Carney,Rachel Manber,2009-12-02 A busy and hectic life can profoundly affect your ability to get a good night s rest And it s even more difficult to feel relaxed when you stay awake worrying that you won t fall asleep This vicious circle can quickly rob you of your quality of life which is why it is so important to seek the most effective treatment for your insomnia This workbook uses cognitive behavior therapy which has been shown to work as well as sleep medications and produce longer lasting effects Research shows that it also works well for those whose insomnia is experienced in the context of anxiety depression and chronic pain The complete program in Quiet Your Mind and Get to Sleep goes to the root of your insomnia and offers the same techniques used by experienced sleep specialists You ll learn how to optimize your sleep pattern using methods to calm your mind and help you identify sleep thieving behaviors that contribute to insomnia Don t go without rest any longer get started on this program and end your struggles with sleep *The Cumulative Book Index* ,1992 A world list

of books in the English language **Sound Mind, Sound Body** Kenneth R. Pelletier,1995-06 In this dramatic new approach to understanding personal health Dr Pelletier shows how lifelong good health is far more dependent on a positive purposeful life orientation than on aerobic workouts and rigid low fat diets He challenges the medical community's long accepted focus on the disease model and proposes a positive new health paradigm Sound Mind Sound Body examines the lives of people who are rarely ill who manage aging successfully or who cope extremely well with both acute and chronic illness and describes how they do it Among Dr Pelletier's fascinating findings People who overcome serious illness or physical trauma in childhood are often actually strengthened not debilitated by the experience People who enjoy a sense of belonging and a real connection with others generally pass through periods of intense stress and remain untouched by illness Altruistic work is closely related to the ability to overcome life threatening crises and disease There is a healthy way of being ill which can help a person manage such chronic problems as arthritis and heart disease In addition Sound Mind Sound Body offers practical effective techniques to help anyone achieve physical mental and emotional equilibrium and enjoy a lifetime of optimal health
