

Evening

Here in the wax of memory
truth holds forever
a shape, a voice,
an unbleak wisdom,
and a warm earth.

Frozen on last images
of coming, of going,
the new moon emerges
out of the old

But the deep sea tells me of miles and miles.

popular and influential writing on political and economic issues led to fame across Europe and America in the 1830s The first

figures such as these reverberate even today She was truly a woman ahead of her time **Selected Poems** Rosemary
Thomas,1968 *Cold War Poetry* Edward Brunner,2001 Mainstream American poetry of the 1950s has long been dismissed
as deliberately indifferent to its cultural circumstances In this penetrating study Edward Brunner breaks the placid surface of
the hollow decade to reveal a poetry sharply responsive to issues of its time Cold War Poetry considers the fifties poem as
part of a dual cultural project as proof of the competency of the newly professionalized poet and as a user friendly way of
initiating a newly educated upwardly mobile postwar audience into high culture Brunner revisits Richard Wilbur Randall
Jarrell and other acknowledged leaders of the period as well as neglected writers such as Rosalie Moore V R Lang Katherine
Hoskins Melvin B Tolson and Hyam Plutzik He also examines the one sided authority of the male dominated book review
process the ostracizing of female and minority poets poetic fads such as the ubiquitous sestina and the power of the
classroom anthology to establish criteria for reading Attributing the gradual change in poetic style during the 1950s to the
slow collapse of the authority of the state Brunner shows how a secretive anxious poetics developed in the shadow of a
disabled government He recontextualizes the much maligned domestic verse of the 1950s reading its shift toward the private
sphere and the recurrent image of the child as a reflection of the powerlessness of the post nuclear citizen Through a close
examination of poetry written about the Bomb he delineates how poets registered their growing sense of cosmic disorder in
coded language resorting to subterfuge to continue their critique in the face of sanctions levied against those who questioned
government policies Brilliantly decoding the politics embedded in the poetry of an ostensibly apolitical time Cold War Poetry
provides a powerful rereading of a pivotal decade **The Publishers' Trade List Annual** ,1905 Catalog of Copyright
