Mikalsen,1998-12-15 This is a study of Northern Norway and Atlantic Canada two regions experiencing a severe crisis due to overexploitation of fisheries resources The work of a group of researchers from Canada Norway and the United States it examines the implications of common market integration privatized resource management and small business development policies for fishery dependent communities in terms of long term sustainability and participatory democracy The book is broken into three sections an examination of the economic and institutional history of the fisheries in Norway and Atlantic Canada a study of the regulatory regimes used in the fisheries of these two regions and an analysis of reactions in three communities two in Canada and one in Norway to the decline and collapse of fish stocks Comparative multidisciplinary and multinational in approach it is a major contribution to the literature on fishing regulations the role of the state and resource development in the North Atlantic **IBSS: Sociology: 1993 Vol 43** International Committee for Social Science Information and Documentation,1994 This bibliography lists the most important works published in sociology in 1993 Renowned for its international coverage and rigorous selection procedures the IBSS provides researchers and librarians with the most comprehensive and scholarly bibliographic service available in the social sciences The IBSS is compiled by the British Library of Political and Economic Science at the London School of Economics one of the world s leading social science institutions Published annually the IBSS is available in four subject areas anthropology economics political science and sociology [Halls for All](#) Louise Beaton,David Clark,2025-03-15 A detailed historical celebration of village halls and the crucial role they play in rural communities *Spiritual Care in Everyday Nursing Practice* Janice Clarke,2013-05-31 As changes in technology policy and management put an increasing emphasis on processes and procedures in nursing and health care how do we continue to make room for compassion the ancient human value that calls most nurses to the profession In *Spiritual Care in Everyday Nursing Practice* Janice Clarke argues that it is compassionate care of the whole person body and soul which is at the heart of nursing practice that values the individual and respects their dignity Rather than seeing spiritual care as an addition to what nurses already do this new approach considers it a natural part of compassionate care which doesn t present the nurse with an extra ambiguous burden to deal with Providing a brief historical introduction to the concept of spirituality Clarke examines the ways in which our spiritual life a source of strength and meaning can be influenced by factors such as age illness and suffering and mental illness as well as

our religious beliefs Providing a practical guide to talking about and working with spirituality she explores how nurses might imbue all their practice including the physical aspects of care from use of touch to helping patients to move bathe and eat with an attention to spiritual needs A timely accessible and practical introduction to a concept that is under explored in contemporary nursing literature this book will be of great value to students and professionals alike *Community Development, Social Action and Social Planning* Alan C. Twelvetrees, 2017-05-12 Now going into its fifth edition Alan Twelvetrees invaluable guide to the theory and practice of community work has been educating students and practitioners alike for over three decades Covering topics such as work with community groups the various dimensions of social action and project planning and how to engage effectively with public bodies this is a truly comprehensive must read for community workers as well as anyone keen to undertake effective work in the community Drawing on the author's wealth of experience and benefiting from the grounded style of writing that has made the previous editions so popular the book considers everyday community work situations to provide readers with a genuine feel for the realities of practice This classic text is essential for anyone studying working or just interested in community work community regeneration and service planning New to this Edition A classic highly regarded textbook substantially updated to reflect new service needs and a tougher economic climate Includes new pedagogic features including chapter overviews practice focus boxes and putting it in to practice features *Young People in Rural Areas of Europe* Birgit Jentsch, 2017-07-05 Despite an EU wide commitment to rural development research has rarely focused on the lives of young people in rural areas their experiences in education and employment their perceptions of policies relevant to them and their possibilities of participation Based on a two year European research project on policies and young people in rural development this edited volume examines these issues and considers young people's experiences of rural life in Austria Finland France Germany Ireland Portugal and Scotland The volume is organized thematically with each chapter addressing a specific topic in one or more countries These topics comprise the attractiveness of rural areas to young people the impact of programmes under the European Employment Guidelines rural youth in local community development and partnerships rural development programmes and their impact on youth integration the role of social networks and the transition from education to employment A number of implications for policy and practice are drawn out in conclusion This book will be of interest to anyone concerned with the future of rural areas and with those who live in the European countryside *Rural Change and Planning* Gordon Cherry, Alan Rogers, 2018-12-07 Originally published in 1996 *Rural Change and Planning* describes the turbulent changes that have occurred in rural England and Wales since the outbreak of the First World War The book describes the changes from an agriculturally dominated countryside to one which has had to increasingly adapt to urban pressures Looking at the changes chronologically the book provides an integrated history of rural planning in the twentieth century and the developments which have taken place within the State which has facilitated those changes The book looks at the social and economic

impacts of two world wars on agricultural communities and the pressures of industry new settlements and the effects of recreation on rural landscapes      Social Work as Community Development Stephen Clarke, 2018-02-06 This title was first published in 2000 The second edition of Social Work as Community Development is thoroughly revised and updated taking into account lessons from community development and international experiences applicable in developed economies The application of system theory to the problems of managing change is the core theme The book will be essential reading for the UK DipSW MScEcon in Applied Social Studies and MScEcon in Community Care Studies as well as for students of community development and social work in the USA Asia and Australia It will also be useful for practitioners and policy makers across social work social welfare and social policy      The Failure of National Rural Policy William Paul Browne, 2001 Modern farm policy emerged in the United States in 1862 leading to an industrialized agriculture that made the farm sector collectively more successful even as many individual farmers failed Ever since a healthy farm economy has been seen as the key to flourishing rural communities and the problems of rural nonfarmers former farmers nonfarm residents and unfarmed regions were ignored by policymakers In The Failure of National Rural Policy William P Browne blends history politics and economics to show that federal government emphasis on farm productivity has failed to meet broader rural needs and actually has increased rural poverty He explains how strong public institutions which developed agrarianism led to narrowed concepts of the public interest Reviewing past efforts to expand farm policy benefits to other rural residents Browne documents the fragmentation of farm policy within the agricultural establishment as farm services grew the evolution of political turf protection and the resultant difficulties of rural advocacy Arguing for an integrated theory of governing institutions and related political interests he maintains that nonfarm rural society can make a realistic claim for public policy assistance Written informally each chapter is followed by comments on the implications of its topics and summaries of key points The book will serve as a stimulating text for students of public policy national affairs rural sociology and community development as well as anyone concerned with the future of agrarian America      **SKILLS IN NEIGHBOURHOOD WORK** Paul Henderson, David N. Thomas, 2005-06-29 Skills in Neighbourhood Work is a practice textbook It explains the skills knowledge and techniques needed by community workers and other practitioners to work effectively in and with communities While the principles and methods it describes have stood the test of time the political economic and social changes which have taken place since the book was first published have made a new edition essential Completely rewritten and updated the third edition retains all the practical information needed by the student or practitioner but sets it in the contemporary context It includes a European perspective and views from America and Australia      International Labour Documentation International Labour Office. Central Library and Documentation Branch, International Labour Office. Central Library and Documentation Bureau, 1995      *A guide to resource materials, for anti-poverty and community groups, on social analysis and linking practice and policy*, 1998      *Resources for Social and Economic Development* Richard J. Estes, 1998 Comprises a

selected bibliography of 1 social work social welfare and social and economic development 2 theoretical traditions models and paradigms in social and economic development and 3 comparative and international policy analysis     *General Technical Report INT. ,1995*     **User's Guide to Fish Habitat** C. Kerry Overton,1995 This user s guide and reference document describes the physical features of the Salmon River Basin Idaho stream channels that represent natural conditions for fish habitat that is streams that have not been influenced by major human disturbances The data base was created to assist biologists and resource managers It describes resource conditions that can be achieved through management objectives

Rural Action A Collection Of Community Work Case Studies: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels enthraling the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the captivating narratives that have enthralled audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Rural Action A Collection Of Community Work Case Studies : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Rural Action A Collection Of Community Work Case Studies : Delia Owens' "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and suspenseful novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
