Select Poems Samuel Taylor Coleridge, 1905 Selected Poems of S.T. Coleridge Samuel Taylor Coleridge, William

Robertson,1900 *Coleridge* Samuel Taylor Coleridge,Richard Holmes,1996 Coleridge is a great and daring poet His presence is felt echoing through the English language by anyone who has heard the magical names of Kubla Khan or Christabel or The Ancient Mariner But he is also an unknown poet much of whose work has been neglected and whose range and skill has never been properly appreciated The Poet he once said is the man made to solve the riddle of the Universe Contrary to the legend Coleridge continued to produce challenging poems for over forty years and later in life began to make new selections of his work by genre Now Richard Holmes Coleridge s prize winning biographer follows his example grouping the poetry not chronologically as in most previous selections but thematically and generically Holmes presents one hundred and one poems each with a detailed critical and biographical note which together form a new survey of Coleridge s work In his general introduction he reviews Coleridge s place in the Romantic Movement and in a short preface to each section explains Coleridge s originality his experimental use of language and his imaginative genius in exploring traditional eighteenth century forms Holmes s selection gives a fresh and enlarged sense of Coleridge s creative powers and provides a revised approach to the study of Coleridge s poetic development both for the student and the general reader A great Poet must be a profound Metaphysician He may not have it in logical coherence in his Brain but he must have it by Tact for all sounds forms of human nature he must have the ear of a wild Arab listening in the silent Desert the eye of a North American Indian tracing the footsteps of an Enemy upon the Leaves that strew the Forest the touch of a blind Man feeling the face of a darling Child COLERIDGE 1802 Coleridge's Ancient Mariner and Select Poems Samuel Coleridge,2021-12-02 **Select Poems of Coleridge, Wordsworth, Campbell Longfellow** Frederick Henry Sykes,1895 **Selected Poems** Samuel Taylor Coleridge,John Colmer,1967 Originally published London Harper Collins 1996 under the title Coleridge selected poems **Selected Poems of S.T. Coleridge. By William Robertson** Samuel Taylor Coleridge,William ROBERTSON,1915 The Making of Poetry Adam Nicolson,2020-01-21 Brimming with poetry art and nature writing Wordsworth and Coleridge as you ve never seen them before June 1797 to September 1798 is the most famous year in English poetry Out of it came Samuel Taylor Coleridge s The Rime of the Ancient Mariner and Kubla Khan as well as his unmatched hymns to friendship and fatherhood and William Wordsworth s revolutionary songs in Lyrical Ballads along with Tintern Abbey Wordsworth s paean to the unity of soul and cosmos love and understanding In The Making of Poetry Adam Nicolson embeds himself in the reality of this unique moment exploring the idea that these poems came from this particular place and time and that only by experiencing the physical circumstances of the year in all weathers and all seasons at night and at dawn in sunlit reverie and moonlit walks can the genesis of the poetry start to be understood The poetry Wordsworth and Coleridge made was not from settled conclusions but from the adventure on which they embarked thinking of poetry as a challenge to all received ideas stripping away the dead matter looking to shed consciousness and so change the world What emerges is a portrait of these great figures seen not as literary monuments but as young men troubled ambitious dreaming of

a vision of wholeness knowing they had greatness in them but still in urgent search of the paths toward it The artist Tom Hammick accompanied Nicolson for much of the year making woodcuts from the fallen timber in the park at Alfoxden where the Wordsworths lived Interspersed throughout the book his images bridge the centuries depicting lives at the source of our modern sensibility a psychic landscape of doubt and possibility full of beauty and thick with desire for a kind of connectedness that seems permanently at hand and yet always out of reach **Alphabetical Finding List** Princeton University. Library,1921 **Coleridge's Notebooks** Seamus Perry,2002-06-13 Samuel Taylor Coleridge was one of the Romantic Age s most enigmatic figures a genius of astonishing diversity author of some of the most famous poems in the English language and co author with Wordsworth of Lyrical Ballads one of England s greatest critics and theorists of literature and imagination as well as autobiographer nature writer philosopher theologian psychologist and distinguished speaker Throughout his life he confided his thoughts and emotions to his notebooks where we can still see his speculations and observations taking shape This edition presents a selection from this unique work newly presented with notes and commentary for the student as well as the general reader **The English Catalogue of Books** Sampson Low,1901 Volumes for 1898 1968 include a directory of publishers
