WILLIAM SHAKESPEARE

Andantino

The musical score is written for piano and voice. It begins with a tempo marking of *Andantino*. The piano part consists of two staves, with the right hand playing a melody of eighth and sixteenth notes and the left hand providing a steady accompaniment of eighth notes. The vocal line is written on a single staff with lyrics in English. The lyrics are: "The morning has been a day of rain, / And the sun has been a day of rain, / And the sun has been a day of rain, / And the sun has been a day of rain." The score is divided into four systems, each with two piano staves and one vocal staff. The lyrics are written below the vocal staff.

The morning has been a day of rain,
And the sun has been a day of rain,
And the sun has been a day of rain,
And the sun has been a day of rain.

The Vagrant Duke George Gibbs,2017-03-19 *Musical Observer* ,1919 **The Religious Revolution** Dominic Green,2022-04-19 An incisive study of the Western world s shift from institutional religion to more personal beliefs in the second half of the 19th century This is intellectual history at its most comprehensive and convincing Publishers Weekly starred review The late nineteenth century was an age of grand ideas and great expectations fueled by rapid scientific and technological innovation In Europe the ancient authority of church and crown was overthrown for the volatile gambles of

democracy and the capitalist market. If it was an age that claimed to liberate women slaves and serfs, it also harnessed children to its factories and subjected entire peoples to its empires. Amid this tumult, another sea change was underway: the religious revolution. In *The Religious Revolution*, Dominic Green charts this profound cultural and political shift, taking us on a whirlwind journey through the lives and ideas of Ralph Waldo Emerson and Walt Whitman, of L. V. and Helena Blavatsky, of Wagner and Nietzsche, of Marx, Darwin, and Gandhi. Challenged by the industrialization, globalization, and political unrest of their times, these figures found themselves connecting with the religious impulse in surprising new ways, inspiring others to move away from the strictures of religion and toward the thrill and intimacy of spirituality. The modern era is often characterized as a time of increasing secularism, but in this trenchant new work, Green demonstrates how the foundations of modern society were laid as much by spirituality as by science or reason. *The Religious Revolution* is a narrative tour de force that sweeps across several continents and five of the most turbulent and formative decades in history. Threading together seemingly disparate intellectual trajectories, Green illuminates how philosophers, writers, artists, scientists, and yogis shared in a global cultural moment, borrowing one another's beliefs and making the world we know today.

Material Success Through Yoga Principles Swami Kriyananda, 2025-01-05

Material Success Through Yoga Principles Are you satisfied with your life as it is? Do you want to keep pushing forward, armed only with grit and determination? Or would you like to learn how to align your will with the power of the universe? This book can transform your life at its core. This is the opportunity that stands before you now. *Material Success through Yoga Principles* is, in a sense, an autobiography of perseverance and loyalty to principle until success is achieved. Swami Kriyananda's own life is proof that these principles work. And the successful lives of thousands he has influenced show that these principles can be of benefit to anyone who learns and uses them. Many people, Paramhansa Yogananda said, fail to succeed in life for lack of what he called spiritual adventurousness. Successful people are those who have the imagination and the courage to embrace new ways of doing things, even if others scoff or turn away.
