Michael Jabara Carley

Russia And Italy Against Hitler The Bolshevik Fascist Rapprochement Of The 1930s:

Russia and Italy against Hitler Joseph Calvitt Clarke,1991 **Russia and Italy Against Hitler** J. Calvit Clarke,1991-02-28 Clarke tackles an untouchable part of pre World War II historiography the complex web of ideology economics military cooperation and diplomacy binding Italy and the USSR prior to 1935 While explaining the contradictory cooperation of these two ideologies Clarke s study takes on greater significance against the larger world canvas It becomes a valuable avenue to understanding interwar diplomacy and the Soviet Union Clarke s research comes from the Italian Foreign Ministry Archives 1924 1941 This unique Italian perspective sheds new light on Stalin s Russia and Mussolini s Italy

Fascist Italy and the Middle East, 1933-40 N. Arielli,2010-06-09 An examination of why and how Fascist Italy sought to increase its influence in the Middle East and why Italian efforts ultimately failed Offering fresh insights into Fascist Italy s foreign and colonial policies this book makes an important contribution to the complex history of relations between Europe and the Arab world Russia in the Age of Wars, 1914-1945 Silvio Pons,Andrea Romano,2000 **German Diplomatic Relations 1871-1945** William Young,2006 Examines the continuity of German Foreign Office influence in the formulation of foreign policy under the leadership of Otto von Bismarck 1862 1890 Kaiser William II 1888 1918 the Weimar Republic 1919 1933 and Adolf Hitler 1933 1945 *Stalin, Japan, and the Struggle for Supremacy over China, 1894-1945* Hiroaki Kuromiya,2022-12-27 Stalin was a master of deception disinformation and camouflage by means of which he gained supremacy over China and defeated imperialism on Chinese soil This book examines Stalin s covert operations in his hunt for supremacy By the late 1920s Britain had ceded place to Japan as Stalin s main enemy in Asia By seducing Japan deeply into China Stalin successfully turned Japan s aggression into a weapon of its own destruction The book examines Stalin s covert operations from the murder of the Manchurian warlord Zhang Zuolin in 1928 and the publication of the forged Tanaka Memorial in 1929 to Stalin s hidden role in Japan s invasion of Manchuria in 1931 the outbreak of all out war between China and Japan in 1937 and Japan s defeat in 1945 In the shadow of these and other events we find Stalin and his secret operatives including many Chinese and Japanese collaborators most notably Zhang Xueliang and K moto Daisaku the self professed assassin of Zhang Zuolin The book challenges accounts of the turbulent history of inter war East Asia that have ignored or minimized Stalin s presence and instead exposes and analyzes Stalin s secret modus operandi modernized as hybrid war in today s Russia The book is essential for students and specialists of Stalin China the Soviet Union Japan and East Asia **Mussolini and the Eclipse of Italian Fascism** R. J. B. Bosworth,2021-03-02 An incisive account of how Mussolini pioneered populism in reaction to Hitler s rise and thereby reinforced his role as a model for later authoritarian leaders On the tenth anniversary of his rise to power in 1932 Benito Mussolini 1883 1945 seemed to many the good dictator He was the first totalitarian and the first fascist in modern Europe But a year later Hitler s entrance onto the political stage signaled a German takeover of the fascist ideology In this definitive account eminent historian R J B Bosworth charts

Mussolini's leadership in reaction to Hitler Bosworth shows how Italy's decline in ideological pre-eminence as well as in military and diplomatic power led Mussolini to pursue a more populist approach angry and bellicose words at home violent aggression abroad and a more extreme emphasis on charisma In his embittered efforts to bolster an increasingly hollow and ruthless regime it was Mussolini rather than Hitler who offered the model for all subsequent authoritarians *The Soviet Union and the Origins of the Second World War* Geoffrey C. Roberts, 1995-08-07 Historians have heatedly debated the Soviet role in the origins of the Second World War for more than 50 years At the centre of these controversies stands the question of Soviet relations with Nazi Germany and the Stalin Hitler pact of 1939 Drawing on a wealth of new material from the Soviet Archives this detailed and original study analyses Moscow's response to the rise of Hitler explains the origins of the Nazi Soviet pact and charts the road to Operation Barbarossa and the disaster of the surprise German attack on the USSR in June 1941

The Rebirth of Italian Communism, 1943-44 David Broder, 2021-10-13 During the final years of the Second World War a decisive change took place in the Italian left as the Italian Communist Party PCI rose from clandestinity and recast itself as a mass patriotic force committed to building a new democracy This book explains how this new party came into being Using Rome as its focus it explains that the rebirth of the PCI required that it subdue other dissident strands of communist thinking During the nine month German occupation of Rome in 1943-44 dissident communists would create the capital's largest single resistance formation the Communist Movement of Italy MCdI which galvanised a social revolt in the capital's borgate slums Exploring this wartime battle to define the rebirth of Italian communism the author examines the ways in which a militant minority of communists rooted their activity in the everyday lives of the population under occupation In particular this study focuses on the role of draft resistance and the revolt against labour conscription in driving recruitment to partisan bands and how communist militants sought to mould these recruits through an active effort of political education Studying the political writing of these dissidents their autodidact Marxism and the social conditions in which it emerged this book also sheds light on an often ignored underground culture in the years that preceded the armed resistance that began in September 1943 Revealing an almost unknown history of dissident communism in Italy outside of more recognisable traditions like Trotskyism or Bordighism this book provides an innovative perspective on Italian history It will be of interest to those researching the broad topics of political and social history but more specifically resistance in the Second World War and the post war European left

Mussolini's War John Gooch, 2020-12-01 A remarkable new history evoking the centrality of Italy to World War II outlining the brief rise and triumph of the Fascists followed by the disastrous fall of the Italian military campaign While staying closely aligned with Hitler Mussolini remained carefully neutral until the summer of 1940 At that moment with the wholly unexpected and sudden collapse of the French and British armies Mussolini declared war on the Allies in the hope of making territorial gains in southern France and Africa This decision proved a horrifying miscalculation dooming Italy to its own prolonged and unwinnable war immense casualties and an Allied invasion

in 1943 that ushered in a terrible new era for the country John Gooch's new history is the definitive account of Italy's war experience Beginning with the invasion of Abyssinia and ending with Mussolini's arrest Gooch brilliantly portrays the nightmare of a country with too small an industrial sector too incompetent a leadership and too many fronts on which to fight Everywhere whether in the USSR the Western Desert or the Balkans Italian troops found themselves against either better equipped or more motivated enemies The result was a war entirely at odds with the dreams of pre war Italian planners a series of desperate improvisations against an allied force who could draw on global resources and against whom Italy proved helpless

A History of Fascism, 1914-1945 Stanley G. Payne, 1996-01-01 A History of Fascism is an invaluable sourcebook offering a rare combination of detailed information and thoughtful analysis It is a masterpiece of comparative history for the comparisons enhance our understanding of each part of the whole The term fascist used so freely these days as a pejorative epithet that has nearly lost its meaning is precisely defined carefully applied and skillfully explained The analysis effectively restores the dimension of evil Susan Zuccotti The Nation A magisterial wholly accessible engaging study Payne defines fascism as a form of ultranationalism espousing a myth of national rebirth and marked by extreme elitism mobilization of the masses exaltation of hierarchy and subordination oppression of women and an embrace of violence and war as virtues Publishers Weekly

War Through Italian Eyes Alexander Henry, 2021-07-18 There is a popular notion that the Italian armed forces of the Second World War were an inferior fighting force Despite the vast numbers taken prisoner detailed studies of the experiences of these soldiers remain relatively uncommon and the value of this group to furthering our understanding of the Italian experience of war under Fascism is also rarely acknowledged The existence in the National Archives of hundreds of pages of transcripts of covert British surveillance of Italian POWs has made it possible to engage with their experiences and opinions in much greater depth The euphemistically termed Special Reports present historians with a unique insight into how all levels of Italian soldiery viewed Fascist Italy's experience of war 1940-1943 This book examines reactions to Italian political leadership the progress of the war as well as Italian soldiers everyday views on sex war the enemy death food their allies bravery race and killing These fascinating documents reveal the complexity of the outlook of these men which persistent and influential national stereotypes and historiographical trends fail to acknowledge

Hitler's Crusade Lorna Waddington, 2007-10-24 In the early hours of 22 June 1941 units of the Wehrmacht began to pour into the Soviet Union They were embarking on an undertaking long planned by Adolf Hitler Since the 1920s National Socialist doctrine had largely been determined by an intense hatred and hostility towards not only the Jews but also towards Bolshevism This ideology Lorna Waddington argues had been identified by Hitler and his acolytes as the political poison concocted by the Jews in an attempt to impose as he saw it their own tyrannical domination across the globe This impressively researched book provides a sustained and detailed analysis of this crucial dimension to Hitler's Weltanschauung exploring several new avenues including the little known activities of the Antikomintern as well as offering fresh

interpretations and new insights on well documented events Engaging a wide range of archival sources and supported by a voluminous secondary literature Waddington charts the origins and development of Hitler s crusade against international Bolshevism from his earliest political activities until deep into the Second World War Focussing on the function of anti Bolshevism in Nazi ideology foreign policy and external propaganda Waddington traces the links inferred by Hitler between the purported forces of World Jewry and revolutionary socialism She explains why by the mid 1920s anti Bolshevism had become a central tenet of Nazi ideology and examines the nature and function of anti Bolshevism as manifested in German external propaganda We discover how despite the shifting sands of international diplomacy Hitler s foreign policy throughout the 1930s and early 1940s remained firmly fixed on the eventual destruction and spoliation of the USSR the avowed ideological enemy and the epicentre of supposed Jewish Bolshevism Hitler s Crusade provides the definitive analysis of Hitler s attitude towards Bolshevism the destruction of which he was still describing in early 1945 as the *raison d tre* of the Nazi movement

A History Of Russia Volume 2 Walter G. Moss,2004-10-01 Moss has significantly revised his text and bibliography in this second edition to reflect new research findings and controversies on numerous subjects He has also brought the history up to date by revising the post Soviet material which now covers events from the end of 1991 up to the present day This new edition retains the features of the successful first edition that have made it a popular choice in universities and colleges throughout the US Canada and around the world

Stalin's Gamble Michael Jabara Carley,2023-07-26 Shedding light on the origins of the Second World War in Europe Stalin s Gamble aims to create a historical narrative of the relations of the USSR with Britain France the United States Poland Germany Italy Czechoslovakia and Romania during the 1930s The book explores the Soviet Union s efforts to organize a defensive alliance against Nazi Germany in effect rebuilding the anti German Entente of the First World War Drawing on extensive research in Soviet as well as Western archives Michael Jabara Carley offers an in depth account of the diplomatic manoeuvrings which surrounded the rise of Hitler and Soviet efforts to construct an alliance against future German aggression Paying close attention to the beliefs and interactions of senior politicians and diplomats the book seeks to replace one sided Western histories with records from both sides The book also offers an inside look at Soviet foreign policy making with a focus on Stalin as a foreign policy maker as well as nd his interactions with his colleagues Told in a fascinating narrative style Stalin s Gamble attempts to see the European crisis of the 1930s through Soviet eyes

Collision of Empires G. Bruce Strang,2016-05-23 Italy s invasion of Ethiopia in 1935 marked a turning point in interwar Europe The last great European colonial conquest in Africa the conflict represented an enormous gamble for the Fascist dictator Benito Mussolini He faced a challenge not only from a stout Ethiopian defence but also from difficult logistics made worse by the League of Nations half hearted sanctions Mussolini faced down this opposition and Italian troops aided by air superiority and liberal use of yprite gas conquered Addis Ababa within eight months a victory that shocked many military observers of the time with its speed and suddenness The

invasion had enormous repercussions on European international relations In the midst of a national election campaign the British National Government had felt constrained to support the League despite fears that sanctions through the League could lead to war with Italy The concentration of the Royal Navy in the Mediterranean Sea alienated Mussolini and placed the French government on the horns of dilemma should France support its military partner Italy or its more important potential ally Great Britain French attempts to mark out a middle ground did little to placate the Duce and the crisis seemed to develop a deep rift between Fascist Italy and the Anglo French democracies while at the same time creating a crisis in Anglo French relations Mussolini turned towards Nazi Germany in an attempt to end his diplomatic isolation during the sanctions episode although Hitler considered the Duce s friendship a mixed blessing The question of American adherence to sanctions increased ill will between British politicians and the Roosevelt administration in Washington as each tended to blame the other for the failure of oil sanctions and the collapse of collective security The international crisis posed similarly thorny problems for the smaller powers of Europe and for Japan and the Soviet Union The crisis impeded common defence against Fascist expansionism while giving impetus to claims of the revisionist powers Despite the tremendous importance of the international crisis however little new work on the subject has appeared in recent decades In this volume an international cast of contributors take a fresh look at the crisis through the lens of new evidence and new approaches to international relations history to provide the most comprehensive coverage of the crisis currently possible and their work provides new frames of reference for exploring imperialism collective security and genocide

Spain in International Context, 1936-1959 Christian Leitz, David Dunthorn, 1999-09-01 This collection of articles covers a crucial period of Spain s history from the rise of Franco to the crucial Stabilization Plan of 1959 Separated into four chronologically divided sections it focuses largely on the international reactions to and the involvement of other powers in the Spanish Civil War including an examination of French and British reactions to the situation in Spain and Soviet German and Italian involvement and the period of the Second World War with a particular focus on Spain s relations to the Axis and Vichy France especially during the period of 1940-41 when a Spanish entry in to the war was most likely The fate of the Spanish refugees and exiles in Britain and France is also highlighted as is Spain s international position in the aftermath of the Second World War and particularly the attitude of the former Allies Britain France the Soviet Union and the USA The volume ends with Spain s response to the unfolding economic co operation and integration in Western Europe

Our Man in Berlin G. Johnson, 2008-01-17 Sir Eric Phipps was British ambassador to Berlin during the crucial period between Hitler s decision to withdraw Germany from the League of Nations to his decision to become involved in the Spanish Civil War His diary offers a unique and often witty evaluation of Hitler and other leading Nazis and their domestic and foreign policies from 1933-1937 The diary entries are supplemented by linking contextual text as well as short biographies of key figures and suggested additional reading

Origins of the Second World War Reconsidered Gordon Martel, 2002-02-07 When A J P Taylor s The

Origins of the Second World War appeared in 1961 it made a profound impact The book became a classic and a central point of reference in all discussion on the Second World War The second edition of this distinguished collection written by leading experts in the field is designed to bring the state of the argument up to date The issues discussed include the legacy of the Treaty of Versailles Hitlers foreign policy Appeasement AJP Taylor and the Russians the treatment of the crises leading up to war including the Anschluss Danzig Abyssinian crises and the Spanish Civil War This second edition will ensure that The Origins of the Second World War will remain a high priority student and scholarly reading lists

The Communist Party of Ireland 1921 - 2011 Matt Treacy, 2012 This book is based on an exhaustive survey of available sources including the Communist Party of Ireland s own recently released archive Treacy who is the author of an authoritative book on the IRA in the 1950s and 1960s explores the history of Irish Communism for the light of the new evidence and with particular emphasis on the relationship between the Irish Communists and the IRA

Russia And Italy Against Hitler The Bolshevik Fascist Rapprochement Of The 1930s Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Russia And Italy Against Hitler The Bolshevik Fascist Rapprochement Of The 1930s free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF

files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Russia And Italy Against Hitler The Bolshevik Fascist Rapprochement Of The 1930s free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Russia And Italy Against Hitler The Bolshevik Fascist Rapprochement Of The 1930s free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Russia And Italy Against Hitler The Bolshevik Fascist Rapprochement Of The 1930s. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Russia And Italy Against Hitler The Bolshevik Fascist Rapprochement Of The 1930s any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Russia And Italy Against Hitler The Bolshevik Fascist Rapprochement Of The 1930s Books

1. Where can I buy Russia And Italy Against Hitler The Bolshevik Fascist Rapprochement Of The 1930s books?
Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
