## **Selected Writings On Soviet Law And Marxism:**

**Selected Writings on Soviet Law and Marxism** P.I. Stuchka, Robert Sharlet, Peter B. Maggs, Piers Beirne, 2019-07-23

The Latvian born legal theorist P I Stuchka 1865 1932 generally recognized as one of the principal architects of modern Soviet legal theory and the Soviet legal system itself was a prodigious author and editor Twenty essays by Stuchka written between 1917 and 1931 were selected for translation **Research Handbook on Law and Marxism** O'Connell, Paul, Özsu, Umut, 2021-12-14 This Research Handbook offers unparalleled insights into the large scale resurgence of interest in Marx and Marxism in recent years with contributions devoted specifically to Marxist critiques of law rights and the state

**Pashukanis, Selected Writings on Marxism and Law** Evgenii Bronislavovich Pashukanis, 1980 Revolution in Law

Piers Beirne, 1990 The essays in this volume reassess pre revolutionary Russian legal culture the debates of the 1920s over the role of law under socialism and the abrupt and bloody termination of the debate which took place in the 1930s *The General Theory of Law & Marxism* EvgeniĀ Bronislavovich PaĀiukanis, 2001-01-01 E B Pashukanis was the most significant contemporary to develop a fresh new Marxist perspective in post revolutionary Russia In 1924 he wrote what is probably his most influential work *The General Theory of Law and Marxism* In the second edition 1926 he stated that this work was not to be seen as a final product but more for self clarification in hopes of adding stimulus and material for further discussion A third edition was printed in 1927 Pashukanis s commodity exchange theory of law spearheaded a perspective that traced the form of law not to class interests but to capital logic itself Until his death he continued to argue for the ideal of the withering away of the state law and the juridic subject He eventually arrived at a position contrary to Stalin s who at that time was attempting to consolidate and strengthen the state apparatus under the name of the dictatorship of the proletariat Inevitably Pashukanis was branded an enemy of the revolution in January 1937 His works were subsequently removed from soviet libraries In 1954 Pashukanis was rehabilitated by the Soviets and restored to an acceptable position in the historical development of marxist law In Europe and North America a number of legal theorists only rediscovered Pashukanis s work in the late 1970s They subjected it to careful critical analysis and realized that he offered an alternative to the traditional Marxist interpretations which saw law simply and purely as tied to class interests of domination By the mid 1980s the instrumental Marxist perspective in vogue in Marxist sociology criminology politics and economics gave way to a significant extent due to Pashukanis s insights to a more structural Marxist accounting of the relationship of law to economics and other social spheres In his new introduction Dragan Milovanovic discusses the life of Pashukanis Marx and the commodity exchange theory of law and the historical lessons of Pashukanis s work This book will be of interest to sociologists criminologists and political scientists interested in issues of law and Marxism **Revisiting Marx's Critique of Liberalism** Igor Shoikhedbrod, 2019-12-26 *Revisiting Marx s Critique of Liberalism* offers a theoretical reconstruction of Karl Marx s new materialist understanding of justice legality and rights through the vantage point of his widely invoked but

generally misunderstood critique of liberalism The book begins by reconstructing Marx's conception of justice and rights through close textual interpretation and extrapolation The central thesis of the book is firstly that Marx regards justice as an essential feature of any society including the emancipated society of the future and secondly that standards of justice and right undergo transformation throughout history The book then tracks the enduring legacy of Marx's critique of liberal justice by examining how leading contemporary political theorists such as John Rawls Jürgen Habermas Axel Honneth and Nancy Fraser have responded to Marx's critique of liberalism in the face of global financial capitalism and the hollowing out of democratically enacted law The Marx that emerges from this book is therefore a thoroughly modern thinker whose insights shed valuable light on some of the most pressing challenges confronting liberal democracies today [Finnish Yearbook of International Law, Volume 22, 2011](#) Jan Klabbers, 2013-07-11 The Finnish Yearbook of International Law aspires to honour and strengthen the Finnish tradition in international legal scholarship Open to contributions from all over the world and from all persuasions the Finnish Yearbook stands out as a forum for theoretically informed high quality publications on all aspects of public international law including the international relations law of the European Union The Finnish Yearbook publishes in depth articles and shorter notes commentaries on current developments book reviews and relevant overviews of Finland's state practice While firmly grounded in traditional legal scholarship it is open for new approaches to international law and for work of an interdisciplinary nature The Finnish Yearbook is published for the Ius Gentium Association the Finnish Society of International Law by Hart Publishing Earlier volumes may be obtained from Martinus Nijhoff an imprint of Brill Publishers Further information may be found at [www.fybil.org](http://www.fybil.org) INDIVIDUAL CHAPTERS Please click on the link below to purchase individual chapters from Volume 22 through Ingenta Connect [www.ingentaconnect.com](http://www.ingentaconnect.com) SUBSCRIPTION TO SERIES To place an annual online subscription or a print standing order through Hart Publishing please click on the link below Please note that any customers who have a standing order for the printed volumes will now be entitled to free online access [www.hartjournals.co.uk/fyil/subs](http://www.hartjournals.co.uk/fyil/subs)

### **The State versus the People** Matthew

Rendle, 2020-06-11 The State versus The People provides the first detailed account of the role of revolutionary justice in the early Soviet state Law has often been dismissed by historians as either unimportant after the October Revolution amid the violence and chaos of civil war or in the absence of written codes and independent judges little more than another means of violence alongside the secret police Cheka This is particularly true of the most revolutionary aspect of the new justice system revolutionary tribunals courts inspired by the French Revolution and established to target counter revolutionary enemies Yet the evidence put forward in this book paints a more complex picture The Bolsheviks invested a great deal of effort and scarce resources in building an extensive system of tribunals that spread across the country and operated within the military and the transport network At their peak hundreds of tribunals heard hundreds of thousands of cases every year Not all though ended in harsh sentences some were dismissed through lack of evidence others given a wide range of sentences and others

still suspended sentences Instances of early release and amnesty were also common This book argues that law played a distinct and multi faceted role for the Bolsheviks Tribunals in particular stood at the intersection between law and violence offering various advantages to the Bolsheviks by strengthening state control providing a more effective means of educating the population about counter revolution and enabling a more flexible approach to punishing the state s enemies All of this challenges traditional understandings of the early Soviet state adding to our knowledge of the civil war and ultimately how the Bolsheviks held on to power *Pashukanis (russian)* Bjarne Melkevik, Toward the Rule of Law in Russia Donald D. Barry,2019-07-26 The contributors to this volume all specialists on Soviet law and politics offer a comprehensive examination of the effort to create a law based state in the Gorbachev era U S S R thus effecting a fundamental change in the relationship between the state and private groups and individuals Gianmaria Ajani Donald Barry Harold Berman Frances Foster Simons George Ginsburgs John Hazard Kathryn Hendley Eugene Huskey Dietrich Loeber Peter Maggs Hiroshi Oda Nicolai Petro Robert Sharlet Louise Shelley Will Simons and Peter Solomon with commentary by Soviet scholars discuss conceptual historical social cultural and institutional aspects of Soviet legal development and supply detailed analysis of recent developments in the areas of civil criminal and labour law and the rights of individuals economic organizations and political and social groups *Law and the Making of the Soviet World* Scott Newton,2014-11-20 This book is an unconventional reappraisal of Soviet law a field that is ripe for re evaluation now that it is clear of Cold War cobwebs and as this book shows one that is surprisingly topical and newly compelling Scott Newton argues here that the Soviet order was a work of law Drawing on a wide range of sources including Russian language Soviet statutes and regulations jurisprudence legal theory and English language legal Kremlinology this book analyses the central significance of law in the design and operation of Soviet economic political and social institutions In arguing that it was an exemplary rather than aberrant case of the uses to which law was put in twentieth century industrialised societies *Law and the Making of the Soviet World The Red Demiurge* provides an insightful account of both the significance of modern law in the Soviet case and the significance of the Soviet case for modern law **Radical and Marxist Theories of Crime** Paul B. Stretesky,2017-03-02 The essays selected for this volume show how radical and Marxist criminology has established itself as an influential critique since it emerged in the late 1960s Unlike orthodox criminology which emphasizes individual level explanations of criminal behavior radical and Marxist criminology emphasizes power inequality and structures especially those related to class as key factors in crime law and justice This collection of essays draws attention to the way in which structural forces shape and influence both individual and institutional for example governmental behavior highlights neglected crime corporate governmental state corporate and environmental which causes more extensive damage than the street crimes examined by orthodox criminology and discusses the ways in which law and criminal justice processes reinforce power structures and contribute to class control

**Interdisciplinary Research Methods in EU Law** Rossana Deplano,Giulia Gentile,Luigi Lonardo,Tobias

Nowak,2024-06-05 This comprehensive Handbook provides a critical and analytical guide to the application of interdisciplinary research methods in EU law and explores the advancement of the EU legal landscape from an interdisciplinary research perspective Venturing beyond doctrinal legal scholarship it reflects on the cognitive synergies between EU law and other disciplines and advances the debate on contemporary trends in EU law research This title contains one or more Open Access chapters      **Marxism, Psychology and Social Science Analysis** Julian

Roche,2018-06-14 Marxism Psychology and Social Science Analysis applies Marxist theory psychology and the work of Lucien S ve to specific research in the social sciences It shows in practical terms what guidance can be offered for social scientific researchers wanting to incorporate S ve s view of personality into their work Providing case studies drawn from different social sciences that give the book significant breadth of scope Roche reviews the impact of Taking S ve Seriously across the study of international relations theory economics law and moral philosophy The book begins by placing the work of Lucien S ve in context and considers the development of psychology in relation to Marxism before going on to summarise the work of S ve in relation to the psychology of personality It considers the opportunities for refreshed research in social relations based on developments by S ve before examining Marxist biography and the implications of S ve s views The book also includes chapters on the social discount rate on constructivism in international relations on the concept of promising in moral philosophy and the Marxist conception of individual responsibility It addresses not only how research should be carried out differently but whether utilising the theoretical framework of other writers even non Marxists can deliver a similar outcome With its use of five distinct case studies to analyse the work of Lucien S ve this unique book will be of great interest to academics researchers and postgraduate students in the fields of psychology philosophy and social sciences      Research Handbook on Critical Legal Theory Emilios Christodoulidis,Ruth Dukes,Marco Goldoni,2019 Critical theory characteristically linked with the politics of theoretical engagement covers the manifold of the connections between theory and praxis This thought provoking Research Handbook captures the broad range of those connections as far as legal thought is concerned and retains an emphasis both on the politics of theory and on the notion of theoretical engagement The first part examines the question of definition and tracks the origins and development of critical legal theory along its European and North American trajectories The second part looks at the thematic connections between the development of legal theory and other currents of critical thought such as Feminism Marxism Critical Race Theory varieties of post modernism as well as the various turns ethical aesthetic political of critical legal theory The third and final part explores particular fields of law addressing the question how the field has been shaped by critical legal theory or what critical approaches reveal about the field with the clear focus on opportunities for social transformation      **Encyclopedia of Soviet Law** Ferdinand J.M.

Feldbrugge,2024-12-02      **The Oxford Handbook of Legal History** Markus D. Dubber,Christopher Tomlins,2018-07-26 Some of the most exciting and innovative legal scholarship has been driven by historical curiosity Legal history today comes

in a fascinating array of shapes and sizes from microhistory to global intellectual history Legal history has expanded beyond traditional parochial boundaries to become increasingly international and comparative in scope and orientation Drawing on scholarship from around the world and representing a variety of methodological approaches areas of expertise and research agendas this timely compendium takes stock of legal history and methodology and reflects on the various modes of the historical analysis of law past present and future Part I explores the relationship between legal history and other disciplinary perspectives including economic philosophical comparative literary and rhetorical analysis of law Part II considers various approaches to legal history including legal history as doctrinal intellectual or social history Part III focuses on the interrelation between legal history and jurisprudence by investigating the role and conception of historical inquiry in various models schools and movements of legal thought Part IV traces the place and pursuit of historical analysis in various legal systems and traditions across time cultures and space Finally Part V narrows the Handbooks focus to explore several examples of legal history in action including its use in various legal doctrinal contexts

**Social Cohesion and Legal Coercion** Leon Shaskolsky Sheleff,1997 The book is a critical analysis of the work of Max Weber Emile Durkheim and Karl Marx It focuses on their separate analyses of the role of law in society pointing out their faults and errors and the resultant impact on modern social science The author takes issue with Weber s work on rationality with Durkheim s work on repressive and restitutive law and with Marx s work on social justice and law as part of the super structure In each section of the book he shows the implications that flow from a re assessment and re interpretation of their work for an understanding of society The book is multi disciplinary making ample reference to law sociology anthropology history religion ecology criminology philosophy and economics Its various chapters discuss a wide range of themes including rationality tradition science political authority conflict resolution community justice and altruism

The Concept of Unity in Public International Law Mario Prost,2012-03-15 Fragmentation has become a defining albeit controversial metaphor of international law scholarship in the era of globalisation Some scholars see it as a new development others as history repeating itself some approach it as a technical issue and some as the reflection of deeper political struggles But there is near consensus about the fact that the established vision of international law as a unitary whole is under threat At the core of the fragmentation debate lies the concept of unity but this is hardly ever rationalised and is more assumed than explained Its meaning remains vague and intuitive The Concept of Unity in Public International Law attempts to dispel that vagueness by exploring the various possible meanings of the concept of unity in international law However eschewing one grand theory of unity it identifies and compares five candidates Intentionally pluralistic in its outlook the book does not engage in normative arguments about whether international law is or should be unitary but seeks to show instead that the concept of unity is contested and that discourses on fragmentation are necessarily contingent The thesis on which the book is based won the 2009 Prize for best doctoral thesis from the Association des professeurs de droit du Qu bec

Authoritarian Collectivism and Real Socialism

Jose Mauricio Domingues, 2022-01-11 The book discusses so called real socialism and offers an alternative conceptualization of it as authoritarian collectivism making use of an analytical methodology It concentrates on the principles of real socialism in its golden age but also assesses its present embrace of capitalism

## Unveiling the Magic of Words: A Report on "**Selected Writings On Soviet Law And Marxism**"

In a global defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. Their ability to kindle emotions, provoke contemplation, and ignite transformative change is really awe-inspiring. ### **Selected Writings On Soviet Law And Marxism Introduction**

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Selected Writings On Soviet Law And Marxism free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Selected Writings On Soviet Law And Marxism free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Selected Writings On Soviet

Law And Marxism free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Selected Writings On Soviet Law And Marxism. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Selected Writings On Soviet Law And Marxism any PDF files. With these platforms, the world of PDF downloads is just a click away.

### **FAQs About Selected Writings On Soviet Law And Marxism Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Selected Writings On Soviet Law And Marxism is one of the best book in our library for free trial. We provide copy of Selected Writings On Soviet Law And Marxism in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Selected Writings On Soviet Law And Marxism. Where to download Selected Writings On Soviet Law And Marxism online for free? Are you looking for Selected Writings On Soviet Law And Marxism PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Selected Writings On Soviet Law And Marxism. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Selected

Writings On Soviet Law And Marxism are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Selected Writings On Soviet Law And Marxism. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Selected Writings On Soviet Law And Marxism To get started finding Selected Writings On Soviet Law And Marxism, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Selected Writings On Soviet Law And Marxism So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Selected Writings On Soviet Law And Marxism. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Selected Writings On Soviet Law And Marxism, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Selected Writings On Soviet Law And Marxism is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Selected Writings On Soviet Law And Marxism is universally compatible with any devices to read.
