Julia Fairfax isn't quite herself today. It's not like her to quit her job just because she was passed over for a promotion. Or to call off her engagement just because her fiancé is a bore. And it's certainly not like her to pack her bags, sublet her house, board a rattletrap hotel boat, and pass herself off as a gourmet cook. It's just not like Julia to be so recklessly and delightfully in control. And she's loving every minute of it. But Julia's new life soon gets anchored with familiar baggage like an old boyfriend, a meddling mother, and a spurned fiancé, all bursting with unsolicited advice. Now Julia's got a surprise in store for all of them. Somewhere between dry dock and a bargeful of hot-tempered tourists, between old friends and new lovers, she's determined to turn a season adrift into the summer of a lifetime. **Reform Cookery Book** Mrs. Mill, 2023-08-12. In *Reform Cookery Book*, Mrs. Mill offers a groundbreaking exploration of culinary practices aimed at an audience keen on health and economical cooking during the 19th century. The book stands out for its meticulous attention to reformist principles, intertwining a clear prose style with practical recipes that reflect the health trends of the time, promoting vegetarianism and moderation in diet. She presents cooking not merely as an art but as a science, laying the groundwork for later movements in nutrition. The work resonates within the broader context of the domestic reform literature that sought to redefine women's roles through the lens of domestic science. Mrs. Mill, an influential figure in the reform movement, was deeply motivated by social issues, particularly the health and well-being of families in Victorian society. Her background in the burgeoning field of dietetics and her own experiences with dietary restrictions invigorated her writing. She was a pioneer for women's

empowerment through education and cooking establishing her authority as both a domestic expert and a social reformer This book is essential for readers interested in historical culinary practices or the origins of dietary reform It offers not only practical guidance but also insightful commentary into a transformative period of social change Reform Cookery Book is an invaluable resource for anyone passionate about the intersections of food health and societal progress **Miss Cameron's Cookery Book** Ida Cameron, 1898
