Morello,2001-04-30 Modern advertising moved into the 20th century borne on many vehicles and distinguished by many techniques three of the most frequently used being reason why advertising celebrity endorsements and pre emptive claims Best known for his reason why advertising Albert Davis Lasker president of the Lord Thomas Agency of Chicago championed all three techniques helping Lucky Strike Cigarettes Van Camp s Pork Beans and Sunkist Oranges become business successes His least known but best work was in the political area where he helped the Republicans gain control of Congress in 1918 and with the election of Warren G Harding recapture the White House in 1920 This book covers events leading to Harding s nomination and election and the key role Lasker played in his election Bringing along the tricks he had used to sell soap beer cigarettes and canned food Lasker plunged into political advertising forever changing the way political candidates are publicized **How and what to Sell** ,1925 Enterprising Youth Monika Elbert,2008-06-09 Recommended by Choice Enterprising Youth examines the agenda behind the shaping of nineteenth century children s perceptions and world views and the transmission of civic duties and social values to children by adults The essays in this book reveal the contradictions involved in the perceptions of children as active or passive as representatives of a new order or as receptacles of the transmitted values of their parents The question then is whether the business of telling children s stories becomes an adult enterprise of conservative indoctrination or whether children are enterprising enough to read what many of the contributors to this volume see as the subversive potential of these texts This collection of literary and historical criticism of nineteenth century American children s literature draws upon recent assessments of canon formations gender studies and cultural studies to show how concepts of public private male female and domestic foreign are collapsed to reveal a picture of American childhood and life that is expansive and constrictive at the same time *Selling Lucky* Art Fetting,1978-08-01
