every sense transformative and for the millions who have experienced them in person unforgettable Christo and Jeanne Claude have been the frequent subjects of films videos catalogues cartoons monographs exhibitions and editorials Until this biography by Burt Chernow however written with the full cooperation of the artists nothing has connected the intimate details of their lives and the spectacular dimensions of their projects Christo the penniless Bulgarian refugee who made his way to Paris during the 1950s and Jeanne Claude the socialite daughter of a prominent French general seemed an unlikely couple yet together they forged one of the most enduring partnerships in contemporary art When they arrived in New York in 1964 Christo was already becoming well known in avant garde circles for his wrappings of everyday objects Jeanne Claude acted as manager dealer and accountant Over time as Chernow reveals the fusion of their prodigious gifts his drawings and her ability to draw things together produced the works for which today they are known the world over Chernow recounts their rise from relative obscurity to international renown revealing both the sources of their art and the heights to which it has quite literally aspired An epilogue by Wolfgang Volz a longtime and close collaborator of the artists as well as their exclusive photographer provides a fascinating insider's view of what it is like to work and dream with them Christo and Jeanne Claude is an indelible portrait of the artists and their work and a moving account of an extraordinary couple *Made in U.S.A.* Sidra Stich, 2023-12-22

Frank O'Hara and MoMA Matthew Holman, 2025-08-07 This is the first book to closely examine the curatorial work that the celebrated poet Frank O'Hara 1926-1966 undertook for the Museum of Modern Art in New York and abroad Upon his premature death the New York Times obituary ran with the headline Frank O'Hara 40 Museum Curator Exhibitions Aide at Modern Art Dies Also a Poet However in the half a century since O'Hara's fascinating career as a curator where he oversaw exhibitions of the likes of Jackson Pollock Helen Frankenthaler David Smith and Larry Rivers among others has been eclipsed by the critical attention given over to his poetry Drawing on a broad range of unpublished archival material the book reveals the impact O'Hara's curatorial work had both on the reception of American modern art abroad and on the curatorial profession itself It focuses on his travelling exhibitions for MoMA's International Program a vehicle for soft power during the fraught years of the cultural Cold War exposing him to new art artists and cities while developing important transnational networks far from New York from Madrid to Venice Zagreb to Otterlo Bringing together close readings of O'Hara's poems and unpublished letters with a selection of archival illustrations Holman argues for O'Hara's sense of exuberant continuity between life as a writer and a curator an American and a cosmopolitan revealing that he was so much more besides the quintessential New York poet It is perfect reading for anyone interested in American art in the mid 20th century curatorial and museum studies or simply this lesser known but fascinating aspect of the legendary poet's career From Pop to Now Sonnabend Gallery (New York, N.Y.), Rachel Haidu, 2002 Taking one of Andy Warhol's famous Campbell soup can paintings as its starting point *From Pop to Now* presents a definitive survey of works collected by international gallery owners Ileana and Michael Sonnabend over the last four decades For more than half a

century the Sonnabends have been a seminal force in the contemporary art world often showing bold new work considered impossible to sell or too difficult for the times In Paris from 1962 to 1973 and in New York from 1970 to the present the Sonnabend galleries shows have showcased a virtual who's who of contemporary art spanning the full gamut of artistic exploration from Pop Art to Minimalism and Conceptualism from painting and sculpture to video and photography During the height of the Pop movement Ileana was dubbed the Mom of Pop Art and the impact made by her artists at the time among them Jasper Johns Robert Rauschenberg Cy Twombly Andy Warhol Roy Lichtenstein Claes Oldenburg and James Rosenquist is now as legendary as Sonnabend's passion for collecting contemporary art Committed to exposing audiences in Europe and the United States to the most exciting contemporary work on both continents the Sonnabends brought to New York the works of Italian Arte Povera artists Mario Merz Gilberto Zorio Jannis Kounellis and Pier Calzolari and other Europeans including Bernd and Hilla Becher Christian Boltanski and Anselm Kiefer More than a collection From Pop to Now looks at a pivotal time in contemporary art history bringing together not only the names that have made history but also the seminal artworks that have defined a generation *Bibliographic Guide to Art and Architecture* New York Public Library. The Museum Establishment and Contemporary Art Rebecca J. DeRoo, 2006-01-09 This book provides an in depth account of the protests that shook France in 1968 and which served as a catalyst to a radical reconsideration of artistic practice that has shaped both art and museum exhibitions up to the present Rebecca DeRoo examines how issues of historical and personal memory the separation of public and private domains and the ordinary objects of everyday life emerged as central concerns for museums and for artists as both struggled to respond to the protests She argues that the responses of the museums were only partially faithful to the aims of the activist movements Museums in fact often misunderstood and misrepresented the work of artists that was exhibited as a means of addressing these concerns Analyzing how museums and critics did and did not address the aims of the protests DeRoo highlights the issues relevant to the politics of the public display of art that have been central to artistic representation in France as well as in North America **The Museum as Muse** Kynaston McShine, 1999 Published on the occasion of the exhibition of the same name held at the Museum of Modern Art New York March 14 June 1 1999 **On the Museum's Ruins** Douglas Crimp, 1993 What determines the significance of a work of art Does it abide eternally within the work Or is it continually constructed and reconstructed from the outside through the work s presentation The historical shift from autonomous modernist object to postmodernist critique of institutions from artwork to discursive context is the subject of Douglas Crimp s essays and Louise Lawler s photographs in On the Museum s Ruins Taking the museum as paradigmatic institution of artistic modernism Crimp surveys its historical origins and current transformations The new paradigm of postmodernism is elaborated through analyses of art practices broadly conceived not only the practices of artists but also those of critics and curators of international exhibitions and of new or refurbished museums back cover **Artbibliographies Modern**, 2004 Witness to Phenomenon Joseph D.
