Selected Letters of William Allen White. 1899-1943 William Allen White. 1968 Selected Letters of William Allen White Selected Letters of William Allen White 1899 1943 Winthrop Professor of History and 1899-1943 Walter Johnson, 1947 Professor of African and African American Studies Walter Johnson, 2016-05-06 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping William Allen White Jack Wayne Traylor, 2019-02-12 Once upon a time William Allen this knowledge alive and relevant White of Emporia Kansas was a household name in America An acquaintance of every twentieth century president from Theodore Roosevelt to Franklin Roosevelt he held a close friendship with the former and generally was an admirer of the latter White allied himself with the Progressive movement early in the twentieth century originally from the influence of T R but also from others such as Woodrow Wilson The author of numerous books both fiction and non fiction and an important political advisor within the Republican party although he traveled and spoke often both in the United States and sometimes abroad White nevertheless was most proud of the fact that he was a small town newspaper editor in Emporia until his death there in 1944 He was an important supporter of middle class and middle western values but a close examination of his writings from the end of World War I until 1944 shows that he was most concerned about support for democracy which he defined as Christianity institutionalized This came at a time when democratic principles were coming under scrutiny or outright attack both at home and abroad Politically he always sought to promote the moderate course attempting to bring both major parties together in a common ground Even though he is not widely known today perhaps his message has a significant value to twenty first century America <u>Letters of the Century</u> Lisa Grunwald, Stephen J. Adler, 2008-04-08 Immediate and evocative letters witness and fasten history catching events as they happen write Lisa Grunwald and Stephen J Adler in their introduction to this remarkable book In more than 400 letters from both famous figures and ordinary citizens Letters of the Century encapsulates the people and places events and trends that shaped our nation during the last 100 years Here is Mark Twain's hilarious letter of complaint to the head of Western Union an ecstatic letter from a young Charlie Chaplin upon receiving his first movie contract Einstein's letter to Franklin Roosevelt warning about atomic warfare Mark

Rudd's generation gap letter to the president of Columbia University during the student riots of the 60s and a letter from young Bill Gates imploring hobbyists not to share software so that innovators can make some money In these pages our century s most celebrated figures become everyday people and everyday people become part of history. Here is a veteran s wrenching letter left at the Vietnam Wall a poignant correspondence between two women trying to become mothers a heart breaking letter from an AIDS sufferer telling his parents how he wants to be buried an indignant e mail from a PC user to his on line server Letters write Grunwald and Adler give history a voice Arranged chronologically by decade illustrated with over 100 photographs Letters of the Century creates an extraordinary chronicle of our history through the voices of the men and women who have lived its greatest moments William Allen White E. Jay Jernigan, 1983 **Dictionary of Midwestern Literature, Volume 1** Philip A. Greasley, 2001-05-30 The Dictionary of Midwestern Literature Volume One surveys the lives and writings of nearly 400 Midwestern authors and identifies some of the most important criticism of their writings The Dictionary is based on the belief that the literature of any region simultaneously captures the experience and influences the worldview of its people reflecting as well as shaping the evolving sense of individual and collective identity meaning and values Volume One presents individual lives and literary orientations and offers a broad survey of the Midwestern experience as expressed by its many diverse peoples over time Philip A Greasley's introduction fills in background information and describes the philosophy focus methodology content and layout of entries as well as criteria for their inclusion An extended lead essay The Origins and Development of the Literature of the Midwest by David D Anderson provides a historical cultural and literary context in which the lives and writings of individual authors can be considered. This volume is the first of an ambitious three volume series sponsored by the Society for the Study of Midwestern Literature and created by its members Volume Two will provide similar coverage of non author entries such as sites centers movements influences themes and genres Volume Three will be a literary history of the Midwest One goal of the series is to build understanding of the nature importance and influence of Midwestern writers and literature Another is to provide information on writers from the early years of the Midwestern experience as well as those now emerging who are typically absent from existing reference works

"Too Good a Town" Edward G. Agran,1999-07-01 For fifty years William Allen White first as a reporter and later as the long time editor of the Emporia Gazette wrote of his small town and its Mid American values By tailoring his writing to the emerging urban middle class of the early twentieth century he won his gospel of Emporia a nationwide audience and left a lasting impact on he way America defines itself Investigating White s life and his extensive writings Edward Gale Agran explores the dynamic thought of one of America s best read and most respected social commentators Agran shows clearly how White honed his style and transformed the myth of conquering the western frontier into what became the twentieth century ideal of community building Once a confidente of and advisor to Theodore Roosevelt White addressed and reflected in his work all the great social and political oscillations of his time urbanization and industrialism populism and

progressivism isolationism internationalism Prohibition and New Deal reform Again and again he asked the question What s the matter about his times and townspeople then found the middle ground With great care and discernment Agran gathers the man strains of White s messages demonstrating one writer s pivotal contribution to our idea of what it means to be an American A Bibliography of William Allen White Kansas State Teachers College of Emporia, 1969 This bibliography was prepared and published by the Kansas State Teachers College Emporia Kansas in recognition of the 1968 centennial anniversary of the birth of William Allen White the late editor of The Emporia Gazette It is a listing of all manuscripts and articles by or about Mr White that are preserved in the White Collection in the William Allen White Library on the college campus Warren G. Harding John W. Dean, 2004-01-07 In this wise and compelling biography Dean no stranger to controversy himself recovers the truths and explodes the myths surrounding the 29th president s tarnished legacy

ANNUAL BIBLIOGRAPHY OF ENGLISH LANGUAGE AND LITERATURE. VOL. XXVII. 1947. South, 1877-1913 C. Vann Woodward, 1981-08-01 Winner of the Bancroft Prize After more than two decades Origins of the New South is still recognized both as a classic in regional historiography and as the most perceptive account yet written on the period which spawned the New South Historian Sheldon Hackney recently summed it up this way The pyramid still stands Origins of the New South has survived relatively untarnished through twenty years of productive scholarship including the eras of consensus and of the new radicalism Woodward recognizes both the likelihood of failure and the necessity of struggle It is this profound ambiguity which makes his work so interesting Like the myth of Sisyphus Origins of the New South still speaks to our condition This enlarged edition contains a new preface by the author and a critical essay on recent works by Charles B Dew Defender of the Faith Lawrence W. Levine, 1987 Defender of the Faith offers a reinterpretation of William Jennings Bryan in his last years as an unchanging Progressive whose roots were deeply embedded in agrarian populism It changes the standard picture of Bryan in his final years as that of a crusader for social and economic reform sadly transformed into a reactionary champion of anachronistic rural evangelism cheap moralistic panaceas and Florida real estate He pleaded for for progressive labor laws liberal taxes government aid to farmers public ownership of railroads telegraphs and telephones federal development of water resources minimum wages for labor and other advanced The Perils of Prosperity, 1914-1932 William E. Leuchtenburg, 1993-09-15 Traces the trnsformation of the United causes States from an agrarian isolationist nation into a liberal industrialized power entagled in foreign affairs in spite of itself

California's Prodigal Sons Spencer C. Olin,2023-11-15 California s Prodigal Sons Hiram Johnson and the Progressives 1911 1917 provides an in depth examination of the transformative Progressive Era in California under the leadership of Governor Hiram W Johnson This study shifts the focus from ideological analysis to practical governance chronicling Johnson s efforts to implement reform and establish efficient public services that prioritized the public good over special interests With its chronological approach the book explores key legislative accomplishments addressing railroad control corruption labor

conditions and resource management Drawing on newly available manuscripts including the Hiram Johnson Papers the book offers fresh insights into Johnson s administration and its lasting impact on state and national progressivism In addition to highlighting Johnson's reforms the book delves into the intense conflict between progressives and conservatives during this era culminating in the pivotal 1916 Hughes campaign which tested Johnson's political dominance. The narrative captures the dynamic interplay of politics personality and policy revealing Johnson as a zealous leader whose identity was deeply intertwined with his reform agenda Through detailed analysis and rich historical context California's Prodigal Sons sheds light on the broader Progressive movement while offering a compelling portrait of a pivotal figure in California's history This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1968 Righteous Pilgrim: The Life and Times of Harold L. Ickes, 1874-1952 T. H. Watkins, 2019-08-15 Born in rural western Pennsylvania Harold LeClair Ickes 1874 1952 son of a gambler womanizer drunk father and of a strictly reared Presbyterian mother grew up desperately poor and desperately ambitious He became a Chicago newsman during its gilded era a key figure in the Progressive Party and in FDR's cabinet became America's longest serving and most influential Interior Secretary As Interior Secretary he helped change the face of America forging that department into the most powerful tool for the protection of our lands He was also a major force in reshaping the character and quality of American society often seeming to speak ex cathedra as the conscience of FDR's administration Opinionated vigorously outspoken as impassioned defending minorities as defending our wild places Ickes who happily styled himself the Old Curmudgeon was arguably the most controversial and most beloved figure in the New Deal When Ickes wrote his first column in the New Republic the editors of the magazine introduced him on May 2 1949 as old enough to be called an Elder Statesman but he is too salty for that label He himself has cheerfully accepted the epithet of Curmudgeon which likewise is insufficient to his case A more accurate description would be that he is America's most venerable progressive and one of the stoutest fighters at any age for justice and good government Righteous Pilgrim was a non fiction National Book Award finalist in 1990 and received the Los Angeles Times Book Prize for biography in 1991 and was a finalist for the National Book Critics Circle Award an outstanding biography that is also a major work of social history spanning the first half of the 20th century Ickes was a courageous public servant who in Righteous Pilgrim receives long overdue recognition Herbert Mitgang The New York Times highly successful Written in a delightful conversational style that disguises the impressive scholarly research that went into its preparation this is an appreciative biography of a man who was so temperamental thin skinned and bluntly outspoken that he acknowledged these traits himself This thoughtful readable and yet gripping book is so persuasive it may well force a more positive reassessment of the New Deal Righteous Pilgrim is likely to be one of the most

significant histories of the Progressive and New Deal reform impulse to appear in a decade Howard R Lamar Washington Post an elegant and exhaustive new biography of Ickes Using primary sources such as the diary Ickes religiously maintained through most of his life with great sensitivity Watkins provides an astonishingly intimate portrait of a public man Watkins editor of The Wilderness Society magazine Wilderness is a wonderfully skillful writer As Watkins powerfully demonstrates in this rewarding and illuminating work Ickes had no shortage of ego but his real fuel was conviction burning at an octane hardly ever seen in Washington any more Ronald Brownstein Los Angeles Times an engaging monumental biography Publishers Weekly Researched with amazing thoroughness and organized with a sure hand this will undoubtedly prove to be the definitive work on Harold L Ickes Watkins portrays the currents of political maneuvering that swirled and eddied about Ickes with admirable clarity A complex fascinating and convincing portrait Kirkus Reviews a worthy well written biography Clayton R Koppes Reviews in American History Harold Ickes was one of the most interesting political figures of the first half of the twentieth century and T H Watkins vividly sets forth both the complexities of his personality and personal life and the remarkable scope of his achievements Frank Freidel A superbly written story of the preeminent Progressive of this century I couldn t put it down Stewart L Udall Righteous Pilgrim is one of those rare and wonderful biographies that are at once incisive portraiture and important social history Wallace Stegner Harold Ickes stomps across the pages of T H Watkins s biography as one of the most arresting and essential figures of the American twentieth century Frederick Turner At last a biography worthy of its extraordinary subject vivid impassioned larger than life Geoffrey C Ward The Great Depression David F. Burg, 2009 Presents a history of the Great Depression including the events that led up to it and the New Deal that followed with chronologies personal narratives and documents *Herbert Hoover in the White House* Charles Rappleye, 2017-05-23 Describes the uphill battle faced by the thirty first president who served his single term during the Great Depression portraying the man as bright well meaning and energetic but ultimately lacking in the tools of leadership The Federal Civil Rights Enforcement Effort--1974: To preserve, protect, and defend the Constitution United Publisher The Federal civil rights enforcement effort--1974 United States Commission States Commission on Civil Rights, 1977 on Civil Rights, 1974
