## **Selecting A College Major Exploration And Decision Making:**

Selecting a College Major Virginia N. Gordon, Susan Jones Sears, 2010 For courses in Career Planning or Student Orientation This text greatly simplifies the complex process of choosing a major by leading students through personal academic and occupational information searches It offers a natural progression for decision making by using thought provoking activities to explore themselves before exploring majors Whether choosing or changing a major the discovery process examines different perspectives such as relating interests skills and values to academic fields of study searching a national system that identifies many academic majors and exploring majors available at their own institution Once specific academic alternatives are identified a search of occupational information helps students examine the career possibilities that specifically relate to the majors they are considering

**Selecting a College Major** Virginia N. Gordon, Susan J. Sears, 2015-04-10 This book greatly simplifies the complex process of choosing a major by leading students through personal academic and occupational information searches It offers a natural progression for decision making by using thought provoking activities to explore themselves before exploring majors Whether choosing or changing a major the discovery process examines different perspectives such as relating interests skills and values to academic fields of study searching a national system that identifies many academic majors and exploring majors available at their own institution Once specific academic alternatives are identified a search of occupational information helps students examine the career possibilities that specifically relate to the majors they are considering

*Selecting a College Major* Virginia N. Gordon, Susan Jones Sears, 2004 This innovative text simplifies the process of choosing a major from a sometimes overwhelming array of majors and related career fields It will assist not only the undecided student with selecting a major but also the major changer who is exploring alternative options A step by step process leads students through personal and academic assessment as well as occupational information searches Through thought provoking activities they can explore their academic career and personal interests and goals Students can investigate academic majors from many perspectives including a search of majors in general majors on their campus and majors based on their academic and occupational interests Highlights of this text include A Natural Decision Making Progression Students are directly and personally involved in activities that involve exploration reflection and choice Extensive Major Exploration Three distinct approaches help students narrow their List to realistic alternatives Incorporation of Academic and Career Interests Abilities and Values Self assessment gives students information on which to base their choice of a major Formulation of a Graduation Plan Students use their academic transcripts to summarize all they have Learned and develop a plan for the future

**The Undecided College Student** Virginia N. Gordon, 2007 This book focuses on the unique needs of college students who are undecided regarding a field of study and or career path and the various approaches that advisors and counselors may take The text draws on extensive research both recent and historical and explores what is most effective in successful universities today The text explores the many and

varied reasons that lead college students to be undecided and the different solutions that will assist the student in coping with their circumstances and reaching a successful resolution This updated version includes many ways in which the Internet serves as a useful tool for assisting gathering resources for the undecided college student Advisors counselors and faculty will all glean useful theoretical and practical information from this text that can be applied in individual counseling group settings and workshops

**How to Choose Your Major** Mary E. Ghilani, 2017-07-07 Guide students through the career decision making process as it pertains to college choices with this manual that helps students identify interest skills and values conduct career research and prepare for a profession after graduation Entering the workforce after college can be scary to say the least especially if a graduate is unprepared or ill equipped to seek out an appropriate career path or job opportunity This practical manual dispenses invaluable tips strategies and advice to students preparing for the job market by guiding choices impacting academic courses fields of study and future marketability Author Mary E Ghilani wisely describes how college majors relate to employment and introduces the eight Career Ready competencies sought by employers in new graduates Written by a 25 year veteran in the field of career counseling this guidebook helps students undecided about their future navigate the intimidating journey from college to career readiness Content explores the best strategies and tips for choosing a career ways to overcome common career indecisiveness suggestions for careers based on personality type and the latest employment projections and salary figures Chapters for students with atypical circumstances such as older adults veterans those with criminal records and those with special needs examine the unique paths available to them as they define their skills and launch their careers after graduation

**Helping Sophomores Succeed** Mary Stuart Hunter, Barbara F. Tobolowsky, John N. Gardner, Scott E. Evenbeck, Jerry A. Pattengale, Molly Schaller, Laurie A. Schreiner, 2009-10-02 Helping Sophomores Succeed offers an in depth comprehensive understanding of the common challenges that arise in a student's second year of college Sponsored by the University of South Carolina's National Resource Center for The First Year Experience and Students in Transition this groundbreaking book offers an examination of second year student success and satisfaction using both quantitative and qualitative measures from national research findings Helping Sophomores Succeed serves as a foundation for designing programs and services for the second year student population that will help to promote retention academic and career development and personal transition and growth Praise for Helping Sophomores Succeed Lost lonely stressed pressured unsupported frequently indecisive and invisible many sophomores fall off the radar of campus educators at a time when they may most be seeking purpose meaning direction intellectual challenge and intellectual capacity building The fine scholars who focused educators on the first year and senior transitions have done it again a magnificent book to focus on the sophomore year Susan R Komives College Student Personnel Program University of Maryland For years student centered institutions have front loaded resources to promote student success in the first college year This volume is rich with instructive ideas for how to sustain this important work in the second year of college George D

Kuh Chancellor's Professor and director Indiana University Center for Postsecondary Research A pioneering work this brilliant text explores in practical and meaningful ways the all but neglected sophomore year experience when students face critical choices about their major their profession their life purpose Betty L Siegel president emeritus Kennesaw State University All members of the campus community faculty student affairs educators staff and students will benefit from learning about the unique challenges of the second college year The book provides research and best practices to help educators and students craft an integrated comprehensive approach to helping second year students succeed Marcia Baxter Magolda distinguished professor Educational Leadership Miami University The National Resource Center for The First Year Experience and Students in Transition supports and advances efforts to improve student learning and transitions into and through higher education by providing opportunities for the exchange of practical theory based information and ideas

Career Advising Virginia N. Gordon, 2006-01-23 Publisher description **The Handbook of Career Advising** Kenneth F. Hughey, Dorothy Nelson, Joanne K. Damminger, Betsy McCalla-Wriggins, 2012-06-07 The Handbook of Career Advising The Handbook of Career Advising not only provides a general introduction to this important academic advising function but offers many practical applications that can help students make realistic and timely career decisions As students face an ever changing and complex workplace helping them integrate their academic and career decisions has never been more important This book is an excellent resource for advisors it helps them become more cognizant of the critical role they play and will facilitate the development of the knowledge and competencies required to perform this important advising task Virginia Gordon associate professor emeritus The Ohio State University This book provides a wealth of information for anyone whose work involves helping students discover how intentional choices in curricular and cocurricular educational experiences can prepare them for tomorrow's workplace The theoretical foundations information and resources frameworks for practice and recommendations for the future included in this book will guide academic advisors as they positively

influence students lives by helping them systematically and enthusiastically approach their career development Mary Stuart Hunter assistant vice provost National Resource Center for The First Year Experience and Students in Transition University of South Carolina The Handbook of Career Advising provides excellent information resources and examples of how academic advisors can become more knowledgeable and comfortable in providing career advising Here authors address critical issues such as diversity working with specific student groups and working with undecided or exploratory students This book provides examples that illustrate how career and academic advising are significant parts of the teaching and learning process that support student success on our campuses Casey Self executive director Academic Advising University College Arizona State University and 2009 NACADA president *Mapping the Future of Undergraduate Career Education* Melanie V. Buford, Michael J. Sharp, Michael J. Stebleton, 2022-07-19 This timely book explores current trends and future possibilities for undergraduate career education the nature of the changing workplace and its impact on students in colleges and universities Built on decades of experience in career development and professional learning the editors raise and investigate multiple critical issues facing career educators in higher education today preparing students for the future of work exploring the increasing centrality of experiential learning in career education examining innovative paradigm shifts in career education and developing strategies for equity focused and inclusive programming for all students Reckoning with the effects of Covid 19 on the world of career development this book draws on contributions from leading scholars entrepreneurs and practitioners from across the fields of education business STEM and the humanities to offer an inclusive and innovation focused approach to supporting scholars practitioners and students involved with career education development and counseling for a new generation and a new world of work **Bound-for-College Guidebook** Frank Burtnett, 2009-02-16 The Bound for College Guidebook offers information about the school to college transition in an organized and reader friendly approach not found in any other guide Frank Burtnett has assembled frequently asked questions and their answers from counselors who understand what students need to know during the exploration decision making and application process The student exercises contained in the guide allow each reader to strategically organize the search and application process and operate from a position of power and control rather than one of confusion and bewilderment Armed with this information and skilled in these exercises the college bound student is better able to navigate this important transition **Foundations** Virginia N. Gordon, Thomas L. Minnick, 2004 Focusing on the issues most relevant to the understanding of succeeding in college this reader includes several essays and articles on each topic giving students the chance to consider a number of different perspectives Gordon and Minnick include personal essays research based articles and other insightful ways of looking at the total college experience Questions and journal activities accompany the readings to encourage class discussion and personal reflection Career Theory and Practice Jane L. Swanson, Nadya A. Fouad, 2019-07-17 Illustrates the process theories and application of career development counseling through a series of rich case studies integrated throughout the

text     **Encyclopedia of Career Development** Jeffrey H. Greenhaus, Gerard A. Callanan, 2006-05-16 With more than 300 articles the Encyclopedia of Career Development is the premier reference tool for research on career related topics Covering a broad range of themes the contributions represent original material written by internationally renowned scholars that view career development from a number of different dimensions This multidisciplinary resource examines career related issues from psychological sociological educational counseling organizational behavior and human resource management perspectives

**Redesigning America's Community Colleges** Thomas R. Bailey, Shanna Smith Jaggars, Davis Jenkins, 2015-04-09 Community colleges enroll half of the nation's undergraduates Yet only 40 percent of entrants complete an undergraduate degree in six years Redesigning America's Community Colleges explains how two year colleges can increase their students success rate quickly and at less cost through a program of guided pathways to completion

*The Counseling Process* Sheldon Eisenberg, Daniel J. Delaney, 1977

**Fostering Student Success in the Campus Community** Gary L. Kramer, 2009-11-24 This book presents and examines key issues not only on addressing changing student demographics and needs but also on aligning institutional and student expectations connecting student oriented services systemically organizing and fostering student services for learning and creating and delivering services for students to achieve success on campus While the essential supportive role student services plays in student retention and success is generally understood this book provides several constructive approaches and key indicators that service providers can use to challenge their campuses for better results in achieving student success While this book does not define what student success is for all institutions or suggest that one size fits all institutions it does emphasize that student learning and achieving student success on campus is everyone's business The chapter contributors share their wisdom on and experience in creating a student centered culture and emphasize student services as the primary approach for putting students first in the campus community Written for student service providers academic departments and others responsible for the support direction and coordination of services to students vice presidents deans directors and department chairs readers will learn how to encourage a variety of desired outcomes including student persistence satisfaction learning and personal development Also included is a systems perspective that will help readers evaluate and align services for students with the goals of both the students and the institution

**Why the First-Year Seminar Matters** Christine Harrington, Theresa Orosz, 2018-08-10 Why the First Year Seminar Matters Helping Students Choose and Stay on a Career Path provides an overview of the Guided Pathways movement and the critical role that the first year seminar can play in setting the stage for student success After reviewing the extensive history and research on first year seminars Harrington and Orosz suggest that the time is right for colleges and universities to re imagine the first year seminar course within the Guided Pathways framework More specifically by increasing the focus on career exploration and decision making and addressing key success skills students need the first year seminar can serve as an essential foundational element of Guided Pathways Readers will

find the practical suggestions on how to engage in backward course redesign and the making the case data helpful as they aim to address equity gaps and require this course of all incoming first year students      *The New Advisor Guidebook* Pat Folsom, Franklin Yoder, Jennifer E. Joslin, 2015-08-21 This is an exciting time to be an academic advisor a time in which global recognition of the importance of advising is growing research affirms the critical role advising plays in student success and institutions of higher education increasingly view advising as integral to their missions and essential for improving the quality of students educational experiences It is essential that advisors provide knowledgeable realistic counsel to the students in their charge The New Advisor Guidebook helps advisors meet this challenge The first and final chapters of the book identify the knowledge and skills advisors must master These chapters present frameworks for setting and benchmarking self development goals and for creating self development plans Each of the chapters in between focuses on foundational content the basic terms concepts information and skills advisors must learn in their first year and upon which they will build over the lengths of their careers These chapters include strategies questions guidelines examples and case studies that give advisors the tools to apply this content in their work with students from demonstrations of how student development theories might play out in advising sessions to questions advisors can ask to become aware of their biases and avoid making assumptions about students to a checklist for improving listening interviewing and referral skills The book covers various ways in which advising is delivered one to one in groups and online The New Advisor Guidebook serves as an introduction to what advisors must know to do their jobs effectively It pairs with Academic Advising Approaches Strategies That Teach Students to Make the Most of College also from NACADA which presents the delivery strategies successful advisors can use to help students make the most of their college experience      **Careers in Marketing** Leslie Stair, 2008-04-05 Expert guidance on exploring and choosing the perfect job Whether you re already a college student or are ready to go back to school this series explores specific areas of interest and helps you determine which job in that field suits you Breaks down specific educational requirements and additional training Surveys the salaries and job opportunities to help seekers find the perfect match

### Selecting A College Major Exploration And Decision Making Introduction

In the digital age, access to information has become easier than ever before. The ability to download Selecting A College Major Exploration And Decision Making has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Selecting A College Major Exploration And Decision Making has opened up a world of possibilities. Downloading Selecting A College Major Exploration And Decision Making provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Selecting A College Major Exploration And Decision Making has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Selecting A College Major Exploration And Decision Making. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Selecting A College Major Exploration And Decision Making. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites

that prioritize the legal distribution of content. When downloading Selecting A College Major Exploration And Decision Making, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Selecting A College Major Exploration And Decision Making has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### **FAQs About Selecting A College Major Exploration And Decision Making Books**
