about how the various forms of shifting occur She shows you how to distinguish powerful visions anxiety attacks and imagination from real shifting as well as how to recognize the warning signs of an imminent shift Since there can be dangers and risks on both the mundane and psychic levels when you pursue the path of a shifter many of the potential dangers associated with specific practices are carefully outlined Shapeshifting is a spiritual journey a very tough one but very rewarding linking us with both the fundamental power of animals and with the higher self It has a purpose and reality far beyond simply using shifter abilities for earthly benefits it can lead us through the unseen veil that separates us from our Selves **Runelore** Edred Thorsson,1987-05-01

Runework authority and author Edred Thorsson explores the riddle of the runes Combing historical lore with a detailed investigation Runelore focuses on the esoteric aspects of the runic tradition In Part One Historical Lore Thorsson uses archaeological evidence to explain where the runes come from what they mean and how they evolved In Part Two Hidden Lore he takes a more psychological view of the runes and looks at the entire cosmology of the Old Norse to explain the role runes played and how they were used over time Included are specific sections on rune magic and divination rune poems runic numerology and concise explanations of the mysteries of the 24 runes Reprinted with a newly designed cover Runelore offers a complete picture of the Runes Runes Raymond Ian
