Rouse, 2017-08-08 This innovative history reveals the untold story of the women's self defense movement and its origins in the Progressive Era In the late nineteenth and early twentieth centuries women began taking up boxing and jiu jitsu in record numbers The new trend was both a reflection of and a response to the broader cultural issues of the time including the women's rights movement and the campaign for the vote While some of these women simply wanted to protect themselves from strangers on the street others sought to reject gendered notions about feminine weakness As women's self defense grew into a movement it challenged longstanding myths about the nature of violence against women provoking discussions about the less visible violence that many women faced in their own homes The movement also forged a new image of women as powerful and self reliant Whether or not women consciously pursued self defense for these reasons their actions embodied feminist politics This book is a fascinating and comprehensive introduction to the movement they created and the ways it echoed through the twentieth century *The Bear Slayer* Gerald W. Goble Ph.D., 2007-12-05 This book is the result of many years of teaching self defense specifically to women The book takes the lessons learned from the students in teaching the subject and presents them in a total approach This book gives several fundamental concepts in martial arts in language and approach that is natural for women taking into account their need to be nurturers Methods are presented to identify the potential behavior of an attacker in every day terms for the nurturer Techniques are given to deal with an attack arising out of this behavior The capabilities fears and feelings of the woman nurturer with limited training are considered in how the self defense techniques are presented and done All of these concepts are coalesced in a simple simple recipe that is

useful and adaptable for women's self defense *Hands Off!* William Ewart Fairbairn, 1942 Self-defense for Women Susan L. Peterson, 1979 The first woman physical education instructor in the history of the United States Military Academy shows civilian women of all ages how to protect everything from their possessions to their very lives Jacket subtitle *A Woman's Guide to Self Defense* Vic Shayne, 1993 **Self Defense for Women - Tips, Techniques and Methods to Protect Yourself** Dweep J.
