Rural Texas Sayings Ralph Cain, Robbie Prather, 2001-07 The independent reviews of the book are all good or excellent so far since Jan 14 to June 18 2009 The readers and reviewers really liked it a lot The first 40 pages are stories about my life growing to manhood It was a very exciting one and written in a fun way Then I tell about my experiences with politics service Abbie Hoffman and the civic groups James Hoffa plus a myriad of others who you probably heard of yourself Every word in this book is true and I have over 2 000 newspaper clippings and pictures to back that up Even the Second world war was written up less in the local papers and including the Phila Inquirer and New York Times papers The clippings are mostly from the mid 1970 s and 1980 s when I was leading Bucks and Montgomery Counties in Pa to develop a safer system of Public Drinking Water than the contaminated water we were getting from Philadelphia This became a very controversial project with 100 s of protestors at the pump site daily for over 10 years Politicians pro and con became involved and many people went to jail You will learn important info about your own water no matter where you live in this nation Are we dying off younger because of our water I think so The book is interesting and enjoyable to read and you will learn a lot that you didn't know This is enjoyable reading at its best To see more about this book including the inside cover go to www.raflow.com
