Internet Millionaires
HAVE IN COMMON

Have Membership Sites

According to Mike Filsaime, 90% of the online marketers who make $10,000 a month and above have their own product or membership site or both.
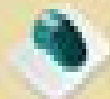

Have a List

All online marketers who are generating a 5 figure monthly income have a mailing list of their own.

Publish Own Book

Many Internet Millionaires surveyed usually would go on to publish their own physical book to reach the offline market.

Run Own Seminar

At the pinnacle of the information publishing business, when working from home or a random Starbucks outlet proves too small to house the growing business, Internet entrepreneurs ironically abandon the 'dot com' lifestyle to go into this demanding phase.

Outsource

While majority of the Internet Millionaires do not run a conventional office, most rely on outsourcing their day-to-day operations to virtual assistants in countries such as Philippines and India.

Joint Venture
