Reflections in the Library ANTAL. SZERB,2018-09-28 In this important new volume we see the great Hungarian writer Antal Szerb at the height of his powers Though his major novels have enjoyed great popularity in English in recent years this is the first collection of his important essays to appear in English Surprised by Laughter Terry Lindvall,2012-01-16 An examination of the British author s use of levity and wit in his writing reveals the uses of joy and humor in Christianity For C S Lewis merriment was serious business and like no book before it Surprised by Laughter explains why Author Terry Lindvall takes readers on a highly amusing and deeply meaningful journey through the life and letters of one of the most beloved Christian thinkers and writers As Lindvall shows the unique magic of Lewis s approach was his belief that explosive and infectious joy dwells deep in the heart of Christian faith Readers can never fully understand Lewis his life or his legacy until they learn to laugh with him Imaginative Transcripts Willard Spiegelman, 2008-12-29 Willard Spiegelman is considered

one of the finest critics of poetry writing today and this volume collects his best work on the subject offering essays that span his entire career and chart his changing relationship to an elusive form He takes the measure of a wide spectrum of poetry ranging from the Romantic era to the present through an examination of those poets whose language formal experiments and music have fascinated him throughout his career With his trademark engaging and stylish prose Spiegelman takes readers on a tour of the rich and diverse landscape of British and American poetry as he provides nuanced insightful readings of works by William Wordsworth John Keats Robert Lowell Elizabeth Bishop and John Ashbery to name just a few the Goats John Ivan Simon, 1989-01-01 Essays discuss Camus Sartre Barthes Shaw Borges Garcia Marguez Nabokov Updike Hellman and Mailer Women in Journalism at the Fin de Siècle F. Gray, 2012-03-13 As the nineteenth century drew to a close women became more numerous and prominent in British journalism This book offers a fascinating introduction to the work lives of twelve such journalists and each essay examines the career writing and strategic choices of women battling against the odds to secure recognition in a male dominated society C.S. S. Lewis Mark Neal, Jerry Root, 2020-06-18 Readers who can quote word for word from C S Lewis s theological classic Mere Christianity or his science fiction novel Perelandra have often never read his work as a professional literary historian They may not even recognize some of the neglected works discussed here Mark Neal and Jerry Root have done students of Lewis a great service tracing the signature ideas in Lewis s works of literary criticism and showing their relevance to Lewis s more familiar books Their thorough research and lucid prose will be welcome to all who would like to understand Lewis more fully but who feel daunted by books of such evident scholarly erudition For example when you read The Discarded Image on the ancients view of the heavens you understand better why Ransom has such unpleasant sensations when first descending toward Malacandra in Out of the Silent Planet And when you come across Lewis s discussion in OHEL of a minor sixteenth century poet who described the hellish River Styx as a puddle glum you can t help but chuckle at the name when you meet the famous Marshwiggle in The Silver Chair These are just two examples of how reading the Neglected Lewis can help every reader understand Lewis more fully **C.S. Lewis and Christian Postmodernism** Kyoko Yuasa, 2017-05-25 Employing a postmodernist literary approach Kyoko Yuasa identifies C S Lewis both as an antimodernist and as a Christian postmodernist who tells the story of the Gospel to twentieth and twenty first century readers Lewis is popularly known as anable Christian apologist talented at explaining Christian beliefs in simple logical terms His fictional works on the other hand feature

expressions that erect ambiguous borders between non fiction and fiction an approach similar to those typical in postmodernist literature While postmodernist literature is full of micronarratives that deconstruct the Great Story Lewis s fictional world shows the reverse in his world micronarratives express the Story that transcends human understanding Lewis s approach reflects both his opposition to modernist philosophy which embraces solidified interpretation and his criticism of modernised Christianity Here Yuasa brings to the fore Lewis s focus on the history of interpretation and seeks a new model
