Sellamillion The Disappointing Other:

The Sellamillion Adam Roberts, 2010-09-09 THE SELLAMILLION is NOT a parody of Tolkien's THE SILMARILLION That would be pointless because although all Tolkien fans have a copy only three of them have read past page 40 It is however a parody of all that Tolkien created as he worked on LORD OF THE RINGS The history of the elderly days Early missing drafts of LORD OF THE RINGS A correspondence between the author and publisher on whether it should be a Bellybutton Stud of Doom rather than a Ring of Power An experimental version of LOTR as if written by Dr Seuss That sort of thing It ll be funny Possibly hilarious The author's told us it will be Promised even And he did write THE SODDIT And that was quite funny

The Snow Adam Roberts, 2018-12-11 The new Adam Roberts novel is a story of global apocalypse old hatreds and new beginnings It is his best novel to date And this is how the world will end The snow started falling on the sixth of September soft noiseless flakes filling the sky like a swarm of white moths or like static interference on your TV screen whichever metaphor nature or technology you find the more evocative Snow everywhere all through the air with that distinctive sense of hurrying that a vigorous snowfall brings with it Everything in a rush busy busy snowflakes And simultaneously paradoxically everything is hushed calm as quiet as cancer as white as death And at the beginning people were happy But the snow doesn't stop It falls and falls and falls Until it lies three miles thick across the whole of the earth Six billion people have died Perhaps 150 000 survive But those 150 000 need help they need support they need organising governing And so the lies begin Lies about how the snow started Lies about who is to blame Lies about who is left Lies about what really lies beneath
