**Love Letters** Katie Fforde,2011-01-18 When her bookshop closes its doors Laura agrees to help organize a literary festival Her initial excitement is followed by panic when she realizes that an innocent mistake has led the festival committee to believe that she is a personal friend of the reclusive writer Dermot Flynn Even though Laura has been infatuated with Dermot since her college days traveling to Ireland to persuade him to come out of hiding is not what she had in mind Nevertheless she sets off to charm her literary hero into headlining the festival Unfortunately Dermot is maddening temperamental and up to his ears in a nasty case of writer s block But he s also infuriatingly attractive With all the warmth and wit that have made Katie Fforde s novels huge bestsellers in the U K *Love Letters* is an irresistible tale of love and literature and the quest for a happy ending      **The Trouble with Summer People** Tim Kelly,1998      **Seeking Balance** Nicholas J. Pace,2014-02-07 *Seeking Balance* The Story of a Principal s Second Semester continues the story of fictional Principal Joe Gentry s first year on the job Like its predecessor *Reality Calling* The Story of a Principal s First Semester this book is crafted from authentic experiences shared by principals This part of the story picks up in January as Joe anticipates his mid year evaluation As winter turns to spring he reflects on lessons learned and seeks to build on successes and correct his mistakes Throughout Joe seeks guidance and support from his wife mentors and two friends who are also new principals As the months roll by he navigates the complexities of school leadership and seeks balance between personal and professional life leadership and management and theory and the real world This extended real world case study provides an authentic unvarnished account of a fully human principal knee deep in what is appropriately called the toughest job in education The book concludes with Joe anticipating an end of the year meeting with his two friends to reflect on their progress toward becoming the leaders they have envisioned      **Mr Campion's Farewell** Mike Ripley,2019-11-07 England s funniest crime writer The Times Charming and full of surprises Booklist Strange things happen in the picture postcard English village of Lindsay Carfax When a young man falls into a quarry it takes nine days to find the body When rowdy hippies descend on the village they re given nine days to leave When an outspoken schoolmaster is kidnapped for nine days he stays eerily quiet after his release Now Albert Campion has come to town meaning to investigate all this strangeness But whoever is behind the unusual goings on quickly makes it very clear that his nosing around is not welcome Undeterred by threats Campion is determined to expose the criminal masterminds hiding in this sleepy village      Prince Rupert's Drop Charles GautschiIII,2019-12-20 *Prince Rupert s Drop* book presents a timeless plot An atheist sets out on a journey to disprove God s existence Things don t turn out exactly as planned The book s central character Rupert Austin plays both antagonist and protagonist in equal measure The former as a dark and disturbed boy with no empathy no compassion no love and no guilt for any of it Rupert has only one emotion fear and from there fear s timeless bedfellow hate You see Rupert is a

severely autistic multiple savant He s statistically one out of ten billion since the dawn of man A child that talks at birth won t feed from the breast won t open its eyes covers its ears and lashes out to communicate displeasure because it can t stand the noise of its own voice Such a child would die on its own of starvation be culled as weak or be persecuted as a witch demon But most importantly if the child survived long enough to get the strength Rupert s lot would kill itself Every single time The setting is in the mid twenty first century It s the time of a sweeping American revival called the Wildfire Outside America the world is literally in flames due to massive uprisings of isolated ghettos We follow Rupert through high school He shuns a loving mother and is manipulated by an abusive father He is adopted by a classmate to be protected and tamed She is largely successful until she unwittingly leads Rupert into an exorcism by a spin off Christian cult Rupert almost dies Rupert seeks revenge To get it he will attempt to destroy the thriving mythology of a higher power If you clip the tail the head will die Prince Rupert s drop Rupert seeks out a partner for his proposed crime against humanity Winchester Carnagie II the richest man alive Together they will exploit the world s most powerful computer She s a sentient computer and performs heinous acts to achieve their goal ridding man of God The computer is narcissistic and a sociopath She has even less empathy than Rupert in the beginning But Rupert is asked a curious question during his rampage You a Judas a Saul or a Paul On the road to Damascus This is a story about a doctor healing himself and not knowing it On Rupert s misguided path he s a coconspirator in horrific genocide shameless execution and a general disregard for life That will change Not only will the doctor heal himself he will release a deluge on the world s inferno
