Selected Operas and Plays of Gertrude Stein Gertrude Stein, 1970 Examines selected operas and plays from Gertrude Stein **Selected Operas & Plays of Gertrude Stein** Gertrude Stein, 1993 **Modernism and Opera** Richard Begam, Matthew Wilson Smith, 2016-11 A B C D E F G H I J K L M N O P Q R S T U V W X Y Z Around the World in 21 Plays Lowell Swortzell, 2000-02-01 A collection of plays by such authors as Moliere August Strindberg Langston Hughes Susan Zeder Wendy Kesselman and Laurence Yep *Last Operas and Plays* Gertrude Stein, 1995-05-22 When I see a thing it is not a play for me but when I write something that somebody else can see then it is a play for me Gertrude Stein In the more than seventy five plays Gertrude Stein wrote between 1913 and 1946 she envisioned a new dramaturgy beginning with her pictorial conception of a play as a landscape She drew into her plays the daily flow of life around her including the natural world and turned cities villages parts of the dramatic structure and even her own friends into characters She made punctuation and typography part of her compositional style and chose words for their joyful impact as sound and wordplay For Stein the writing process itself was always important in developing the continuous present at the heart of her work Long out of print *Last Opera and Plays* again makes available many of Stein's most important and most produced works As a special feature it also included her thought provoking essay *Plays* in which she reflects on the experience in the theater of seeing and hearing and on emotion and time Now nearly a half century after her death writes Bonnie Marranca in her introduction it is indisputable that Gertrude Stein is the great American modernist mind No American author has been more influential for more generations of artists in the worlds of theater dance music poetry painting and fiction **Chicorel Theater Index to Plays in Anthologies, Periodicals, Discs, and Tapes** Marietta Chicorel, 1971 *The Routledge Encyclopedia of Jewish Writers of the Twentieth Century* Sorrel Kerbel, 2004-11-23 Now available in paperback for the first time *Jewish Writers of the Twentieth Century* is both a comprehensive reference resource and a springboard for further study This volume examines canonical Jewish writers less well known authors of Yiddish and Hebrew and emerging Israeli writers includes entries on figures as diverse as Marcel Proust Franz Kafka Tristan Tzara Eugene Ionesco Harold Pinter Tom Stoppard Arthur Miller Saul Bellow Nadine Gordimer and Woody Allen contains introductory essays on Jewish American writing Holocaust literature and memoirs Yiddish writing and Anglo Jewish literature provides a chronology of twentieth century Jewish writers Compiled by expert contributors this book contains over 330 entries on individual authors each consisting of a biography a list of selected publications a scholarly essay on their work and suggestions for further reading Encyclopedia of American Opera Ken Wlaschin, 2024-10-16 This encyclopedia lists describes and cross references everything to do with American opera works both operas and operettas composers librettists singers and source authors along with relevant recordings The approximately 1 750 entries range from ballad operas and composers of the 18th century to modern minimalists and video opera artists Each opera entry consists of plot history premiere and cast followed by a

Dydo, William Rice, 2008-12-19 The definitive book on Gertrude Stein **Opera Production II** Quaintance Eaton, 2009-06 Opera Production II was first published in 1974 Minnesota Archive Editions uses digital technology to make long unavailable books once again accessible and are published unaltered from the original University of Minnesota Press editions For the world of opera this is an indispensable basic reference work which provides essential information about more than 350 operas Producers singers directors students orchestras and audiences will find useful concise information in this handbook a sequel to the author's earlier book Opera Production I A Handbook which contains similar information about more than 500 other operas While the first volume concentrates on more familiar operas this book is devoted principally to lesser known works both old and new including many as yet unperformed contemporary operas The details given about each opera are those needed to assess the production requirements for a given work the number and importance of settings size of orchestra chorus and ballet number of singers their relative importance and individual requirements vocal and acting demands of performers including vocal ranges in most cases plot synopsis and brief historical material to anchor the reader in the necessary knowledge of the period and source of the libretto The information is compressed into capsule form so that anyone using the book can tell at a glance the suitability of a work to the particular facilities talents or tastes of an opera company or its public In addition to the reference material there is a chapter Production Problems in Handel's Opera by Randolph Mickelson a helpful feature since nine of Handel's operas are included and they are apt to pose special production problems The Mind of the Novel Bruce F. Kavin, 2006 From Moby Dick to The Unnamable from A Tale of a Tub to The Book of Questions Bruce Kavin explores the nature of self-conscious fiction and compares its structure to that of human consciousness Focusing on texts that confront their own limits by trying to name the unnamable the ineffable self Kavin draws on methods from literary criticism to systems theory to explain a variety of first person works that dance around the ungraspable subject A Critical Introduction to Twentieth-Century American Drama: Volume 1, 1900-1940 C. W. E. Bigsby, 1982-07-29 Eugene O'Neill Clifford Odets Left wing theatre Black drama Thornton Wilder Lillian Hellman Luigi Pirandello Arthur Miller *Narratives of Nostalgia, Gender, and Nationalism* Jean Pickering, Suzanne Kehde, 1996 Most Americans think of Betsy Ross as she was depicted in Charles Weisberger's popular painting The Birth of Our Nation's Flag a motherly figure sewing at the hearth In fact as Jo Ann Menezes's analysis in Nostalgia Gender and Nationalism points out Ross was a widowed businesswoman who ran an upholstery shop out of her house In Weisberger's painting all signs of economic industry are erased and Ross's house is transformed into a home rather than the site of cottage industry Ross is constructed as the perfect heroic mother worthy of sacred creation thus our flag was born Ross's transformation into an icon neatly illustrates the conjunction of soaring nationalism and the establishment of woman as a fixed domestic presence and serves as an excellent example of the master narratives revealed in Nostalgia

Gender and Nationalism The essays in this provocative anthology explore the connections between nation and gender and the ways in which nostalgia functions to bind these two presumably unrelated constructions together Collectively they suggest that women pay a special fee on behalf of the nation even though it is traditionally represented as an honorarium given to them and that in fact the nation state takes as a foundational principle the subordination of women **Gertrude Stein's Theatre** Mary Irwin Bainum,1981 **A Concise Companion to Postwar American Literature and Culture** Josephine Hendin,2008-04-15 This Concise Companion is a guide to the creative output of the United States in the postwar period in its diverse energies shapes and forms Embraces diversity covering Vietnam literature gay and lesbian literature American Jewish fiction Italian American literature Irish American writing emergent ethnic literatures African American writing jazz film drama and more Shows how different genres and approaches opened up creative possibilities and interacted in the postwar period Portrays the postwar United States split by differences of wealth and position by ethnicity and race and by agendas of left and right but united in the intensity of its creative drive **Stories** Doris Lessing,2010-02-10 This major collection contains all of Doris Lessing s short fiction other than the stories set in Africa from the beginning of her career until now Set in London Paris the south of France the English countryside these thirty five stories reflect the themes that have always characterized Lessing s work the bedrock realities of marriage and other relationships between men and women the crisis of the individual whose very psyche is threatened by a society unattuned to its own most dangerous qualities the fate of women **Mama Dada** Sarah Bay-Cheng,2004-06-01 Mama Dada is the first book to examine Gertrude Stein s drama within the history of the theatrical and cinematic avant gardes Since the publication of Stein s major writings by the Library of America in 1998 interest in her dramatic writing has escalated particularly in American avant garde theaters This book addresses the growing interest in Stein s theater by offering the first detailed analyses of her major plays and by considering them within a larger history of avant garde performance In addition to comparing Stein s plays and theories to those generated by Dadaists Surrealists and Futurists this study further explores the uniqueness of Stein via these theatrical movements including discussions of her interest in American life and drama which argues that a significant and heretofore unrecognized relationship exists among the histories of avant garde drama cinema and homosexuality By examining and explaining the relationship among these three histories the dramatic writings of Stein can best be understood not only as examples of literary modernism but also as influential dramatic works that have had a lasting effect on the American theatrical avant Narratives of Nostalgia, Gender and Nationalism Suzanne Kehde,Jean Pickering,1996-12-20 Using texts ranging from the writings of Schlegel to the speeches of the fiftieth anniversary commemoration of D Day these essays explore the ways in which nostalgia brokers the relations between the master narratives of gender and the master narratives of nationalism Although such narratives seem to present nation as an unchanging essence these essays all deal with texts that on analysis show nationalism in an evolving response to developments both political and cultural that destabilize the

idea of nation **Making Noise, Making News** Mary Chapman, 2014 For most people the U S suffrage campaign is encapsulated by images of iconic nineteenth century orators like the tightly coifed Susan B Anthony or the wimpled Elizabeth Cady Stanton However as Mary Chapman shows the campaign to secure the vote for U S women was also a modern and print cultural phenomenon waged with humor creativity and style Making Noise Making News also understands modern suffragist print culture as a demonstrable link between the Progressive Era s political campaign for a voice in the public sphere and Modernism s aesthetic efforts to re imagine literary voice Chapman charts a relationship between modern suffragist print cultural noise and what literary modernists understood by making it new asserting that the experimental tactics of U S suffrage print culture contributed to and even anticipated the formal innovations of U S literary modernism Drawing on little known archives and featuring over twenty illustrations Making Noise Making News provides startling documentation of Marianne Moore s closeted career as a suffrage propagandist the persuasive effects of Alice Duer Miller s popular poetry column Asian American author Sui Sin Far s challenge to the racism and classism of modern suffragism and Gertrude Stein s midcentury acknowledgement of intersections between suffrage discourse and literary modernism
