momentous era to tell the story of the music of the Sixties year by year By tracing in parallel the origins and development of the recording careers of major talents on both sides of the Atlantic the Beatles the Rolling Stones the Beach Boys Bob Dylan Dusty Springfield and many more besides this account shows how they traded creativity with one another All the great Sixties hits as well as a host of less well known gems are described in the context of the charts of the day tracking the ups and downs of different trends as they came and went such as rock n roll rhythm blues psychedelia modern folk the concept album or supergroups But beyond this each chapter also places the music in a broader historical and cultural setting of landmark events at home and abroad the space race the Profumo affair the Cold War Vietnam the growth of satire to show how as the decade unfolded the paths of pop and current affairs drew ever closer together If you thought the Sixties were just about the fleeting dreams of hippies in the Summer of Love then think again This book will open your eyes to a far reaching imaginative legacy and how it came to shape pop music as a dazzling art form in its own right **Purple Chick** Todd Van Buskirk,2015-08-22 A fictional memoir about the infamous record collector and bootlegger The Beach Boys appeal strikes a chord with certain personalities who can relate to them in some way beyond liking their music on the surface There are now dozens of popular books both non fiction and fiction that can help to shed light on Asperger s Syndrome either by representing a three dimensional character with the syndrome by directly explaining the ins and outs of the symptoms or by telling the true story of someone living a life on the autism spectrum **Indian Sun** Oliver Craske,2020-04-07 One of Library Journal s Best Arts Books of 2020 The definitive biography of Ravi Shankar one of the most influential musicians and composers of the twentieth century told with the cooperation of his estate family and friends For over eight decades Ravi Shankar was India s greatest cultural ambassador He was a groundbreaking performer and composer of Indian classical music who brought the music and rich culture of India to the world s leading concert halls and festivals charting the map for those who followed in his footsteps Renowned for playing Monterey Pop Woodstock and the Concert for Bangladesh and for teaching George Harrison of The Beatles how to play the sitar Shankar reshaped the musical landscape of the 1960s across pop jazz and classical music and composed unforgettable scores for movies like Pather Panchali and Gandhi In Indian Sun The Life and Music of Ravi Shankar writer Oliver Craske presents readers with the first full portrait of this legendary figure revealing the personal and professional story of a musician who influenced and continues to influence countless artists Craske paints a vivid picture of a captivating restless workaholic from his lonely and traumatic childhood in Varanasi to his youthful stardom in his brother s dance troupe from his intensive study of the sitar to his revival of India s national music scene Shankar s musical influence spread across both genres and generations and he developed close friendships with John Coltrane Philip Glass Yehudi Menuhin George Harrison and Benjamin Britten among many others For ninety two years Shankar lived an endlessly colorful and creative life a life defined by musical emotional and spiritual quests and his legacy lives on Benefiting from unprecedented access to Shankar s archives and drawing on new interviews with over 130 subjects

including his second wife and both of his daughters Norah Jones and Anoushka Shankar Indian Sun gives readers unparalleled insight into a man who transformed modern music as we know it today **John Lennon Imagined** Janne Mäkelä, 2004 Considered one of the most innovative artists in the history of popular music John Lennon is also a fascinating example of the relationship between rock music and celebrity Through investigation of the cultural and historical background of his stardom in England and the United States this book explores why John Lennon became a much debated celebrity and why he remains so Lennon's career from the 1960s until his tragic death in 1980 and even beyond demonstrates how different expectations articulated by the star the music industry the media and the fans form relations which change in terms of time and place Using a multidisciplinary approach and intriguing case studies this book also examines cultural identity authenticity and gender in popular music stardom **Powers of Two** Joshua Wolf Shenk, 2014-08-05 The power of collaboration from Lennon and McCartney to Wozniak and Jobs An inspiring book that also happens to be a great read Daniel H Pink author of Drive Throughout history partners have buoyed each other to better work though often one member is little known to the general public See Warren Buffett and Charlie Munger or Vincent and Theo van Gogh Powers of Two draws on neuroscience social psychology and cultural history to present the social foundations of creativity with the pair as its primary embodiment Revealing the six essential stages through which creative intimacy unfolds this book shows how pairs begin to talk think and even look like each other how the most successful ones thrive on conflict and why some cease to work together while others carry on At once intuitive and deeply surprising Powers of Two will reshape the way you view individuals relationships and society itself A rare glimpse into the private realms of duos A natural storyteller The New York Times A book about magic about the Beatles about the chemistry between people about neuroscience and about the buddy system it examines love and hate harmony and dissonance and everything in between Wise funny surprising and completely engrossing Susan Orlean We sometimes think of creativity as coming from brilliant loners In fact it more often happens when bright people pair up and complement each other Shenk's fascinating book shows how to spark the power of this phenomenon Walter Isaacson Surprising compelling Shenk banishes the idea of solitary genius by demonstrating that our richest art and science come from collaboration we need one another not only for love but also for thinking and imagining and growing and being Andrew Solomon **John & Paul** Ian Leslie, 2025-04-08 A new take on a legendary partnership Thoroughly delightful Fans will love this fresh insightful approach to the band Kirkus Reviews Starred Review John Lennon and Paul McCartney knew each other for twenty three years from 1957 to 1980 This book is the myth shattering biography of a relationship that changed the cultural history of the world The Beatles shook the world to its core in the 1960s and to this day new generations continue to fall in love with their songs and their story At the heart of this phenomenon lies the dynamic between John Lennon and Paul McCartney Few other musical partnerships have been rooted in such a deep intense and complicated personal relationship John and Paul's relationship was defined by its complexity compulsive tender and tempestuous full of

longing riven by jealousy Like the band their relationship was always in motion never in equilibrium for long John Paul traces its twists and turns and reveals how these shifts manifested themselves in the music The two of them shared a private language rooted in the stories comedy and songs they both loved as teenagers and later in the lyrics of Beatles songs In John Paul acclaimed writer Ian Leslie uses the songs they wrote to trace the shared journey of these two compelling men before during and after The Beatles Drawing on recently released footage and recordings Leslie offers us an intimate and insightful new look at two of the greatest icons in music history and rich insights into the nature of creativity collaboration and human intimacy Billboard ,1995-12-23 In its 114th year Billboard remains the world s premier weekly music publication and a

diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **Fab** Howard Sounes,2010-10-26 He is one of the most famous most wealthy people on the planet and yet he remains little known and understood as a personality At long last Paul McCartney is the subject of a major deeply researched psychologically acute biography It tells a story that will illuminate and surprise The publication finds McCartney who turns 70 in 2012 revitalized as a performer touring with a set of mostly Beatles songs and a man buffeted by profound changes in recent years the death of his first wife Linda the death of George Harrison a second marriage to Heather Mills and its spectacular failure the fall out from which is still crashing around him *Character-Based Film Series Part 1* Terry Rowan,2016-04-09 A group of films on a character based series which include Andy Hardy Benji Billy Jack Blondie Captain Nemo Dr Kildare The Falcon Francis the Talking Mule Harry Potter Henry Aldrich Jason Voorhees Jungle Jim The Lone Ranger Ma 8 Pa Kettle Matt Dillon Michael Myers Robin Hood Santa Claus Superman Tarzan and Zorro These and other characters make this interesting book

Working Class Mystic Gary Tillery,2012-12-19 John Lennon called himself a working class hero George Harrison was a working class mystic Born in Liverpool as the son of a bus conductor and a shop assistant for the first six years of his life he lived in a house with no indoor bathroom This book gives an honest in depth view of his personal journey from his blue collar childhood to his role as a world famous spiritual icon Author Gary Tillery s approach is warmly human free of the fawning but insolent tone of most rock biographers He frankly discusses the role of drugs in leading Harrison to mystical insight but emphasizes that he soon renounced psychedelics as a means to the spiritual path It was with conscious commitment that Harrison journeyed to India studied sitar with Ravi Shankar practiced yoga learned meditation from the Maharishi Mahesh Yogi and became a devotee of Hinduism George worked hard to subdue his own ego and to understand the truth beyond appearances He preferred to keep a low profile but his empathy for suffering people led him to spearhead the first rock and roll super event for charity And despite his wealth and fame he was always delighted to slip on overalls and join in manual labor on his grounds At ease with holy men discussing the Upanishads and the Bhagavad Gita he was ever the bloke from Liverpool whose father drove a bus whose brothers were tradesmen and who had worked himself as an apprentice electrician

until the day destiny called Tillery's engaging narrative depicts Harrison as a sincere seeker who acted out of genuine care for humanity and used his celebrity to be of service in the world. Fans of all generations will treasure this book for the inspiring portrayal it gives of their beloved quiet Beatle. *Billboard*, 1996-12-07 In its 114th year *Billboard* remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform. *Billboard* publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends.
