## **Self Portrait Of A Hero From The Letters Of Jonathan Netanyahu 1963 1976:**

**Self-portrait of a Hero** Yonatan Netanyahu,1982      *The Battle for Eretz Yisrael* Bernard J. Shapiro,2011-10-14 From the sweet taste of victory to shattering betrayal *The Battle for Eretz Yisrael* documents the years from 1992 to 2011 as Israel attempts to gain its identity Rendering the full impact of the Israeli struggle this analysis contains a collection of articles political cartoons maps mementos flyers and poetry written and compiled by author Bernard J Shapiro the founder and chairman of the Freeman Center for Strategic Studies in Houston Texas The articles span nineteen years and include a wide range of topics related to the Israeli struggle *The Battle for Eretz Yisrael* discusses Israeli Jewish and world history Arab wars of extermination against Israel military and strategic issues Israeli political issues US and Israeli relations Islam and Arab propaganda and media bias A strong advocate for Israel for more than fifty years Shapiro provides an insiders look at this historic and contemporary issue that affects people all over the world      **The Resistible Rise of Benjamin Netanyahu**

Neill Lochery,2016-11-15 The first English language biography of Benjamin Netanyahu the divisive and controversial Prime Minister of Israel Benjamin Netanyahu is the longest serving Prime Minister of Israel For much of the world Netanyahu is a right wing nationalist zealot for many Israelis he is a centrist who is too soft on Arabs and backs down too easily in a fight Love him or loathe him Netanyahu has been at the very center of Arab Israeli politics since 1990 when he became the telegenic Israeli spokesman for CNN s coverage of the Persian Gulf War arguably ushering in the Americanization of the Israeli media Netanyahu is famous for his TV skills but there is so much more to reveal good and bad about the man and his place in Israeli Middle Eastern and world political history Using the juncture of the Oslo Accords to take the reader back to Netanyahu s formative years Neill Lochery a renowned scholar of Middle Eastern politics and history chronicles not only the Prime Minister s life but also the issues his career has encompassed from the rise of militant Islam to the politics of oil from the transformation of Israeli politics by the 24 7 cable news cycle to the US s changing role in the Middle East

Professional Journal of the United States Army ,1981      *The Israeli Century* Yossi Shain,2021-11-02 *The Israeli Century* is one of the most important books of our generation emphasizing how Israel is becoming the center of the Jewish People s existence and is laying the solid foundations for its future Isaac Herzog President of Israel In this important breakthrough work Yossi Shain takes us on a sweeping and surprising journey through the history of the Jewish people from the destruction of the First Temple in the sixth century B C E up to the modern era Over the course of this long history Jews have moved from a life of Diaspora which ultimately led to destruction to a prosperous existence in a thriving independent nation state The new power of Jewish sovereignty has echoed around the world and gives Israelis a new and significant role as influential global players In the *Israeli Century* the Jew is reborn feeling a deep responsibility for his tradition and a natural connection to his homeland A sense of having a home to return to allows him to travel the wider world and act with ease and confidence In the *Israeli Century* the Israeli Jew can fully express the strengths developed over many generations in the long

period of wandering and exile As a result Shain argues the burden of preserving the continuity of the Jewish people and defining its character is no longer the responsibility of Diaspora communities Instead it now falls squarely on the shoulders of Israelis themselves The challenges of Israeli sovereignty in turn require farsighted leaders with a clear eyed understanding of the dangers that confront the Jewish future as well as the incredible opportunities it offers

**The Political Psychology of Israeli Prime Ministers** Yael Aronoff, 2014-05-29 This book examines leaders of the seemingly intractable conflict between Israel and its Palestinian neighbors It takes as an intellectual target of opportunity six Israeli prime ministers asking why some of them have persisted in some hard line positions but others have opted to become peacemakers This book argues that some leaders do change and above all it explains why and how such changes come about This book goes beyond arguing simply that leaders matter by analyzing how their particular belief systems and personalities can ultimately make a difference to their country s foreign policy especially toward a long standing enemy Although no hard liner can stand completely still in the face of important changes only those with ideologies that have specific components that act as obstacles to change and who have an orientation toward the past may need to be replaced for dramatic policy changes to take place

**Al-Naqba (The Catastrophe)** Barbara Goldscheider, 2005-09-23 Based on events organizations and locations that Barbara Goldscheider experienced while working on army bases throughout Israel Al Naqba The Catastrophe follows the parallel stories of an elite Palestinian Arab and an officer of the Israeli Defense Forces Asa Ibrahimi s infatuation with the daughter of a desert sheikh is brutally ended when he s arrested and beaten in the Russian Compound two of his brothers are killed by Israeli soldiers and his parents home in Ramallah is demolished Israeli Colonel Neyri Ben Ner attempts to begin a new life far from the instability of his country by going to Harvard and marrying an American woman But a return to Israel brings him back to the horror of suicide bombings and mass murders Both face a personal and political transformation with ramifications beyond their own lives This epic novel blends drama suspense and romance in the process tallying the tragedies to both parties in this seemingly unstoppable conflict

**Israeli Society** Eyal Lewin, 2024-10-01 This work constitutes a groundbreaking contribution to the literature of Israel studies It examines Israeli society s journey through 2023 highlighting its swift transformation from political fragmentation turmoil and civil unrest to national unity and complete mobilization This sudden change that occurred on October 7 2023 is described in a broader historical and cultural context Readers of this groundbreaking work are treated to an in depth analysis of the significant events of 2023 ranging from the legal and political implications of the announcement of judicial reform plans to the political disruptions that followed Drawing on Jonathan Sacks s notion of a national covenant David Ben Gurion s concept of Halutzim and Henri de Saint Simon s ideas on avant garde groups this study makes sense of several seemingly incomprehensible aspects of recent events This publication will enlighten those keen on exploring Israeli society and deciphering its complex behaviors across various temporal dimensions Students scholars and educators alike will discover essential readings on pivotal Israel studies topics

within its pages **WORDS OF PRAISE** This book represents one of the first accounts if not the first of the political social crisis which Israeli society has been experiencing Considering the widespread confusion and misrepresentation of the basic facts Lewin has made a timely and balanced contribution to our understanding What began as a struggle for constitutional and judicial reform in Israel could have resulted in a coup d etat and civil war were it not for the Hamas invasion rapes and massacres which took place on October 7 2023 Lewin s analytical approach which is based on solid sources and respected opinions has brought us a mature and academically sound account Dr Joel Fishman Jerusalem Center for Public Affairs and Israel Defense and Security Forum IDSF This essay provides readers with an original viewpoint that creatively recounts the narrative of Israeli society This academic examination of the turbulence experienced by Israel in 2023 addresses judicial political and military aspects in a manner that has not been previously recorded Prof Asher Cohen Department of Political Studies Bar Ilan University It takes courage to delve into the intricate fabric of divisions within Israeli society Professionalism demands the ability to go beyond temporal and spatial constraints a task that Lewin adeptly fulfills with the meticulous expertise of a political sociologist Dr Assaf Malach Shalem College and Jewish Statesmanship Center Authored from the vantage point of a seasoned researcher aligned with a republican ethos and associated with Israel s right wing this book uncovers the intricacies and robustness of Israeli society Lewin offers insight into the essence and endurance of Israeli society amidst trials and existential challenges portraying it as a society driven by vitality and determined to rediscover its foundational covenant of destiny as a pillar for survival Prof Kobi Michael University of South Wales Institute for National Security Studies INSS Tel Aviv University and Misgav Institute for National Security and Zionist Strategy **Quarterly Review of Military Literature** ,1981 **We Are Many** Edward S. Shapiro,2005-06-03 The topics of Edward Shapiro s book span the gamut of the American Jewish experience from the politics of American Jews the nature of American Jewish identity relations between Jews and blacks and Jews and American capitalism He discusses writer Herman Wouk Patrick Buchanan and the Jews John Higham s interpretation of American anti Semitism Nathan Glazer s view of American Orthodoxy and the Jewishness of Sidney Hook Of particular interest is the author s exploration of how American Jews have reconciled their dual identities as Americans and as Jews These solutions has shaped the way Jews have voted prayed earned a living married and chosen a profession America Shapiro argues has truly been different for Jews but this difference has shaped the history of America s Jews in unexpected and ironic ways The fact that Jews have risen rapidly up the economic and social ladder and have become politically influential has not eliminated their insecurity and the sense they have of themselves as a marginal group **Spec Ops** William H. McRaven,2009-02-04 Vice Adm William H McRaven helped to devise the strategy for how to bring down Osama bin Laden and commanded the courageous U S military unit that carried it out on May 1 2011 ending one of the greatest manhunts in history In Spec Ops a well organized and deeply researched study McRaven analyzes eight classic special operations Six are from WWII the German commando raid on the Belgian fort Eben Emael 1940 the Italian

torpedo attack on the Alexandria harbor 1941 the British commando raid on Nazaire France 1942 the German glider rescue of Benito Mussolini 1943 the British midget submarine attack on the Tirpitz 1943 and the U S Ranger rescue mission at the Cabanatuan POW camp in the Philippines 1945 The two post WWII examples are the U S Army raid on the Son Tay POW camp in North Vietnam 1970 and the Israeli rescue of the skyjacked hostages in Entebbe Uganda 1976 McRaven who commands a U S Navy SEAL team pinpoints six essential principles of spec ops success simplicity security repetition surprise speed and purpose For each of the case studies he provides political and military context a meticulous reconstruction of the mission itself and an analysis of the operation in relation to his six principles McRaven deems the Son Tay raid the best modern example of a successful spec op which should be considered textbook material for future missions His own book is an instructive textbook that will be closely studied by students of the military arts Maps photos The Jewish Veteran ,1978

**Let My People Go** Jerry Grunor,2005 As today s events unfold in the world we live in we should learn and remember and we shall overcome all of our enemies if not forgive them The people of Israel have made a commitment that no country shall ever succeed in enslaving them again The lore of revolt and the spirit of freedom will sustain the people of Israel and their children as they become their own enemies as well This is the story of one country and its people their life as a struggle their death heroism their sacrifice sacred their memory eternal Because Jewish history through the ages has a rich record of martyrs who willingly laid down their lives for the principles of right and justice Many were those who made the ultimate sacrifice in the defense of the Jewish faith and of the Jewish homeland including those in the second century BCE Let My People Go is based on actual correspondence some of which was presented by Prime Minister Menachem Begin about Dov Gruner Dov is author Jerry Grunor s cousin who fought with Mr Begin in the early 1940s for the independence of Israel *A Time for Healing* Edward S.
