Jade, 2012-07-10 Delmira Agustini 1886 1914 has been acclaimed as one of the foremost modernistas and the first major woman poet of twentieth century Spanish America Critics and the reading public alike were immediately taken by the originality and power of her verse especially the aggressively sexualized perspective never before found in texts written by Spanish American women Agustini sought like the men around her to free herself and her writing from traditional sexual limitations Even more daringly she responded to their language with her own feminized discourse developing an innovative way of expressing her sexual and artistic expressions Book jacket [Latin American Women Writers: An Encyclopedia](#) María Claudia André, Eva Paulino Bueno, 2014-01-09 Latin American Women Writers An Encyclopedia presents the lives and critical works of over 170 women writers in Latin America between the sixteenth and twentieth centuries This features thematic entries as well as biographies of female writers whose works were originally published in Spanish or Portuguese and who have had an impact on literary political and social studies Focusing on drama poetry and fiction this work includes authors who have published at least three literary texts that have had a significant impact on Latin American literature and culture Each entry is followed by extensive bibliographic references including primary and secondary sources Coverage consists of critical appreciation and analysis of the writers works Brief biographical data is included but the main focus is on the meanings and contexts of the works as well as their cultural and political impact In addition to author entries other themes are explored such as humor in contemporary Latin American fiction lesbian literature in Latin America magic realism or mother images in Latin American literature The aim is to provide a unique thorough scholarly survey of women writers and their works in Latin America This Encyclopedia will be of interest

to both to the student of literature as well as to any reader interested in understanding more about Latin American culture literature and how women have represented gender and national issues throughout the centuries

The Spanish Baroque and Latin American Literary Modernity Crystal Anne Chemris, 2021 This book aims to develop a broader view of the trajectory of Hispanic modernity tracing a motif of recurring impasse first seen in peninsular Baroque texts and continuing into Latin American colonial and modern literature Inspired by Walter Benjamin's notion of constellation this book draws on theories of Latin American modernity to investigate the Spanish literary Baroque and its repetitions as a historical cultural predicament in Latin American colonial and modern texts Inca Garcilaso Borges Carpentier Rulfo Darío and a range of Latin American Post Symbolist poets Agustini Pizarnik Sosa Lienlaf and Huinao are juxtaposed with the Lazarillo the Quijote Fuenteovejuna and Góngora's Soledades to produce original readings on topics of violence rape frustrated pilgrimage and the truncated ambitions of colonized peoples and confessional minorities In turn Benjamin is juxtaposed with Mallarmé to recast the aesthetic dynamics of modernity in political terms in order to understand the Baroque within a more broadly historicized concept of the avant garde Generous in scope this book addresses the community of Spanish and Latin American criticism as well as emerging and pressing theoretical concerns within the field of comparative literature

Re-Imagining Class Michiel Rys, Liesbeth François, 2024-05-20 Unique cross cultural and multimedial approach to class identity and precarity in literature theatre and film Contemporary culture not merely reflects ongoing societal transformations it shapes our understanding of rapidly evolving class realities Literature theatre and film urge us to put the question of class back on the agenda and reconceptualize it through the lens of precarity and intersectionality Relying on examples from British French Spanish German American Swedish and Taiwanese culture the contributors to this book document a variety of aesthetic strategies in an interdisciplinary dialogue with sociology and political theory Doing so this volume demonstrates the myriad ways in which culture opens up new pathways to imagine and re imagine class as an economic relation an identity category and a subjective experience Situated firmly within current debates about the impact of social mobility precarious work intersectional structures of exploitation and interspecies vulnerability this volume offers a wide ranging panorama of contemporary class imaginaries
