London With the cultural turn the concept of culture has assumed enormous importance in our understanding of the interrelations between social political and economic structures patterns of everyday interaction and systems of meaning making In The SAGE Handbook of Cultural Analysis the leading figures in their fields explore the implications of this paradigm shift Part I looks at the major disciplines of knowledge in the humanities and social sciences asking how they have been reshaped by the cultural turn and how they have elaborated distinctive new objects of knowledge Parts II and III examine the questions arising from a practice of analysis in which the researcher is drawn reflexively into the object of study and in which methodological frameworks are rarely given in advance Addressed to academics and advanced students in all fields of the social sciences and humanities The SAGE Handbook of Cultural Analysis is at once a synthesis of advances in the field with a comprehensive coverage of the scholarly literature and a collection of original and provocative essays by some of the brightest intellectuals of our time

The Meskwaki and Anthropologists Judith M. Daubenmier, 2008-01-01 The Meskwaki and Anthropologists illuminates how the University of Chicago's innovative Action Anthropology program of ethnographic fieldwork affected the Meskwaki Indians of Iowa From 1948 to 1958 the Meskwaki community near Tama Iowa became effectively a testing ground for a new method of practicing anthropology proposed by anthropologists and graduate students at the University of Chicago in response to pressure from the Meskwaki Action Anthropology as the program was called attempted to more evenly distribute the benefits of anthropology by way of anthropologists helping the Native communities they studied The legacy of Action Anthropology has received limited attention but even less is known about how the Meskwakis participated in creating it and shaping the way it functioned Drawing on interviews and extensive archival records Judith M Daubenmier tells the story from the viewpoint of the Meskwaki themselves The Meskwaki alternatively cooperated with befriended ignored prodded and collided with their scholarly visitors in trying to get them to understand that the values of reciprocity within Meskwaki culture required people to give something if they expected to get something Daubenmier sheds light on the economic and political impact of the program on the community and how some Meskwaki manipulated the anthropologists and students through their own expectations of reciprocity and gender roles Giving weight to the opinions actions and motivations of the Meskwaki Daubenmier assesses more fully and appropriately the impact of Action Anthropology on the Meskwaki settlement and explores its legacy outside the settlement's confines In so doing she also encourages further consideration of the ongoing relationships between scholars and Indigenous peoples today

The History of Anthropology Regna Darnell, 2021-10 This volume on the history of anthropology emphasizes schools of theory institutional connections social networks and collaborative research with North American Indigenous communities Regna Darnell a fifty year veteran of the field brings unsurpassed historicist and presentist interpretations of the discipline's legacy

Scholarship, Money, and Prose Michael Chibnik, 2020-04-17 An illuminating guide to publishing a scholarly journal written by a former editor in chief American Anthropologist is the flagship journal of the American Anthropological

Association published quarterly reaching more than 12 000 readers with each issue and representing four distinct subfields The journal publishes articles that add to integrate synthesize and interpret anthropological knowledge commentaries and essays on issues of importance to the discipline and reviews of books films sound recordings and exhibits From 2012 to 2016 Michael Chibnik was editor in chief of *American Anthropologist* In *Scholarship Money and Prose* he writes a candid account of the complex and challenging work entailed in its production Providing detailed ethnographic and historical descriptions of the operations of a major journal and behind the scenes anecdotes of his experiences Chibnik makes transparent the work of an editor in chief He reveals how he assembled diverse materials assessed contradictory peer reviews of manuscripts submitted for publication and collaborated with authors to improve the legibility and clarity of their articles He also examines controversies that emerged from his columns on open access and biological anthropology and the inclusion of politically charged material in the journal *Scholarship Money and Prose* sheds light on two aspects of successful editing that are common to academic journals whatever their subject matter The first task is to strike a balance among different theoretical perspectives and topical specialties This pressure is particularly salient in a field like anthropology in which scholars differ greatly in the extent to which they adopt a scientific or humanistic perspective Second editors must attend carefully to the need to keep costs down and revenues up in an economic environment in which libraries are cutting subscriptions and publishers are considering the future sustainability of journals Relevant to a wide range of disciplines *Scholarship Money and Prose* serves as a window onto the past present and future of scholarly publishing

Collecting, Ordering, Governing Tony Bennett, Fiona Cameron, Nélia Dias, Ben Dibley, Rodney Harrison, Ira Jacknis, Conal McCarthy, 2017-01-06 The coauthors of this theoretically innovative work explore the relationships among anthropological fieldwork museum collecting and display and social governance in the early twentieth century in Australia Britain France New Zealand and the United States With case studies ranging from the *Musée de l'Homme*'s 1930s fieldwork missions in French Indo China to the influence of Franz Boas's culture concept on the development of American museums the authors illuminate recent debates about postwar forms of multicultural governance cultural conceptions of difference and postcolonial policy and practice in museums *Collecting Ordering Governing* is essential reading for scholars and students of anthropology museum studies cultural studies and indigenous studies as well as museum and heritage professionals

Red Stamps and Gold Stars Sarah Turner, 2013-06-01 *Red Stamps and Gold Stars* brings together all the messiness compromise and ethical dilemmas that underscore fieldwork in upland socialist Asia and elsewhere in the Global South These challenges can range from how to gain research access to politically sensitive border regions to helping informants turned friends access appropriate health care to reflections on how to best represent ethnic minority voices The volume's contributors accomplished geographers anthropologists and ethnohistorians foreground the importance of questioning one's subjective gaze and of debating representations of the other
