## **Selected Vietnamese Poetry:**

*Selected Vietnamese Poetry*, 2001 One hundred best known Vietnamese poems spanning over ten centuries of history

**Poems by Selected Vietnamese** Thanh-Thanh, 2005 This anthology comprises more than 100 Thanh Thanh's English verse translations of poems by 55 randomly selected Vietnamese authors living around the world **Beyond the Court**

**Gate** Trãi Nguyễn, 2010 Poetry Southeast Asia Studies Translated from the Vietnamese by Nguyen Do and Paul Hoover While Li Po and other classic Chinese poets mostly found expression through landscape Vietnamese poet Nguyen Trai 1380-1422 wrote about his own life The literary symbols of Tang Dynasty poetry are relatively general traditional and polite but Nguyen Trai developed a colloquial and personal style As a result his poems have the intimacy and immediacy of the everyday Over six hundred years old they appear in this translation by contemporary Vietnamese poet Nguyen Do and American poet Paul Hoover to have been written only yesterday by someone whose feelings we are able to share despite their distance from us in time and culture This is the first collection of Nguyen Trai's poetry to be published in English

*Selected Vietnamese Poetry*/Selected Vietnamese Poetry, 2022-12 A shining pearl in the history of world literature Vietnam has always valued poetry with a vast corpus of poetic works This book selects representative pieces to introduce bringing outstanding Vietnamese poets from different eras to Chinese readers and exploring broader deeper cultural exchanges and influences between the two nations Like China Vietnam is a realm of poetry For centuries the most significant works in Vietnamese classical and modern literature have largely been composed in verse With a long history Vietnamese poetry has employed three main script systems Han scripts Nom scripts and modern Latin based scripts During specific periods French and English also served as key mediums for poetic creation resulting in diverse poetic styles **Silence of yesterday**, 1999

**translate poetry** Misty Nguyen Trang Thanh, 2021-08-19 For a glimpse of what Vietnamese poets of old think and wrote don't read criticism read their works The Deluge Linh Dinh, Hai-Dang Phan, 2013 Poetry Asian American Studies Edited and translated from the Vietnamese by Linh Dinh Carefully selected for their literary significance as well as their antagonism towards state power cultural orthodoxy and conventional wisdom the hundred and sixty Vietnamese language poems annotated contextualized and expertly translated into English in THE DELUGE provide a stunningly original counter history in fragments of Vietnamese society from the 1960s up till today While Linh Dinh is typically known for his extraordinary poetry fiction and journalism THE DELUGE showcases his remarkable talents as a translator anthologist and cultural historian I love everything about this book the sneaky smart selections the illuminating yet ruthlessly efficient author bios the fascinating addendum and of course the absurdly brilliant translations Peter Zinoman In still cratered Vietnam apparently things are even more screwed up for avant garde poets than they were in the US back in the 50s Howl had its trial but in Hanoi and Ho Chi Minh City non conforming poets are just plain denied venues of publication In fact a whole generation of poets active in the South before 1975 has pretty much been erased from memory via State controls At long last

some of them are brought forward here along with many younger ones absolute revelations in some cases all of them examples of cultural courage Not a little of poetry s history is about singular strange and moving works getting written under conditions of proscription censure samizdat and exile And there is plenty here of this kind Ron Silliman is on to something when he keeps insisting the indomitable Linh Dinh should be our next Poet Laureate Now Dinh s edited what is surely one of the major startling anthologies to appear in the United States in this new century Long live the insurgent poets of Vietnam Kent Johnson     Fourth Dimension Lam Quang My,2017-08-01 Passionate clear and forceful Lam Quang My poems are readily accessible easy to read and easy to hear in other languages Here a physic professor turned poet presents an assortment of poems proven in many years of public reading in Vietnam and Poland the lands are reflected in these poems Whether exploring deeper in a soul of a Vietnamese living far from native land or staying on the surface of being an immigrant Lam Quang My poetry features simplicity and thoughtful of feelings that many persons find appealing     *Artists All* Burton Raffel,2010-11-01     *Studies on Vietnamese Language and Literature* Nguyen Dinh Tham,2018-05-31 This work contains over 2 500 entries to guide students and scholars interested in the languages and literature of Vietnam The books monographs and journal articles considered are those written in the Western languages especially French and English Meticulously researched and indexed this bibliography is both the first of its kind and an invaluable reference tool     *Select List of Recent Publications* East-West Center.
