Homeless Hero Mike Tapscott,2013-07 Homeless Hero Understanding the Soul of Home considers the human mission to know the soul and navigate life experiences When pain and emptiness show up in life only those who undertake the hero s journey grow into a place of understanding where they can then flourish Mike Tapscott was watching a movie at a resource center for homeless people when he developed the idea for this book The movie workshop at Lodestar Day Resource Center in Phoenix Arizona teaches life s lessons through the magic of cinema The lessons manifest through a series of dramatic events hearing a call to adventure refusing the call crossing a threshold encountering tests allies and enemies being unable to turn back soul searching finding reward returning with the story and experiencing resurrection These events are what life is all about The hero s journey through homelessness just one symptom of the challenge of overcoming emotional pain is one way to help change individuals and then change tracks patterns and less than constructive behaviors Here is a compilation of experiences from Tapscott s 36 hour experimental journey into life on the streets his own volunteer work and through interviews with employees in the

Townsend Whelen,1918 **Spirit of the Buffalo** Stan Mirel,2010-12-03 When I started writing my first western I began without a story a title but with two unwashed characters that hated each other at first in the dark filthy cluttered log cabin so remotely embedded in the Canadian snow covered woods that escape on foot was impossible After two murders occurred our heroine Marie is alone raised without affection or a smile with only a fur trapper father escaped from prison She finds herself alone until Peter Mark with a broken leg is fished out of the river with his horse and wagon After months of fighting and distrust in the filthy hovel they find love and Peter begins the trek to his home in Nevada in a wagon with Marie They come to a Nez Perce village where Peter trades with Chief Joseph for three white women and continues south through Flathead land and into Shoshoni Territory where Chief Running Deer learns the buffalo follow Peter and thinks he controls them and calls

him the Spirit of The Buffalo With two scouts from the Nez Perce two from the Flathead and two from Chief Running Deer they continue south and the scouts leave them at Fort Bryant Peter thinks hell take Marie to his house but Running Deer decides to burn the fort and sends word to the Spirit of The Buffalo Take everyone out of the fort and all that ride with you are safe Col Williams decides to stay and defend but Peter takes the women and children to Fort Halleck as Running Deer attacks Fort Bryant Peter and Marie adopt Linda the youngest of the three captive females they traded for with Chief Joseph of the Nez Perce Thats not half of the story but youll dry your eyes before turning the last page of the Spirit of The Buffalo and when the sequel War Chief comes out youll cry again and better understand our Native American brothers

This is the story of those who dared to dream. The 1912 Olympic Games Bill Mallon, Ture Widlund, 2024-10-16. The 1912 Olympic Games held in Stockholm, Sweden, were the most modern Olympic Games yet celebrated and the most successful of the Modern Era to that date. Much of the success is credited to the influence of Viktor Balck, who is remembered as The Father of Swedish Sports. The 1912 Olympics also featured new innovations and events. A semiautomatic electrical timing device and a photo finish camera were used, and the decathlon and modern pentathlon were new events. This work, the sixth in a series on the early Olympics, provides unusually extensive information on the sites, dates, competitors, and nations of the Stockholm games. Results for each event, including cycling, diving, fencing, rowing, and sculling, shooting, tennis, water polo, and yachting, among others, are provided. **The 1920 Olympic Games** Bill Mallon, Anthony Th. Bijkerk, 2015-07-11. Until this volume was compiled, the results of the 1920 Olympics held in Antwerp, Belgium, have been far from complete. The Antwerp organizing committee typed up a report of the results almost as an afterthought because it was so financially strapped after the games. For some events, only the medalists are listed with little, if any, additional information. Very few copies were ever produced, and those few copies were in French. The seventh in a series on the early Olympics, this work fills a gap in the recording of early Olympics history by providing complete results for all competitors and all events, except for shooting, which has only partial information available. In virtually all cases, a 1920 source has been used in preference to a more modern source of information, and all details have been fully researched in contemporary newspapers, journals, and magazines and checked for accuracy by experts on various sports from all over the world.
