[Girls on the Verge](#) Vendela Vida, 2025-06-25 In a fascinating look at how young women are coming of age in America, Vendela Vida's *Girls on the Verge* explores a variety of rituals that girls have adapted or created in order to leave their childhoods behind. Vida doesn't just observe the rituals; she actively participates in them, going as far as spending a week at UCLA to experience rush, she emerges a Tri Delt. She also goes to Miami to learn about the quince, the Latin American celebration of a girl's fifteenth birthday, to Houston to take part in a debutante ball, to Los Angeles and San Francisco to talk to female gang members, to Salem, Massachusetts to interview a coven of witches, and to Las Vegas to watch young brides take the plunge, some of them in drive-through wedding chapels. With humor, insight, and illuminating detail, she explores girls' struggles to forge an identity and secure a sense of belonging through various rituals, rituals that they embrace without necessarily understanding the comforts they seek or the repercussions of their often all-too-adult choices.
