Running with Jesus W. Bennett, 2005-07 Sitting in the quiet morning his mind flashed back to his grandson Ethan and his stubborn display of determination to have his way Yes indeed he had to admit he was like his grandson He was also determined and perhaps that was the reason he couldn't escape that memory But he had so many times before relived memories of changes in his life Why Because he always felt great comfort in recalling the many difficult times he had been blessed Times when he had prayed for help like the 23rd mile incidents and had found something deep inside to help him through Though he considered himself a problem solver he felt like he knew his limitations Perhaps that's where he developed the attitude that he could

deal with anything with the Lord's help but there were many many things he could not handle unless God helped Still this was uncharacteristic and he was drawn to problem solve
